and students of the academy But they've underestimated him too and he has no qualms about using the darkest of magic against them He'd rather them dead than alive But the magicians are about to bring the fight of his life About Spirited Escape The castle is dark and creepy It's almost certainly a trap But the magicians of the academy will risk everything to save one of their own When the head of the Magical Council betrays the magicians the Sorcerers have more advantage than they deserve Isadora and her friends must ride to the rescue even though they'll have to face their worst fears It's what the good guys do Now all they have to do is survive a castle designed to keep everyone who enters and never let them go About Dragon's Fury What if you were trapped in your own mind Would it make the castle that truly imprisoned you any better The dark Sorcerer underestimates the magicians' abilities but his plan is sound and they're caged just as he intended The magicians conceal powers and secrets but they aren't yet aware of them Will they find the way to overcome the dark spell that appears unbreakable Or will the Sorcerer succeed in crushing all hope and making them his prisoners forever About Magic Ignites We'd escaped the castle though not all of us made it out alive That should have been enough loss But the Dark Sorcerer isn't finished with us yet He will hunt us relentlessly until he claims our magic and our lives or until we find the way to stop him first It's time to step into the powers that are mine for the taking To end this once and for all I'm finished being less than I can be Time to shine About Powers Unleashed The Dark Sorcerer intends to use me as bait to lure my friends out of hiding So that he can defeat us all Yeah that plan's not going to work I'm finished allowing him to wield power he doesn't respect and he hasn't earned Besides a great magic brews inside me enough to finally win this fight and prevent his plans to deliver chaos and bloodshed to the world The Sorcerer is about to rue the day he decided to mess with me His reign of terror ends now The Magical Arts Academy is a complete series and consists of 13 episodic installments each a novella in length These books are young adult historical fantasy and are suitable for all ages Each book ends in a cliffhanger but the series finale wraps up in an uplifting happily ever after
