Sartre's work on the ego 1936 shows a personal reflective form of consciousness that is magically hypostasized onto the pre-reflective level. Secondly, emotion 1938 is inherently magical for Sartre because emotive qualities come to inhere in objects and thereby transform a world of pragmatism into one of captivation. Thirdly, analyses of *The Imaginary* 1940 reveal that anything we imagine is a spontaneous creation of consciousness that has the power to enchant and immerse us even to the point of images holding sway over us. Culminating with Sartre's ontological system of Being and Nothingness 1943, O'Shiel argues that Sartre does not do away with the concept but in fact provides ontological roots for it. This is most evident in Sartre's analyses of value, possession, and language. A second part shows how such Sartrean magic is highly relevant for a number of concrete case studies: the arts, advertising, racism, and stupidity, and certain instances of psychopathology. O'Shiel shows that Sartre's magical being is important for any contemporary philosophical anthropology because it is essentially at work at the heart of many of our most significant experiences, both creative and damaging.

Metamorphosis Ernest G. Schachtel, 2013-04-15. First published in 1959, *Metamorphosis* remains one of the great works of developmental psychology of the past century. From his thoughtful meditation on the assumptions of classical Freudian psychoanalysis, among them the pleasure and reality principles, the relations of drive and affect, and the nature and causes of infantile amnesia, Schachtel moves on to profound reflections on the senses, considered both in terms of their evolving relation to one another during maturation and as variable ingredients in the perception and cognition of the adult.

The Magic Staff Andrew Jackson Davis, 1870. [The Everyday Lightworker Bible](#) Michelle Lightworker, 2015-06-02. Maybe you've read the old Bible, maybe you haven't. And which old Bible? After all, there are as many interpretations as there are religions. Was the Bible easy to understand, or so complex you weren't sure what was expected of you? Did reading it make you feel inspired or fearful? Author Michelle Lightworker's *The Everyday Lightworker Bible* is a new style of Bible. You are provided with simple, nonreligious ways to access your inner consciousness. Twelve principles replace the Ten Commandments and make our lives easier. Comprehensive examples replace parables for ease of understanding. Micro-meditations become a new way of daily life. You will learn the how, where, and why of enlightenment. It's no longer about religion; it's about connection. It's not about sitting in silence for hours; it's about stringing moments together. Each of us is an Everyday Lightworker, and *The Everyday Lightworker Bible's* revolutionary way of thinking will transform the planet into a completely different vibration and consciousness. We are all here to assist each other in evolving, so why not start believing now? *The Everyday Lightworker Bible* will assist you in accessing your own enlightenment. Welcome to the future. It's a new dawn, it's a new life, it's a new Bible.
