Main Street And The Mind Of God:

Main Street and the Mind of God William F. Keucher, 1974-01-01 **The Mind** J.D. Ashcroft, 2015-12-15 What we think about matters Our thoughts inspire guide and control our actions Yet we often focus more upon eliminating bad behavior than rejecting bad thoughts Our Lord Jesus places priority on cleansing our inner nature before addressing outward actions Mt 23 26 This book is written to help Christians focus on their thought life as a means of honoring God God s Word is a great source of guidance in dealing with what we think In these simple Scriptural meditations the author has sought to help believers to take every thought captive to obey Christ 2 Cor 10 5b It is a book for anyone who has struggled with their thought life and desires victory over the content of their minds **The Power of Constant Prayer and Communion With God** William Jaynes, 2024-07-01 Billions of people in the world want a sound basis for improving the amount of fulfillment and personal success in their lives Over the years many have lauded the importance of prayer in one s life To whatever degree that is true how much more is constant prayer even more powerful than Sunday or Saturday prayer or even daily prayer Communing with God throughout the day is one of the most underestimated means of experiencing peace and joy in one s life as well as having God s love flow from one s heart and lips Countless numbers of people around the world pray in order to have some of the key advantages in personal serenity purpose and insight that will enable them to have the edge in life necessary in order to have victory and fulfillment How much more will constant prayer and communion with God enable people to have a permeant advantage and edge This book examines how the practice of constant prayer and communion with God can fill a person with more love joy peace self discipline faith direction in life humility sensitivity to God consistency and purpose It is intellectually stimulating but immensely practical By applying the many principles shared in this book it can literally change your life and make you stronger in virtually every area of your life *Myths of the Rune Stone* David M. Krueger, 2015-10-01 What do our myths say about us Why do we choose to believe stories that have been disproven David M Krueger takes an in depth look at a legend that held tremendous power in one corner of Minnesota helping to define both a community s and a state s identity for decades In 1898 a Swedish immigrant farmer claimed to have discovered a large rock with writing carved into its surface in a field near Kensington Minnesota The writing told a North American origin story predating Christopher Columbus s exploration in which Viking missionaries reached what is now Minnesota in 1362 only to be massacred by Indians The tale s credibility was quickly challenged and ultimately undermined by experts but the myth took hold Faith in the authenticity of the Kensington Rune Stone was a crucial part of the local Nordic identity Accepted and proclaimed as truth the story of the Rune Stone recast Native Americans as villains The community used the account as the basis for civic celebrations for years and advocates for the stone continue to promote its validity despite the overwhelming evidence that it was a hoax Krueger puts this stubborn conviction in context and shows how confidence in the legitimacy of the stone has deep implications for a wide variety of Minnesotans who embraced it including Scandinavian immigrants

Catholics small town boosters and those who desired to commemorate the white settlers who died in the Dakota War of 1862 Krueger demonstrates how the resilient belief in the Rune Stone is a form of civil religion with aspects that defy logic but illustrate how communities characterize themselves He reveals something unique about America s preoccupation with divine right and its troubled way of coming to terms with the history of the continent s first residents By considering who is included who is left out and how heroes and villains are created in the stories we tell about the past Myths of the Rune Stone offers an enlightening perspective on not just Minnesota but the United States as well Snapshots of God's Footprints Ilse-Dore Pulliam,2025-05-14 As flowers are different in color fragrance texture so are the stores I made for you The snapshots of God s footprints are from experiences in my life I hope to have inspired you to review your own life when how you received God s help in time of need It would add precious links into the chain of sharing thanking praying *Modern Christianity Corrupted* Bob Klingenberg,Robert Klingenberg,2012-06-08 The roots of an insidious Religious Humanism have for some time now steadily been growing deeper and deeper and taking a firm hold in the modern Christian Church in America and across the world The lethality of this rooting is that Religious Humanism is filled with false teachings which are historically known as heresies *Supernatural Power of a Transformed Mind & When Heaven Invades Earth* Bill Johnson,2011-03-01 In The Supernatural Power of a Transformed Mind Johnson argues that moving in the spiritual realm should be as much a part of our daily routine as prayer worship and reading Scripture The companion volume When Heaven Invades Earth A Practical Guide to a Life of Miracles teaches you how to rediscover your true identity and experience miracles every day Two best selling titles in one volume great value Warfare in the Mind Clifford Marity III,2007 *The Life of Wesley* Robert Southey,1820 Finding Peace of Mind and Keeping It James Emerson Hough,2023-06-23 About the Book In this collection of his essays and writings James Emerson Hough reflects on the serenity of retirement living in the middle of his own private Certified Forest Preserve and Wildlife Habitat in Southeast Indiana the inspiration it engenders to be creative and the ability to focus his thinking He finds it rewarding to share his perspective but the selfish reason he writes is that it makes him a better person When asked why he writes Mr Hough admits that writing helps keep his mind alert and head on straight He s inspired to read and unlock novel ideas in his mind research them and develop compelling techniques to put them together in writing Writing is his habit He knows that no one can write anything who does not think that what they write is for the time history or do anything well who does not esteem their work to be of importance Old age has yet to creep on the author s mind and wisdom will never let him stand with another on unfriendly footing For him to write what will not become obsolete is to write sincerely to himself while attempting to satisfy his own curiosity Where Mr Hough found peace of mind peace of mind was waiting there Books are the quietest and most constant of friends the most patient of teachers and the most accessible and wisest if counselors Worthwhile books that get into the world are written by successful people who utter what tens of millions feel though they cannot say Certain books are vital not leaving readers what they were

they shut the book a richer person Finding Peace of Mind and Keeping It is full of energy About the Author James Emerson Hough was born and raised in Paducah Kentucky schooled in the public school system of that community earned an AS degree studying mathematics physics chemistry biological and zoological sciences at Paducah Junior College and earned BS Geology and MS Engineering Geology degrees at the University of Kentucky Lexington He retired December 31 1998 at age 68 ending more than thirty five years in private practice of the applied earth sciences as licensed professional engineer and licensed professional geologist Hough was awarded the DSc degree by the American Institute of Geosciences in 2020
