D. S. Papazian,1905 Blood on the Border Roxanne Dunbar-Ortiz,2016-08-03 Human rights activist and historian Roxanne Dunbar Ortiz has been described as a force of nature on the page and off That force is fully present in Blood on the Border the third in her acclaimed series of memoirs Seamlessly blending the personal and the political Blood on the Border is Dunbar Ortiz s firsthand account of the decade long dirty war pursued by the Contras and the United States against the people of Nicaragua With the 1981 bombing of a Nicaraguan plane in Mexico City a plane Dunbar Ortiz herself would have been on if not for a delay the US backed Contras short for los contrarrevolucionarios launched a

major offensive against Nicaragua's Sandinista regime which the Reagan administration labeled as communist. While her rich political analysis of the US Nicaraguan relationship bears the mark of a trained historian, Dunbar Ortiz also writes from her perspective as an intrepid activist who spent months at a time throughout the 1980s in the war-torn country, especially in the remote northeastern region where the Indigenous Miskitu people were relentlessly assailed and nearly wiped out by CIA-trained Contra mercenaries. She makes painfully clear the connections between what many US Americans today remember only vaguely as the Iran Contra affair and ongoing US aggression in the Americas, the Middle East, and around the world. Connections made even more explicit in a new afterword written for this edition. A compelling, important, and sobering story on its own, *Blood on the Border* offers a deeply informed, closely observed, and heartfelt view of history in the making.

Chicago's Authentic Founder Marc O. Rosier, 2015-06-29. *Chicago's Authentic Founder* traces the life and time of Jean Baptiste Point DuSable from Haiti through Louisiana, Peoria, Chicago, and Saint Charles, Missouri, where he died in 1818. It examines important historical events such as the foundation of Chicago, George Rogers Clark's conquest of the French villages in Illinois, and DuSable's arrest and appointment as manager of the Pinery in Michigan. The extent of DuSable's Chicago business or trading post is treated in full. DuSable's life in Saint Charles is recounted in light of various court documents. His relationship to and leadership of the Pottawatomie tribe is explored and analyzed in ways that correct many of the inaccuracies found in the accounts publicized by the Kinsies and their allies. This volume contains many photos depicting DuSable's grave site, former places of residence, artistic representation of the cabin along the Chicago River, etc. DuSable's place of origin, Saint Domingue, today's Haiti, as represented by Juliette Kinsies Wau Bun is fully explored. The aggression of the European colonial powers and of the United States against Haiti after the successful Haitian Revolution and subsequent Haitian sponsorship of abolitionist and revolutionary activities is explored at length to show the reader possible motivation for associating DuSable with Haiti. Though widely admired by Native Americans and the older class of settlers in the contested territories of Illinois, Indiana, and Michigan, new American settlers who arrived in Chicago after the building of Fort Dearborn sought to discredit DuSable and to erroneously proclaim John Kinzie Chicago's founder.
