DiEugenio dissects the new Oscar nominated film The Post and how it disingenuously represents the Pentagon Papers saga to the detriment of the true heroes of the operation The story of the film stems from the failed attempt of Academy Award winning actor Tom Hanks and producer Gary Goetzman to make Vincent Bugliosi s mammoth book about the Kennedy assassination Reclaiming History into a miniseries He exposes the questionable origins of Reclaiming History in a dubious mock trial for cable television in which Bugliosi played the role of an attorney prosecuting Lee Harvey Oswald for murder and how this formed the basis for the epic tome JFK The Evidence Today lists the myriad problems with Bugliosi s book and explores the cooperation of the mainstream press in concealing many facts during the publicity campaign for the book and how this lack of scrutiny led Hanks and Goetzman cofounders of the production company Playtone to purchase the film rights DiEugenio then shows how the failed film adapted from that book entitled Parkland does not resemble Bugliosi s book and examines why This book reveals the connections between Washington and Hollywood as well as the CIA influence in the film community today It includes an extended look at the little known aspects of the lives and careers of Bugliosi Hanks and Goetzman JFK The Evidence Today sheds light on the Kennedy assassination New Hollywood and political influence on media in America **The Sexual Economy of War** Andrew Byers,2019-05-15 In The Sexual Economy of War Andrew Byers

argues that in the early twentieth century concerns about unregulated sexuality affected every aspect of how the US Army conducted military operations Far from being an exercise marginal to the institution and its scope of operations governing

sexuality was in fact integral to the military experience during a time of two global conflicts and numerous other army deployments In this revealing study Byers shows that none of the issues related to current debates about gender sex and the military the inclusion of LGBTQ soldiers sexual harassment and violence the integration of women is new at all Framing the American story within an international context he looks at case studies from the continental United States Hawaii the Philippines France and Germany Drawing on internal army policy documents soldiers personal papers and disciplinary records used in criminal investigations *The Sexual Economy of War* illuminates how the US Army used official policy legal enforcement indoctrination and military culture to govern wayward sexual behaviors Such regulation and its active opposition leads Byers to conclude that the tension between organizational control and individual agency has deep and tangled historical roots

The New Heavens and Earth: Recreation or Renovation? Lee W. Brainard, 2022-07-29 One of the most breathtaking prophecies in the Bible is the promise of the new heavens and earth In that glorious day the widespread effects of the fall and the curse will be undone Man will experience unbroken utopian blessing in his eternal home But how will the new heavens and earth come about Will the current heavens and earth cease to exist and be replaced by a second ex nihilo creation as many Bible teachers insist Or will the current earth be refurbished by earthquake and fire from heaven even as the last earth was refurbished by the flood In this volume I present several arguments such as historical precedent the character of God the eternality of the earth and the eternal nature of the kingdom established at the second coming which combine to make a formidable case that the new heavens and earth will be the current heavens and earth refurbished
