**The Magyar Venus** Lyn Hamilton,2005-03-01 The discovery of a 25 000 year old archaeological treasure a rekindled romance and a suspicious suicide send Toronto antiques dealer Lara McClintoch on a quest to the city of Budapest Reprint

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 Seguels Janet G. Husband, Jonathan F. Husband, 2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series The Celtic Riddle Lyn Hamilton, 2000 Antique dealer and sleuth Lara McClintoch accompanies her employee to County Kerry Ireland for the reading of an old friend s will Eamon Byrne left each of his heirs a clue a piece of a puzzle that leads to a mysterious treasure When Lara discovers the ancient Celtic poem that serves as the key she closes in on the treasure The Orkney Scroll Lyn Hamilton, 2007 When one of her clients falls victim to a scam and becomes the prime suspect in a murder investigation Toronto antiques dealer and amateur sleuth Lara McClintoch follows a trail leading to Scotland s remote Orkney Islands and into the middle of a centuries old Viking mystery Reprint **Quiet Storm** Valda Mutakabbir,2012-11-29 Quiet Storm is about a Federal and International Intelligence Agent turned mercenary He is hired by governments to infiltrate adversarial governmental infrastructures steal top secrets and classified documents on clandestine operations and destroy those nations from within if necessary Someone gave an order to assassinate Satin Masters and murder his family and destroy the Venus Corporation Agent Dawn Takabbir the beautiful and perilous International Intelligence Agent is thought to be the World's best Clandestine Operative she does not exist in government files She must find out whether Satin

Masters is alive determine who he is posing and know for a fact that he has signed a contract to take control of America s economical and political structure Now after years gathering intelligence she is ready to apprehend Satin Masters Her superiors fear for her life after an unsuccessful raid on Beyond Time s Elite Security Facilities Forensic teams only found Special Forces and Intel Agents corpses and removed government issued slugs and casings The IIA Assistance Director orchestrates her abduction like they staged her family s death Flickers William Trowbridge, 2000-01-01 In his latest collection of poems William Trowbridge explores the fascination Americans have with movies how flicks allow us to temporarily forget our problems and ironically to forget that real conflicts are what make us human The language he uses is the American language of pop culture sports talk movie talk shoptalk and clich's all are blended together into carefully crafted lines that are uniquely Trowbridge's Readers will be delighted to follow each poem to its effectively understated end These poems are dark comedies that capture both the eerie and the ordinary This balance is not easily achieved but like a veteran comedian executing a pratfall Trowbridge makes it all seem natural His surreal family the Glads satirizes life in suburbia and reflects the often absurd margins of our urban lifestyle By contrast a group of poems revolving around a packing house in Kansas City Trowbridge worked there as a young man reminds us of those darker places in our lives that exist just across the street from the ledgers and lapels The variety of subjects Trowbridge works with is refreshing Whether he is writing about Buster Keaton Fred Astaire June bugs baseball the holocaust Cadillacs or old dogs his eye is always focused on the turn of phrase that will catch us off guard His well crafted lines are full of wit and humor He approaches his subjects like Coyote approaches Fox smiling ready to expose his dear friend to the reality of his existence through sleight of hand And like Coyote he teaches us to laugh at ourselves or perish under the weight of our everyday lives Maximilian Hell (1720-92) and the Ends of Jesuit Science in Enlightenment Europe Per Pippin Aspaas, László Kontler, 2019-12-02 The Viennese Jesuit court astronomer Maximilian Hell was a key figure in the eighteenth century circulation of knowledge He was already famous by the time of his celebrated 1769 expedition for the observation of the transit of Venus in northern Scandinavia However the 1773 suppression of his order forced Hell to develop ingenious strategies of accommodation to changing international and domestic circumstances Through a study of his career in local regional imperial and global contexts this book sheds new light on the complex relationship between the Enlightenment Catholicism administrative and academic reform in the Habsburg monarchy and the practices and ends of cultivating science in the Republic of Letters around the end of the first era of the Society of Jesus The Essential Mystery Lists Roger M Sobin, 2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several

others have been unavailable for a number of years Of special note are Anthony Boucher's Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher's Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction The Thai Amulet Lyn Hamilton, 2004-03-02 Toronto shopkeeper Lara McClintoch heads for Bangkok to search for the truth about a missing antiques dealer with only a fifty year old newspaper clipping about a murder and broken terracotta amulets as a clue to a deadly conspiracy and a family tragedy Catalogue of Scientific Papers Royal Society (Great Britain), 1902
