Dead Lucky Lincoln Hall, 2008-05-15 Lincoln Hall's breathtaking account of surviving a night in Everest's death zone Lincoln Hall likes to say that on the evening of May 25 2006 he died on Everest Indeed Hall attempted to climb the mountain during a deadly season in which eleven people perished And he was in fact pronounced dead after collapsing from altitude sickness Two Sherpas spent hours trying to revive him but as darkness fell word came via radio from the expedition's leader that they should descend in order to save themselves The news of Hall's death traveled rapidly from mountaineering websites to news media around the world and ultimately to his family back in Australia Early the next morning however an American guide climbing with two clients and a Sherpa was startled to find Hall sitting cross legged on a sharp crest of the summit ridge In this page turning account of survival against all odds Hall chronicles in fascinating detail the days and nights that led up to his fateful night in Mount Everest's death zone His story is all the more miraculous given his climbing history Hall had been part of Australia's first attempt to reach the top of Everest in 1984 but had not done any major climbing for many years having set aside his passion in order to support his family While others in the team achieved their dream during this 1984 expedition Hall was forced to turn back due to illness Thus his triumph in reaching the summit at the age of fifty is a story unto itself So too is Hall's description of his family's experience back in Australia as sudden grief turned to relief and joy in a matter of hours Rarely has there been such a thrilling narrative of one man's encounter with the world's tallest mountain

The Seven Year Bitch Jennifer Belle, 2011-05-03 From the bestselling author of *High Maintenance* and *Going Down* comes a witty heartfelt comic novel about marriage motherhood and discovering that the life you have is exactly the one you want What's a fabulous New York City girl supposed to do when she finds herself fantasizing about the Grim Reaper more than she fantasizes about her husband When she can't

help but give him the finger on the set of Sesame Street And when she doesn't exactly hope for a safe landing when he goes away on business No ex hedge fund manager and new mom Isolde Brilliant hasn't got the seven year itch taking care of her baby and husband and having a growing suspicion that she's living life in captivity has turned her into a seven year bitch That's New York author Jennifer Belle's deliciously provocative phrase for the boredom anger and hurt that can creep into even the best of marriages and affect even the most saintly of wives In the tradition of Jennifer Weiner and Meg Wolitzer Belle delivers a dead on raw and hilarious novel about motherhood and marriage and discovering the life you have is exactly the one you wanted

Lucky 73 Aldona Sendzikas, 2010-03-07 Today USS Pampanito is a tourist destination During WWII the submarine earned six battle stars sank six Japanese ships damaged four others and rescued seventy three British and Australian POWs from the South China Sea Astonishingly this rescue happened three days after she sank one of the transport ships on which the Allied prisoners were being ferried to Japan The chain of events that led to this rescue is truly remarkable Captured in 1942 forced to spend fifteen months constructing the Burma Thai Railroad and then loaded onto floating concentration camps hellships as they were called the prisoners were in the wrong place at the wrong time when Pampanito and her wolf pack attacked a Japanese convoy Returning to the coordinates a few days later the crew was astonished to discover survivors in the water from among the more than 2 200 prisoners who had been aboard the Japanese ships Even more remarkable is that the officers and crew of Pampanito after picking up these men the Lucky 73 thought to have them record their thoughts and experiences while the events were still fresh in their minds before returning to port While working as curator for Pampanito Aldona Sendzikas discovered these documents and began an odyssey of tracking down one of the most incredible rescue stories of the Pacific War
