Magic Of Mind Power:

Mind Power William Walker Atkinson, 2016-10-20 William Walker Atkinson was an influential member of the New Thought movement. He was one of the first people to write about the Law of Attraction long before Rhonda Byrne discovered The Secret that one's positive thoughts are powerful magnets that attract wealth, health, and happiness. Atkinson already knew it. I wish to invite you to the consideration of a great principle of Nature, a great natural force that manifests its activities in the phenomena of Dynamic Mentation, a great something the energies of which I have called MIND POWER. We shall remove indifference, fear, and doubt, and I can't, and replace them with I Can, I Will, I Dare, and I Do. William Walker Atkinson

The Magic Of Mind Power Duncan McColl, 2005-01-01 Drawing together threads from hypnotherapy, behavioural science, Zen, Sufism, and esoteric Christianity, Duncan McColl weaves them together into a practical self-help guide to the immense potential of the human mind. Using visualisation, creative imagery, and self-hypnosis, he provides fresh perspectives on developing personal skills to eliminate negative conditioning which produces ill health, lack of energy, and low self-confidence. The book answers many key questions such as: how do I see myself as others see me? how do I control the quality and length of my life? how do I eliminate self-destructive habits now? how do I ensure success? how do I learn from my dreams? Cutting through the aura of mystery which usually surrounds hypnotic practices, the straightforward and informative style of this book makes it the ideal way to unlock your creativity and discover the magic of your mind. **Magic of Mind**
