Fun, 1893 **Science Literacy in Primary Schools and Pre-Schools** Haim Eshach, 2006-08-12 Science is more than a compilation of facts and figures although one would not know that from observing classroom lessons in science in elementary schools in many parts of the world In fact there are those who argue that science is not appropriate subject content for the early grades of elementary school There are many schools in which science is simply not present in the earliest grades Even where science is taught in the earliest grades it is often a caricature of science that is presented to the children This book offers a vigorous reasoned argument against the perspective that science doesn't belong in the early grades It goes beyond that in offering a view of science that is both appropriate to the early grades and faithful to the nature of the scientific enterprise Dr Eshach is not a voice in the chorus that claims young children's developmental lack of readiness for such study He believes as do I that in order to learn science one must do science At the heart of the doing of science is the act of exploration and theory formation To do science we must explore the ways in which the world around us looks sounds smells feels and behaves

The Knife Before Christmas Kate Carlisle, 2024-10-22 Contractor Shannon Hammer hopes for a peaceful Christmas with her fiancé Mac until murder throws a wrench in her holiday plans in a brand new installment of the USA Today bestselling Fixer Upper Mystery Series Christmas has come to Lighthouse

Cove but business hasn't slowed down for Shannon Hammer. She's been contracted to renovate a local hotel owned by the Garrisons, a family that's so devoted to the holidays they serve a seven course dinner every night from Thanksgiving through Christmas. Last year's festivities featured a train that transported guests around the breathtaking Cliffside property. This year Shannon and her crew have been commissioned to build a Victorian style carnival midway with games and prizes galore. Everyone in town loves the hotel's spirit except the Garrisons' children and their spouses who are humbugged by the money being wasted on holiday cheer while their inheritance goes up the chimney. Things turn nasty when a mischief maker close to the family is found dead. It's up to Shannon and Mac to catch a sinister Scrooge before all of Lighthouse Cove receives coal for Christmas.
