

“Unconditional love is loving your kids for who they are, not for what they do... it isn’t something you will achieve every minute of every day. But it is the thought we must hold in our hearts every day.”

Loving Someone Else's Child:

How to Love Someone Else's Child Vicksay Baby Moten-Richardson, 2021-03-11 All I ever wanted was to be a mother At the age of four when someone would ask me what I wanted to be I would say I want God to delay his coming so that I can live to be twenty five years old get married and have children But on that dreadful day in January of 1994 my doctor told me that my chances of becoming a mother were very slim due to several female problems I hung my head in my chest and cried There will always be a hole in my heart and questions in my mind about what my child would have looked like Would he or she be like me talk like me or even stand like me God s will in my life is more important than mine and since then I have learned to trust him with all my heart Along the way I have been blessed to be called mom by some very extraordinary children Along the way I have been blessed to be called mom by some very loving and generous children Along the way I have been blessed to adopt two extremely special children Along the way I have been blessed by these children more than words can express But most of all I have been blessed to have LOVED SOMEONE ELSE S CHILD **Loving Someone Else's Child** Angela Hunt, 2014-11-26 More people than ever are loving other people s children in stepfamilies extended families adoptive families and other situations that have more to do with love than biology If you are loving someone else s child you ll face challenges and this book will help you meet them In *Loving Someone Else s Child* Angela Hunt talks respectfully affectionately and expertly to parents like me caught in an imperfect sometimes impossible family She is a family expert with courage and a big heart Dave Kopp former editor *Christian Parenting Today* Newly revised and updated

compassion that the broken child she sought to save is somehow reviving her Someone Else s Child is a deeply moving story of guilt and forgiveness despair and hope and the intricacies of love and responsibility In rich and unforgettable prose Nancy Woodruff masterfully explores the fraying loyalties that can turn our world upside down in the face of tragedy **Filling the Quiver: Is Adoption God's Will for My Family?** Rodney Peavy,2021-08-25 As arrows are in the hand of a mighty man so are children of thy youth Happy is the man that hath his quiver full of them they shall not be ashamed but they shall speak with the enemies in the gate Ps 127 4 5 Have you ever considered adopting but been fearful because of the many questions flooding your mind Could I love an adopted child as I would one born to me What if there are emotional issues Would my family accept my adopted children These are all real questions and not easy to ask In Filling the Quiver Is Adoption God s Will for My Family author and adoptive father Rodney Peavy holds nothing back as he answers the questions you are afraid to ask in a way that is genuine practical and heartwarming He shares his family s personal testimony of the many challenges they faced in adopting their children as well as the many blessings they have received From there Peavy takes on the questions he and his wife have been asked since adoption first became part of their family history To the Peavys adoption is more than just a family decision it is a faith decision Filling the Quiver approaches the decision to adopt from the perspective that God is and should be involved in the process This testimony seeks to offer those who have considered adoption a deeper understanding of the impact and spiritual implications of adoption If you are still wondering about adoption as an option this book can help you discover this answer for yourself with God s guidance *Parents and Children: Relationships Born from Love: Inspired by the Wisdom of Yoga* Anna V. have ranked higher but because I was graduating a year earlier it caused my ranking to be calculated differently from the students who had attended high school for four years I received three four year scholarships to the University of Arizona I completed a twenty four month computerized accounting program in eighteen months while raising four extremely sickly and one very difficult foster child and while running a full time day care from my home I took twenty four classes in those eighteen months and received twenty three As and one B Of course I give God the glory because He is the only one who gives us strength I was a straight A student Since I was in first grade I have always assisted children with learning disabilities However the one thing that I am proudest of was that I married a virgin Inside I was this sad and disappointed little girl that I thought no one would love or care for And one more thing that I am proud of is that with the only two men I have been intimate with in my whole sixty four years of life I took my wedding vows first But that same person whom I just told about filed bankruptcy several times moved over fifty times and lost over fifteen cars and over forty jobs all because of pride disobedience to God and letting people speak negativity into my life It is very difficult to share your weakness with the world and those whom you love and know But it is more liberating to know that my story is going to help many people especially women not to make the mistakes I have made
