Empowered & Sistah Spooky's High School Hell #5 Adam Warren, 2018-05-16 While the embattled Empowered and Sistah Spooky struggle through the high school hellscape's final grueling classroom deathtraps the ruthless Game of Blondes among Spooky's quite literally soulless ex classmates reaches a crescendo of violence and treachery and levels up the survivors to near godlike status Look out Emp and Spooky Like yikes Artist Carla Speed McNeil is the acclaimed creator of Finder and artist of No Mercy Queen and Country and many more *On Her Game* Christine Brennan, 2025-07-08 Instant New York Times Bestseller A news making and electrifying portrait of sports phenomenon Caitlin Clark whose dramatic ascendance in college basketball and now in the WNBA has captured the attention of media and fans unlike any other female team sport athlete in history by award winning USA TODAY columnist and television commentator Christine Brennan America has never seen an athlete quite like Caitlin Clark Attracting record shattering attendance and TV ratings she has riveted the nation with her famous logo threes and thrilling passes and changed how fans across the country view women's sports Drawing on dozens of extensive interviews and exclusive behind the scenes reporting veteran journalist Christine Brennan narrates Clark's rise including the formative experiences that led to her scoring more points than any woman or man in major college basketball history and delivers fascinating new details about Clark's Olympic snub by USA Basketball

the safety concerns around her that led to charter flights for all players the WNBA's lack of preparation for heightened national scrutiny and troubling outbreaks of jealousy and resentment as a white player became the top story in a predominantly Black league The 2024 season was a watershed Always taking the high road in the face of criticism Clark proceeded to write herself into WNBA record books as one of the league's most talented rookies ever And her winning persona on full display whether surrounded by children begging for autographs or reporters hanging on her every word made Clark such a fan favorite that increasingly larger arenas needed to be found to accommodate the hordes who traveled hundreds and sometimes thousands of miles to watch her play Clark arrived as a sports and cultural icon a little more than fifty years after the passage of Title IX the 1972 law that opened the floodgates for girls and women to play sports in America On Her Game is a sports story certainly but it's also the story of a nation falling in love with what it has created because of that law millions of new athletes led by the magical Caitlin Clark
