Dehejia, 2013-06-01 Praful is a Professor a dyed in the wool academic who is shaped by the life denying philosophy of Shankara s Advaita Vedanta Parul on the other hand is a sensual earthy woman who believes in the veracity of love and the reality of the many beautiful things that life offers A chance meeting between the two leads not only to a romantic relationship spread over eleven purnimas but becomes a dialogue between two philosophical systems the Advaita of Shankara and the Madhurya of the Bhagvata Purana As romantic moments between the two unfold

intellectuality interacts with sensuality questioning the validity of each and as Chaitra moves to Magh a transformation takes place As Harsha Dehejia weaves this romantic story where meetings by the Parijataka and conversations underneath the Champa are not only moments of shringara but introspections on the meaning of life we hear and feel the sensuality of love as it merges seamlessly with the intellectuality of a philosophic discourse In this heart throbbing romantic relationship there is the spiritual quest of ultimate reality along with the pleasures of the sound of the wind and the song of a bird Metaphysical thoughts and tender feelings evocative colours and resonant sounds intoxicating aromas and patterned textures myths and metaphors intermingle in the hushed conversations of two people in love **Upwords - A Flight of Poetry** Paul
