## **Loving Through Bars Children With Parents In Prison:**

**Loving Through Bars** Cynthia Martone, 2005 Provides a close up examination of the instability and uncertainty that plague the children of prisoners in a collection of personal anecdotal accounts that chronicle their attempts to cope with the unique challenges in their lives

**The Relationship Rights of Children** James G. Dwyer, 2006-04-17 This book presents a sustained theoretical analysis of what rights children should possess in connection with state decision making about their personal relationships which the state does in numerous aspects of family law including paternity adoption custody and visitation termination of parental rights and grandparent visitation It examines the nature and normative foundation of adults rights in connection with relationships among themselves and then assesses the extent to which the moral principles underlying adults rights apply also to children It concludes that the law should ascribe to children rights equivalent though not identical to those which adults enjoy and this would require substantial changes in the way the legal system treats children including a reformation of the rules for establishing legal parent child relationships at birth and of the rules for deciding whether to end a parent child relationship

**Grief, Loss, and Treatment for Death Row Families** Sandra Joy, 2013-12-05 The families of death row inmates are rarely considered in public discourse regarding the death penalty They have largely been forgotten and their pain has not been acknowledged by the rest of society These families experience a unique grief process as they are confronted with the loss of their loved one to death row and brace themselves for the possibility of an execution Death row families are disenfranchised from their grief by the surrounding community and their mental health needs exacerbated as they struggle in isolation with the ambiguous loss that comes with the fear that the state will kill their loved one Grief Loss and Treatment for Death Row Families describes the grief that families experience from the time of their loved one's arrest through his or her execution In each chapter Sandra Joy guides the reader through the grief process experienced by the families offering clinical interventions that can be used by mental health professionals who are given the opportunity to work with these families at various stages of their grief The author conducted over seventy qualitative interviews with family members from Delaware who either currently have a loved one on death row or have survived the execution of their loved one Delaware was chosen because though it has a relatively small death row it is ranked third in the nation with its rate of per capita executions This book provides an in depth awareness of the grieving process of death row families as well as ways that professionals can intervene to assist them in healing With increased awareness and effective clinical treatment we can ensure that the families of death row inmates are forgotten no more

**Critical Criminology in Canada** Aaron Doyle, 2011-01-01 This book presents the work of a new generation of critical criminologists who explore the geographical institutional and political contexts of the discipline in Canada Breaking away from mainstream criminology and law and order discourses the authors offer a spectrum of theoretical approaches to criminal justice from governmentality to feminist criminology from critical realism to anarchism and they propose novel approaches to topics

ranging from genocide to white collar crime By posing crucial questions and attempting to define what criminology should be this book will shape debates about crime policing and punishment for years to come      **American Directory of Writer's Guidelines** ,2007-02 Perhaps the best kept secret in the publishing industry is that many publishers both periodical publishers and book publishers make available writer s guidelines to assist would be contributors Written by the staff at each publishing house these guidelines help writers target their submissions to the exact needs of the individual publisher The American Directory of Writer s Guidelines is a compilation of the actual writer s guidelines for more than 1 700 publishers A one of a kind source to browse for article short story poetry and book ideas      **Global Perspectives on Re-entry** Ikponwosa Ekunwe,Richard Statler Jones,2011 Global Perspectives on Re Entry explores the challenges facing ex prisoners as they attempt to return to society after serving time in prison The problem of re entry is of growing interest to academics correctional professionals and policy makers who are concerned with high rates of incarceration and the increase in the numbers of prisoners caught up in the revolving door of criminal justice This book is the first attempt to explore the problem of re entry from an international perspective The focus of this book is on strategies utilized in various parts of the Western world that shed light on the struggles facing ex prisoners upon re entry as well as on the way different countries have attempted to solve these problems The book seeks to address the important set of issues involved by bringing together the best of recent research and ideas on the subject of desistance from crime around the world with a distinct focus on how research might impact upon the implementation of ex offender reintegration policies The book is divided into two sections The chapters in the first part Societal Institutional Perspective consider the societal and institutional issues in different countries The chapters in the second part of the book Perspective of the Ex Offender present various viewpoints of experts with first hand accounts of the re entry experiences of ex convicts Publisher s description      **Freeing Tammy Jody** Raphael,2013-03-12 The latest volume in the popular trilogy of books about women poverty and violence      *Encountering Correctional Populations* Kathleen A. Fox,Jodi Lane,Susan F. Turner,2018-01-09 While many studying criminology learn to examine offenders offending and its consequences few actually journey into the physical world of prisons to meet offenders face to face Created specifically for criminology students and equally useful for current researchers and practitioners this book serves as a step by step toolkit on how to humanely conduct research with populations in the correctional system The authors combined 60 years of experience allows them to provide field tested practical advice for researching youth and adults on probation on parole or incarceration The book guides readers through practical concerns such as gaining access and building rapport with offenders and those who monitor them the types of correctional data that can be collected informed consent process and research ethics and the logistics of doing research Through personal stories what if scenarios and case studies as well as examples of real world tools like checklists and sample forms the authors share methods of how to overcome the obstacles that criminologists must face as they learn to work with those behind bars      The Minds of Boys

Gurian Michael, Kathy Stevens, 2010-12-14 Michael Gurian's blockbuster bestseller *The Wonder of Boys* is the bible for mothers, fathers, and educators on how to understand and raise boys. It has sold over 400,000 copies, been translated into 17 languages, and sells over 25,000 every year, which is more than any other book on boys in history. To follow up on this first book, which launched the boy's movement, he has now written this revolutionary new book which confronts what he and a lot of other parents and teachers in this country truly believe to be a boy's crisis. Here are the facts: Boys today are simply not learning as well as girls. Boys receive 70% of the Ds and Fs given all students. Boys cause 90% of classroom discipline problems. 80% of all high school dropouts are boys. Millions of American boys are on Ritalin and other mind-bending control drugs. Only 40% of college students are boys. And three out of four learning disabled students are boys. So what can we do? Gurian has the answer in this enormously fascinating and practical book, which shows parents and teachers how to help boys overcome their current classroom obstacles by helping to create the proper learning environment, understand how to help boys work with their unique natural gifts, nurture and expand every bit of their potential, and enabling them to succeed in life the way they ought to. Gurian presents a whole new way of solving the problem based on the success of his program in schools across the country, the latest research, and application of neurobiological research on how boys' brains actually work and how they can learn very well if they're properly taught. Anyone who cares about the future of our boys must read this book.

**Educating the Net Generation** Bob Pletka, 2007-07-01 *Educating the Net Generation: How to Engage Students in the 21st Century* addresses the national problem of escalating high school dropout rates and student disengagement and offers solutions as to how to best involve students of the millennial generation. The book examines the unique characteristics of the Net Generation and explains how the educational expectations and needs of the Net Generation differ from their Gen X parents and Baby Boomer grandparents. It also looks at why many students resist engaging in formalized education in schools and ultimately drop out. Chapters featuring student interviews and photographs synthesize the perspectives of current high school students regarding their experiences, beliefs, and thoughts on learning, while a parallel set of parent interviews reveals what parents feel is important in their child's education and how they would like to see schools engage their children in learning. Recommendations for changes in school policy and the financial investment critical to turning the situation around are also included, along with an inventory checklist for parents, teachers, and school administrators to determine if their individual school environment has what it takes to keep students motivated and engaged.

**International Handbook of Victimology** Shlomo Giora Shoham, Paul Knepper, Martin Kett, 2010-02-23 In the nearly four decades since the First International Symposium on Victimology convened in Jerusalem in 1973, some concepts and themes have continued to hold a prominent place in the literature, while new ones have also emerged. Exploring enduring topics such as conceptions of victimhood, secondary and hidden victimization, and social services for victims.

**Nurture the Nature** Michael Gurian, 2009-01-26 From Michael Gurian, the best-selling author of *The Minds of Boys* and *The Wonder of Girls*, comes the next step book that shows

how any parent can tune into a child's unique core personality, hard wiring, temperament, and genetic predisposition in order to help that child flourish and thrive. Based on the most recent brain research, *Nurture the Nature* features the Ten Tips for Nurturing the Nature of Your Baby, self-tests, checklists, and many other tools for you to help your kids get exactly the kind of support they need from infants to adolescents. While offering positive ideas for nurturing your child, Gurian also shows how to avoid the stress pressures and excessive competition of what he identifies as social trends parenting. Most parents know instinctively that their child is unique and has special potential, weaknesses, and strengths. No child is a blank slate. Gurian calls on parents to turn away from one-size-fits-all approaches and instead support the individual core nature of a child with effective and customized loving care.

*The Purpose of Boys* Michael Gurian, 2010-08-30 The final and conclusive book in the groundbreaking series on boys and their development. In this climax to his series of landmark books about boys, Michael Gurian offers a powerful new program to help us give our sons a core purpose, a program based on building morality, character, career goals, the ability to form intimate relationships, selflessness, personal and community responsibility, and an accelerated process of developmental maturity. Gurian reveals how important purpose is for the success and happiness of boys and explains how a boy's core personality, nature, and genetic predisposition function to create both strengths and weaknesses in their journey towards maturity. Includes an innovative program for support and interventions according to the unique needs, weaknesses, and strengths of each individual young man. This book is the follow-up to Gurian's bestselling *The Minds of Boys*. Draws on the latest science and field research on how boys develop neurologically. Gurian explores the unique issues boys must confront and shows how their strategy for moral development and success in life is predicated on their nature and genetic predispositions.

*The Encyclopedia of Sixties Cool* Chris Strodder, 2007-03-01 The *Encyclopedia of Sixties Cool* profiles over 250 of the most intriguing personalities of the 1960s. The men and women covered in the book include a wide range of celebrities from well-known superstars like the Beatles, Dustin Hoffman, Muhammad Ali, to lesser-known icons like Nico, Terry Southern, Bo Diddley, who had a significant impact on popular culture. The figures include musicians, actors, directors, artists, athletes, politicians, writers, astronauts, anyone and everyone who made the sixties the most influential decade of the twentieth century. Over 200 vintage photographs and more than fifty sidebars are featured throughout the text. The sidebars include lists of Best Picture winners, great quarterbacks, Playmates of the Year, memorable TV theme songs, favorite toys, Disneyland rides, Wimbledon champions, groovy screen cars, surf stars, Indy 500 winners, cool cartoons, sci-fi classics, Bond girls, bubblegum hits, beach movie cameos, and legendary concerts. A what happened on this day calendar highlighting landmark events in the lives of those profiled appears on every page. Entertaining and enlightening. *The Encyclopedia of Sixties Cool* is truly a celebration of the grooviest people, events, and artifacts of the 1960s.
