Holy Anime! Patrick Drazen,2017-07-31 Christianity has been in Japan for five centuries but embraced by less than one percent of the population It s a complicated relationship given the sudden appearance in Japan of Renaissance Catholicism which was utterly unlike the historic faiths of Shinto and Buddhism Japan had to invent a word for religion since Japan did not share the west s reliance on faith in a personal God Japan s views of this outsider religion resemble America s view of the outsider Islamic faith Understanding this through the book Orientalism by Edward Said Patrick Drazen samples depictions of

Christianity in the popular Japanese media of comics and cartoons The book begins with the work of postwar comics master Tezuka Osamu with results that range from the comic to the revisionist to the blasphemous and obscene **Heavenly Holy Hell** Yvonne Annette Curtis, 2024-06-30 Heaven is just as much part of earth as Hell is Heaven wasn't always peaceful and Hell never will be at peace Hell and Heaven is part of life as we journey through it daily as we face our trials and tribulations Life is what you make of it but it is what it is Heaven is real and so is Hell Despite what goodness lies ahead evil always presents itself within There is a God despite what many believe There is always a higher being above spiritual but mysterious Mankind didn't make the world they're just made to help keep the world going Many don't believe in a God but all believes there is a devil But many people despite their belief find themselves calling on God in situations where those who believes knows who God is and what he can do But through everything it matters how you choose to live your life and treat people We're here for one another to love help and respect in a way we would want for ourselves We are not here just to live a life we are all here for a purpose We were created out of love and without our choice God chose our families our gender our skin tone as he saw fit God didn't make us to be superior or inferior over others because of our gender our skin tone or because we have or have not Money and power can't give you the peace of mind the happiness you deserve nor the love you desire because the more you get the more you want But prayer is powerful and so is faith In this life the good goes with the bad We can't live this life alone not needing somebody at some time or another You're not liable for how people treat you but you are held responsible for how you treat them Forgiveness and reconciliation is deep and can be a burden uplifted It pays to live life at your best doing what's right than living with regrets We reap what kind of life we sow and what goes around comes around both the good and the bad Jesus was once a kid and did kid things until he reached adulthood he put childish things behind And God like any real father don't want to see their kid suffering or hurt as he saw the people mistreat his son on earth But God being a compassionate forgiving and loving God accepted his son's plea to help bring mankind back to him at whatever it took Jesus loved us so much despite our attitude and behavior that he gave up a peaceful life in heaven to come to a condemn world to save us from being destroyed Satan always envied Jesus but he knew Jesus didn't deserve to be mistreated although him himself tried tempting him as he has done to mankind and the angels in heaven Jesus took the abuse tolerated the lies bears the cross and dies out of love for us Satan is desperate for power and control that he only can gain through the people's sinful ways Satan would go through any attempt to get people to give him their soul through lies and temptation Although Satan preys on the weak and vulnerable He doesn't make anyone do anything he just makes bad look good and revenge looks rewarding He knows how to manipulate and deceive you He uses your mistakes and past of secrets against you But through all and in the end good always wins one way or another This book is about life and the things we go through It tells you there's nothing new under the sun even through the different eras of time Most of all it tells you that God is and will always be and that he says what he means and means what he says When Two Worlds Collide: When Angels
