Oliver, 2024-03-20 Finding the perfect marketing gimmick is as old as business itself To convince your customer they need your product is desirable to convince them they can t live without it is priceless The food clothing and automobile industries have figured out the latter with remarkable effect But what about children s toys Traditionally toys are marketed to children who then nag their parents to death until they relent So how do you motivate adults to crave a toy as much as their kids Mulligan s Magical Marvelous has figured out the secret They simply transform adults into the children for which a toy is intended then switch them back at the checkout counter They might as well be printing their own money In this way Mulligan s toy store has thrived in the most expensive real estate in the world Manhattan New York So be sure to make your way to Mulligan s Magical Marvelous where you can spend an enchanted day as a child playing with toys that will capture your childish mind You are guaranteed to walk away with a toy you don t need but can t live without And remember their slogan if it s Magical if it s Marvelous then it has to be Mulligan s toys But beware which toys you pick up at Mulligan s You might just find yourself spending a day in nappies if you re not careful Harry Potter showed us that a world of magic could be hidden from view Mulligan s Magical Marvelous shows us that another hidden world of magic that can transform anyone into a baby toddler or young child is also possible Can you find it **The Routledge History of Medieval Magic** Sophie
