Creating Magic Lee Cockerell, 2008-10-14 It's not the magic that makes it work it's the way we work that makes it magic. The secret for creating magic in our careers, our organizations, and our lives is simple: outstanding leadership, the kind that inspires, employees, delights customers, and achieves extraordinary business results. No one knows more about this kind of leadership than Lee Cockerell, the man who ran Walt Disney World Resort operations for over a decade. And in *Creating Magic*, he shares the leadership principles that not only guided his own journey from a poor farm boy in Oklahoma to the head of operations for a multibillion-dollar enterprise but that also soon came to form the cultural bedrock of the world's number one vacation destination. But as Lee demonstrates, great leadership isn't about mastering impossibly complex management theories. We can all become outstanding leaders by following the ten practical, common-sense strategies outlined in this remarkable book. As straightforward as they are profound, these leadership lessons include: Everyone is important. Make your people your brand. Burn the free fuel: appreciation, recognition, and encouragement. Give people a purpose, not just a job. Combining surprising business wisdom with insightful and entertaining stories from Lee's four decades on the front lines of some of the world's best-run companies, *Creating Magic* shows all of us, from small business owners to managers at every level, how to become better leaders by infusing quality, character, courage, enthusiasm, and integrity into our workplace and into our lives.

Who Pooh Poohed in Your Magic Lamp? R. Jeannie Self, 2011-10-20 Who Pooh Poohed in Your Magic Lamp? R. Jeannie was searching to find the truth to Who am I And Man Know Thyself. She also had a burning desire to know the Truth that will set you free. Her quest was not unique, but even she was not fully prepared for the enlightenment that she is now sharing with you. She has found the answers to these questions and more. She scoured The Holy Bible, the dictionary, and the web to gain insight and inspiration as she dissected many powerful words and their divinely inspired meanings and intentions. She has discovered and is now sharing information that may cause you to cry and shake in your boots just as she did. R. Jeannie looked up Genius and found it meant Genie, an attendant spirit allotted to each person at his birth to attend a person through his life. This took her to the story of Aladdin and its hidden truths. Going to the dictionary again, she found that I means Ego, and this led her to the Truth that will set you free. She knows that she could not have written this book by herself; she felt divinely inspired. She has unraveled it, not written it, and the truths have been benevolently revealed to her. With Bible and dictionary in hand, she will take you step by step, unfolding how the story/myth about Aladdin, a lad in his magic lamp, contains hidden truths about Jesus and his mission here on earth. She will show that we all have a magic lamp and a Genie within us. We are the Lamp, and your Genie is the light of Christ, given to be within every person ever born. Accept your God-given heritage, grasp this gift, and become whole.
