Slater, 2025-04-08 Along with thousands of other girls who hoped to escape tedious employment and domesticity June Mathis 1887-1927 started acting as a young teen After more than a decade of stepping onto stages across the US she moved into the burgeoning film business and behind the camera to begin a prolific career as a screenwriter and producer for profound movies like *The Four Horsemen of the Apocalypse* 1921 and *Blood and Sand* 1922 With her expert use of melodrama and masterful technique Mathis would eventually become the first female head writer at Metro Pictures In *June Mathis: The Rise and Fall of a Silent Film Visionary* Thomas J Slater illuminates Mathis's important and complicated life and work not only detailing her discovery of the silent movie superstar Rudolph Valentino and

her involvement on the original screenplay for Ben Hur 1925 but also her prowess in all aspects of production Slater pulls from historical records as well as letters never before studied scripts and Mathis s handwritten will to build a robust narrative for someone who always had to struggle for success even though Photoplay acknowledged her as the most powerful woman in the motion picture industry in 1923 Slater discusses Mathis s artistic and moral failings as well as how her efforts such as overlooked collaborations with writer Katharine Kavanaugh and actress Alla Nazimova consistently challenged male dominance militarism and greed Despite her talent and achievements Mathis was pushed to the margins when the industry began removing women from spheres of influence Following a few months of freelancing she suffered a heart attack during a Broadway show and died at the age of forty Very quickly this woman whose ideas shaped American film for more than a decade was forgotten June Mathis portrays the cinematic legacy of this million dollar girl whose complex story ended too soon but remains relevant today
