Georges Simenon

Maigret In Holland:

A Crime in Holland Georges Simenon, 2014-11-25 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr Georges Simenon's thoughtful mystery set in a tranquil town on the Dutch coast Just take a look Duclos said in an undertone pointing to the scene all round them the picture book town with everything in its place like ornaments on the mantelpiece of a careful housewife Everyone here earns his living Everyone's more or less content And above all everyone keeps his instincts under control because that's the rule here and a necessity if people want to live in society When a French professor visiting the quiet Dutch coastal town of Delfzijl is accused of murder Maigret is sent to investigate The community appears happy to blame an unknown outsider but there are people much closer to home who seem to know much more than they're letting on Beetje the dissatisfied daughter of a local farmer Any van Elst sister in law of the deceased and a notorious local crook *Maigret in Holland* Georges Simenon, 1993 When Inspector Maigret arrives in Delfzijl to investigate the murder of Conrad Poppinga he finds a long list of suspects *Maigret in Holland* Georges Simenon, 2003-06-16 On his latest case Maigret finds himself in the town of Delfzijl investigating the murder of a teacher He is presented with two clues a sailor's cap in the bathtub and a Manila cigar butt and a gaggle of suspects including a flirtatious farmer's daughter an angry lawyer a larcenous ship owner an unaccountably frightened cadet and a pompous criminologist with a revolver The Inspector in turn is preoccupied with a suspicious pathway lit by a lighthouse beam which leads him to wonder if this is the kind of spot where secret lovers might be discovered Maigret is a registered trademark of the Estate of Georges Simenon **Maigret in Holland** Georges Simenon, Hansjürgen Wille, 1960 *Maigret's World* Murielle Wenger, Stephen Trussel, 2017-09-13 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself *Investigating Simenon* Russell Campbell, 2022-09-21 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon's work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon's compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon's pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works
