The Collected

Stories Leonard Michaels, 2008-07-08 Larky fitfully brilliant Leonard Michaels's stories stand alongside those of his best Jewish contemporaries Grace Paley and Philip Roth. *The New York Times Book Review* Leonard Michaels was a master of the short story. His collections are among the most admired, influential, and exciting of the last half century. *The Collected Stories* brings them back into print from the astonishing debut *Going Places* 1969 to the uncollected last stories unavailable since they appeared in *The New Yorker*, *Threepenny Review*, and *Partisan Review*. At every stage in his career Michaels produced taut, spare tales of sex, love, and other adult intimacies, gossip, argument, friendship, guilt, rage. A fearless writer, destructive, joyful, brilliant, purely creative, in the words of John Hawkes Michaels probed his characters' motivations with brutal humor and startling frankness. Remarkable for its compression and cadences, his prose is nothing short of addictive. *The Collected Stories* is a landmark. Every page reveals the mark of an extraordinarily original and gifted talent. William Styron: Anyone concerned with the American short story should read and know these stories. Charles Baxter, *San Francisco Chronicle* [Encyclopedia of Contemporary LGBTQ Literature of the United States](#) Emmanuel S. Nelson, 2009-07-14 In this two-volume work, hundreds of alphabetically arranged entries survey contemporary lesbian, gay, bisexual, transgendered, and queer American literature and its social contexts. Comprehensive in scope and accessible to students and general readers, *Encyclopedia of Contemporary LGBTQ Literature of the United States* explores contemporary American LGBTQ literature and its social, political, cultural, and historical contexts. Included are several hundred alphabetically arranged entries written by expert contributors. Students of literature and popular culture will appreciate the encyclopedia's insightful survey and discussion of LGBTQ authors and their works, while students of history and social issues will value the encyclopedia's use of literature to explore LGBTQ American society. Each entry is written by an expert contributor and lists additional sources of information. To further enhance study and understanding, the encyclopedia closes with a selected general bibliography of print and electronic resources for student research. **Writing Life Stories** Bill Roorbach, 2008-07-01 How to Make Memories into Memoirs, Ideas into Essays, and Life into Literature.
