Seerstone is a thoroughly researched tension wrought tale of greed and how it dazzles and threatens sometimes using the most arcane and unearthly means to conquer a man and his family and to wring seemingly impossible changes potentially enormous changes in the life of Dayer Preston who with his wife has always striven to work toward the light as they understand it The story takes place at the dawn of the nineteenth century in Williker Township a cold and dying place in western New York State at a time when it seemed that there was no magic strong enough to make things right to bring forth abundance from an earth that withheld its bounty despite mans best efforts Despite the magic that stirred the spirits of heaven and earth It is a strange and unearthly time It was an era in which an average everyday person knew that if you put a few hairs in a glass of water they would turn into worms overnight and that to assure prosperity lamens scrawled with magic words would be placed behind the mantel The line between magic and reality was blurred and so the arrival of a ritual

magician at your door on an early spring night wasn't much to be noticed not even when he began to bring a struggling farm family closer and closer to the line between objective reality and a world ruled over by magic words scrawled on a page It is a tale of mystery How much can the magician Walters bring forth How much of what he says are lies And how much of what he possesses can bring forth bounty and potential wealth from an unforgiving earth How much is simply evil And can it be controlled And why is Dayer Preston so necessary to the grandest of all the magic rituals that awaits them **Abracadabra Street** Mark Roland Langdale,2022-09-06 What do you do if the family business is magic and you're all fingers and thumbs If your family are magicians and builders of tricks and illusions for other magicians and you can't even pull a rabbit from a hat do you turn your back on magic and walk away as far away from Abracadabra St as you can or do you try and overcome the hand you're dealt *Urban Magic Eye* Feng ZhenRen,2020-06-05 The impoverished graduate Li Hao occasionally obtained the broken treasure of the Immortal World and became a dragon from then on Stone gambling made a fortune He gained the reputation of being a doctor He became rich in casinos From then on his wealth surged he had endless luck and his most beautiful first date and so on entered his world With so many beauties present to Li Hao who was lacking in willpower this was a severe test
