Luke's Gospel Anthony Giambrone,2017-07-20 In this work Anthony Giambrone investigates the appropriation and development of Jewish charity discourse in Luke s Gospel In contrast to previous scholarship neither the coherence of Lukan wealth ethics nor its contemporary actualization defines his study Instead the sacramental significance of almsgiving becomes the starting point for a more theologically oriented exegesis The end result recognizes Luke s Christological mutation of the inherited tradition The text is organized around three exegetical probes each handling parabolic material i e Luke 7 36 50 10 25 37 and 16 1 31 The author advances an approach to these parables that highlights Christological allegory metalepsis as a Lukan narrative device A break is thus implied with the dominant rationalist constructions of Luke s parabolic art and ethics Also in contrast to a dominant trend stress is laid upon Luke s Jewish rather than Greco Roman context *Loving* Corin Hughs,2013-09-27 Hannah Mattox longs to be a mother However her heart disease pulmonary

Lesbian Fiction Historical Fiction Luke Hamilton has always been sure that she'd never marry. She accepted that she would spend her life alone when she chose to live her life disguised as a man. After working in a brothel for three years, Nora Macauley has lost all illusions about love. She no longer hopes for a man who will sweep her off her feet and take her away to begin a new respectable life. But now they find themselves married and on the way to Oregon in a covered wagon with two thousand miles ahead of them. *The Love of God* Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted. The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love. Featuring contributions from well-known evangelical scholars, this multi-disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology, biblical theology, apologetics, pastoral theology, and ethics. The contributors, including D. A. Carson, Andreas J. K. Stenberger, Raymond C. Ortlund Jr., Robert L. Plummer, and many others, address a variety of issues related to how God's love is expressed in the Old and New Testaments, the Trinity, apologetics, Christian living, social justice, and more. This addition to the Theology in Community series will promote clear, sound thinking about what Scripture means when it declares that God is love. Part of the Theology in Community series.

Boundless Love Joel W. Huffstetler, 2008 Boundless Love provides a detailed survey of the scholarship on Luke 15:11-32, the parable of the Prodigal Son, arguably the best-loved and most familiar of Jesus' parables. Readers will find key insights regarding the teachings of the parable from leading experts on the Gospels, including William Barclay, Kenneth Bailey, Fred Craddock, Luke Timothy Johnson, Henri Nouwen, Pheme Perkins, and N. T. Wright. Part I of this volume offers students of the Bible a firm grasp on the scholarly consensus regarding the parable's historical, literary, and theological contexts, as well as its wide-ranging applicability in today's world. Part II focuses on the exploration of the parable's potential contributions in discussions of reconciliation and draws on the insights of authors such as Annie Dillard, Sam Keen, Desmond Tutu, and Miroslav Volf. Boundless Love is thoroughly accessible and will appeal to both general readers and specialists. *Jimmy's Faith* Christopher Hunt, 2024-12-03 A novel approach to understanding the work of James Baldwin and its transformative potential. The relationship of James Baldwin's life and work to Black religion is in many ways complex and confounding. What is he doing through his literary deployment of religious language and symbols? Despite Baldwin's disavowal of Christianity in his youth, he continued to engage the symbols and theology of Christianity in works such as *The Amen Corner*, *Just Above My Head*, and others. With *Jimmy's Faith*, author Christopher W. Hunt shows how Baldwin's usage of those religious symbols both shifted their meaning and served as a way for him to build his own religious and spiritual vision. Engaging José Esteban Muñoz's theory of disidentification as a queer practice of imagination and survival, Hunt demonstrates the ways in which James Baldwin disidentifies with and queers Black Christian language and theology throughout his literary corpus. Baldwin's vision is one in which queer sexuality signifies the depth of love's transforming possibilities; the arts serve as the religious medium.

of knitting Black community together an agnostic and affective mysticism undermines Christian theological discourse androgyny troubles the gender binary and the Black child signifies the hope for a world made new In disidentifying with Christian symbols Jimmy s Faith reveals how Baldwin imagines both religion and the world otherwise offering a model of how we might do the same for our own communities and ourselves Healthy Feelings, Thriving Faith Bill Gaultiere,Kristi Gaultiere,2023-09-05 Go from simply knowing your personality type to growing in wholeness empathy and faith Every personality type can get stuck in unhealthy emotional and spiritual patterns In Healthy Feelings Thriving Faith Drs Bill and Kristi Gaultiere use the Enneagram to lead you through a journey of discovery showing you how God can transform anger shame anxiety and sadness into freedom joy peace and love This book offers an avenue to renewed hope and personal growth you may not have thought possible through eye opening insights engaging stories spiritual disciplines simple soul care practices No matter what your personality type you can grow to be more healthy and loving and the Gaultieres are here to guide you The Untethered Soul (EasyRead Large Bold Edition) Michael Singer,2007 Who are you In this remarkable book author and spiritual guide Michael Singer explores this fundamental question seeking the very root of consciousness in order to help readers learn how to dwell in the present moment Written in an engaging and uncomplicated voice this book will open readers up to the radical and powerful experience of simply being themselves **The Sin of White Supremacy** Fletcher Hill, Jeannine ,2017-08-17 How Christian supremacy gave birth to white supremacy The witchcraft of white supremacy When words create worlds The symbolic capital of New Testament love The cruciform Christ Christian love in a weighted world **Hesed and the New Testament** Karen Nelson,2023-05-24 In the Hebrew Bible esed steadfast love loyalty devotion denotes an important concept that is relevant to interpersonal relationships in every generation In this book Karen Nelson investigates New Testament engagement with that concept and the exegetical value of recognizing such engagement This investigation employs an original hybrid of two methodological approaches intertextuality used to consider how New Testament authors appropriate texts that evoke esed or s d and categorization used to analyze and compare instances of the categories sd and syd within the Hebrew Bible and the New Testament Nelson s work challenges assertions that the New Testament equivalent of esed is agap love or charis grace Rather she contends that esed and s d are more likely to be evoked by the terms with which they are most often rendered in the Septuagint eleos and hosios respectively Nelson rereads selected New Testament pericopes in light of esed highlighting points about ongoing devotion to kinship and covenantal relationships often overlooked in those contexts and showing how New Testament authors and figures utilize the esed tradition to critique the contemporary socioreligious situation and encourage belief enduring commitment and appropriately changed lifestyles Addressing a topic that spans the Hebrew Bible and the New Testament this study will be of value to biblical scholars especially those who are interested in semantics **Exploring the Sunday Lectionary** Sandy Rigsby,Steve Mason,2006 This book helps teens discover the meaning of the Sunday readings encourages them to reflect on
