Crossing the Color Line Carina E. Ray,2015-10-15 Interracial sex mattered to the British colonial state in West Africa In Crossing the Color Line Carina E Ray goes beyond this fact to reveal how Ghanaians shaped and defined these powerfully charged relations The interplay between African and European perspectives and practices argues Ray transformed these relationships into key sites for consolidating colonial rule and for contesting its hierarchies of power With rigorous methodology and innovative analyses Ray brings Ghana and Britain into a single analytic frame to show how intimate relations between black men and white women in the metropole became deeply entangled with those between black women and white men in the colony in ways that were profoundly consequential Based on rich archival evidence and original interviews the book moves across different registers shifting from the micropolitics of individual disciplinary cases brought against colonial officers who kept local women to transatlantic networks of family empire and anticolonial resistance In this way Ray cuts to the heart of how interracial sex became a source of colonial anxiety and nationalist agitation during the first half of the twentieth century

Ready to Answer Rev. Marilyn Bowens,2011-08-10 Its an abomination They want to pick and choose what parts of the Bible to obey God created Adam and Eve not Adam and Steve Most same gender loving Christians from fundamentalist backgrounds have heard these phrases over and over again from their Accusers homophobic Christians who refuse to acknowledge LGBT Christians as part of the Body of Christ In Ready to Answer Rev Marilyn Bowens responds to their favorite slogans and shares additional

insights from her journey from fundamentalism to peaceful authentic and intimate relationship with God Ready to Answer is food for the souls of LGBT Christians who are struggling to heal from the abusive theology policies and practices of Accuser churches It is critically important that all LGBT Christians have an answer for those who would dare suggest that we are not embraced by the extravagant grace of our loving God In the much needed and long awaited book Ready to Answer Rev Bowens will enable us our families and allies to conquer the fears within and the foes without Rev Dr Yvette Flunder Founder and Presiding Bishop The Fellowship of Affirming Ministries This is a book that can save lives sanity can help people really entrapped It is very disarming Rev Dr Nancy Wilson Moderator Metropolitan Community Church

Facing Fascism Jerry Sorlucco,2006-08-21 Click this link to read a review of Facing Fascism Coming off his unsuccessful 2004 New Hampshire state Senate campaign Jerry Sorlucco realized something was fundamentally wrong in America Across the country people had voted against their own best interest The Republican far rightnow the party of our modern robber baronswaving the bloody shirt and using the war on terrorism to instill fear in league with the Christian evangelical movement had won both houses of Congress and the White House President George W Bush who had lost the popular vote in 2000 and won the election in a five to four vote by U S Supreme Court had the power to put in motion an agenda that rewarded Americas rich elitists and systematically set about destroying the nations social safety net Thoroughly researched and annotated Facing Fascism takes the reader through the 2004 election the manipulation of Americas worldview the mismanagement of the major issues facing the nation and offers some solutions It is a serious work but essential reading for anyone who wants to understand what is happening in America The book shows conclusively that the threat to America in the 21st century has all the characteristics of fascism replete with class warfare militarism and religious nationalism

Common Law Unraveled Pasquale De Marco, 2025-07-20

In a world governed by laws common law stands as a pillar of justice a testament to the enduring power of judicial decision making This comprehensive guide delves into the intricacies of common law exploring its historical roots its sources and the role of precedent in shaping legal principles Unlike statutory law which is created by legislative bodies common law emerges from the collective wisdom of judges as they grapple with novel legal issues and disputes This organic process of lawmaking allows common law to adapt and respond to the ever changing needs of society ensuring that the law remains relevant and responsive to the challenges of the day At the heart of common law lies the principle of stare decisis a Latin phrase meaning to stand by decided things This doctrine of precedent serves as a cornerstone of common law requiring courts to follow the principles established in past decisions Stare decisis promotes consistency predictability and fairness in the application of the law However common law is not static It is a living breathing organism that evolves through the process of judicial interpretation As society changes so too does the law Judges have the authority to distinguish past precedents to limit their application to specific circumstances and even to overturn them altogether if they are deemed to be outdated or unjust This delicate balance between adherence to precedent and the need for flexibility is one of the defining characteristics of common law It allows the law to maintain its stability and predictability while also ensuring that it remains dynamic and responsive to the evolving needs of society Common law plays a vital role in shaping the legal landscape of the United States It is a source of law in all fifty states and it governs a wide range of legal issues from contracts and torts to property rights and criminal law This book provides a comprehensive overview of common law making it an indispensable

resource for legal professionals students and anyone seeking a deeper understanding of the American legal system If you like this book write a review
