Short Story Index, 1960 **Sexuality and German Fascism** Dagmar Herzog, 2005 The interrelationship of fascism and sexuality has attracted a great deal of interest for some time now This collection offers fresh perspectives by leading scholars on the history of sexuality under national socialism on such topics as the persecution of Jewish gentile sex in the race defilement trials homophobic propaganda and the prosecution of same sex activity within the Wehrmacht and SS representations of female sexuality in film prostitution on home and battle fronts sexual relations between Germans and foreign forced laborers and reproductive practices among Jewish survivors Moreover the authors provide new insights into the relationships between Nazi sexual politics and antisemitism and challenge assumptions of Nazism as sexually repressive instead they emphasize the interrelationships between incitement to sexual activity and persecution and mass murder book jacket *Short Story Index: 1969-1973*, 1974 *The Routledge Handbook of Male Sex Work, Culture, and Society* John Geoffrey Scott, Christian Grov, Victor Minichiello, 2021-03-21

Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a discrete field Importantly it provides a vehicle for the voices of male sex workers and new and established scholars This richly detailed humane and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human

sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender studies and cultural studies and all those interested in male sex work [Magill Index to Critical Surveys](#) Frank Northern Magill,1990 **Focus On: 100 Most Popular Drama Films Based on Actual Events** Wikipedia contributors, **The Magical Life of Marshall Brodien** John Moehring,2016-04-21 This unique biography details the life of magician Marshall Brodien most remembered for his long running career as television s Wizzo the Wizard on WGN TV s Bozo s Circus and The Bozo Show Coverage begins in the late 1940s when Brodien was a young magician in his first job as a Chicago magic shop demonstrator then recounts Brodien s steady rise to show business success including details of his work as a performer at the Magic Lounge in Cicero and as a nightclub hypnotist in Chicago s posh Cairo Supper Club The work concludes with an examination of Brodien s current career as one of the most successful marketers of magic sets in the U S [Empty Bed Blues](#) George Garrett,2006-04-01 The fifteen stories of George Garrett s Empty Bed Blues his eighth book length collection are vintage Garrett no two alike with each moving one way and another in new and daring directions His stories are deeply concerned with the old verities of love and death and filled with the joys and woes of characters who come to life and command our attention Diversity is the key word for Garrett s short fiction He works in every known form and invents a few himself In A Story Goes with It Garrett fondly remembers an old friend while retelling a story the man once told him Most of it is probably not accurate as Garrett is quick to admit but the mixture of fact with fiction makes for an entertaining read His stories turn like the sharp curves of a mountain road abruptly changing from a fond trip down memory lane to a sleazy reporter s quest along the backroads for the ultimate crime story in Pornographers He tops off his collection with A Short History of the Civil War a series of poems written by two participants one a Confederate the other a Yankee In the marriage of fact and fiction of comedy and pathos and the music of many voices the stories of Empty Bed Blues reconfirm the judgment of novelist and story writer Richard Bausch who said in 1998 There is no writer on the American scene with a more versatile more eclectic or more restless talent than George Garrett
