You are much more than you imagine. The reality you experience is not a coincidence nor a random sequence of events. Everything is projection. Everything is consciousness. Everything is creation. And you, as a fragment of the One Consciousness, have the power to shape your experience, materializing what you truly believe and feel. Unlike superficial approaches to the Law of Attraction, this book reveals the fundamental secret of manifestation: wishing is not enough. Only when your conscious and subconscious mind recognize your direct connection to the Whole, the One Consciousness, do the universal mechanisms align, allowing manifestation to occur effortlessly. You are not a separate being; You are a thought of God in motion. And within this thought, there are no limits. Throughout these pages, you will find not only profound explanations about the nature of reality but also practical tools to deprogram limiting beliefs, reconfigure your energy and activate your true power of co-creation. You will learn to dissolve the blocks that distort your projection and live in the flow of awakened consciousness, where abundance, love and fulfillment are not mere desires; they are your true essence. Reality is a malleable dream. Are you ready to wake up and create yours? [All Aboard the Magical Train](#) Pasquale De Marco, 2025-04-22. speaks only to a level of awareness I do find myself in the mold of others from the historical past I am connected spiritually to a greater reality Even with this new level of awareness I can still find myself trapped in a nexus of disillusionment and disappointment displaced from the moment a part of being human Yet that fleeting moment of knowing having felt the touch of God upon my soul allows me to enter the state of Grace which I now touch every day None of this will negate the potential ambushes that can overtake one's life in a flash no matter which road is chosen Nor is it any sort of guarantee of wealth health social status or the usual measures of success All roads lead to the same destination The train each travels is set on its course While I have neither the desire nor the ability to change anyone's journey I do believe I can offer a travel upgrade It is possible to travel in greater comfort in a more luxurious carriage with larger windows that give a greater view of the beautiful vistas along the way
