Gloves Ida Tomshinsky,2011-12-13 No outfit is complete without accessories Trinity of hats scarves and gloves is a common ensemble that is used as modern fashion accessory by both men and women It was a necessity to protect hands from gusty winds and keep them warm during cold weather winters The historic evolution and democratization development of gloves had an exotic trip with detours aplenty throughout the centuries Gloves in fashion were an exclusive enterprise a pursuit of the wealthy Therefore the use of materials the length and fabrication evolved from made at home into real industry Eventually an array of hand wear of different styles and colors became available for masses In the intervening time Europe countries were the ones that planted the seeds that would define fashion culture chic and elegance for decades to come Today whatever its seasonal vagaries gloves and mittens as fashion accessories have been a reflection of society as an industry often stirring provocative debate Is it art or craft Who would wear elbow long opera gloves Is couture dead Is department store obsolete The answers are in the gloves themselves in their history and present

Slatta,2001-11-20 This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America's most potent source of legend But it is sometimes hard to separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody's Wild West Show in the late 1800s Or that many interpreters believe that The Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography

The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlán the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs
