GENDER & DEVELOPMENT

Mainstreaming Men Into Gender And Development Debates Reflections And Experiences

Jane S. Jaquette, Gale Summerfield

Mainstreaming Men Into Gender And Development Debates Reflections And Experiences:

Mainstreaming Men Into Gender and Development Sylvia H. Chant, Matthew C. Gutmann, 2000 Based on research commissioned by the World Bank this book's primary focus is on incorporating men in gender and development interventions at the grass roots level. It draws attention to some of the key problems that have arisen from male exclusion as well as to the potential benefits of and obstacles to men's inclusion. *Mainstreaming Gender in Development* Fenella Porter, Caroline Sweetman, 2005 Articles discuss how gender mainstreaming has been understood in different organisations provide examples of good work which supports the empowerment of women and look beyond gender mainstreaming to what new possibilities exist for transformation. *Senegal* Robin Sharp, 1994 Up to date view of Senegal from the perspective of the poor

Cities, Slums and Gender in the Global South Sylvia Chant, Cathy McIlwaine, 2015-12-22 Developing regions are set to account for the vast majority of future urban growth and women and girls will become the majority inhabitants of these locations in the Global South. This is one of the first books to detail the challenges facing poorer segments of the female population who commonly reside in slums. It explores the variegated disadvantages of urban poverty and slum dwelling from a gender perspective. This book revolves around conceptualisation of the gender urban slum interface which explains key elements to understanding women's experiences in slum environments. It has a specific focus on the ways in which gender inequalities can be entrenched but also alleviated. Included is a review of the demographic factors which are increasingly making cities everywhere feminised spaces such as increased rural urban migration among women demographic ageing and rising proportions of female headed households in urban areas. Discussions focus in particular on education paid and unpaid work access to land property and urban services violence intra urban mobility and political participation and representation. This book will be of use to researchers and professionals concerned with gender and development urbanisation and rural urban migration. *New Frontiers in Feminist Political Economy* Shirin Rai, Georgina Waylen, 2013-11-07 This volume brings together the work of outstanding feminist scholars who reflect on the achievements of feminist political economy and the challenges it faces in the 21st century. The volume develops further some key areas of research in feminist political economy understanding economies as gendered structures and economic crises as crises in social reproduction as well as in finance and production assessing economic policies through the lens of women's rights analysing global transformations in women's work making visible the unpaid economy in which care is provided for family and communities and critiquing the ways in which policy makers are addressing or failing to address this unpaid economy. **Gender Inclusive** Adam Jones, 2008-12-02 Gender Inclusive offers a challenging and unconventional reinterpretation of gender and mass violence compiling two decades of writing on this theme by noted genocide scholar Adam Jones. **International Encyclopedia of Men and Masculinities** Michael Flood, Judith Kegan Gardiner, Bob Pease, Keith Pringle, 2007-08-07 The International Encyclopedia of Men and Masculinities offers a comprehensive guide to the current state of scholarship about men masculinities and gender

around the world The Encyclopedia's coverage is comprehensive across three dimensions areas of personal and social life academic disciplines and cultural and historical contexts and formations The Encyclopedia examines every area of men's personal and social lives as shaped by gender covers masculinity politics the men's groups and movements that have tried to change men's roles presents entries on working with particular groups of boys or men from male patients to men in prison incorporates cross disciplinary perspectives on and examinations of men gender and gender relations gives comprehensive coverage of diverse cultural and historical formations of masculinity and the bodies of scholarship that have documented them The Encyclopedia of Men and Masculinities is composed of over 350 free standing entries written from their individual perspectives by eminent scholars in their fields Entries are organized alphabetically for general ease of access but also listed thematically at the front of the encyclopedia for the convenience of readers with specific areas of interest

Gender Equality in a Global Perspective Anders Ortenblad, Raili Marling, Snjezana Vasiljevic, 2017-01-06 Gender Equality in a Global Perspective looks to discuss whether Gender Equality can be adopted as it has been defined in international documents anywhere or whether it needs to be adapted in a more local context discuss which factors and perspectives need to be taken into account when adapting Gender Equality to specific contexts suggest research approaches for studies on whether a universal Western concept of Gender Equality fits in certain specific contexts and finally suggests challenges to the existing interpretation of Gender Equality e.g. theory of intersectionality and the development of legal and policy framework This book is situated within the tradition of comparative gender studies While most other such books take up and compare various ways of implementing or not implementing gender equality this book studies and compares whether or not and to what extent a specific definition of Gender Equality GE could be adopted by various nations Thus all chapter contributors will engage with the same definition of GE which will be presented within the book and discuss the possibilities and constraints related to applying such a definition in their particular national context The readers will learn about the problems of applying a universal concept of Gender Equality and the possible reasons for and modes of adapting Gender Equality to different contexts Gender Equality in a Global Perspective looks to maintain a critical and reflexive stance towards the issues raised and will seek to present multiple perspectives and open ended answers As such it hopes to contribute to the international discussion of human rights more broadly and Gender Equality specifically The intended audience is not limited only to but will include policy makers scholars and students with an interest in Gender issues Organizational Theory Political Science Human Development Policy Analysis Globalization and other management sub disciplines

Handbook of Studies on Men and Masculinities Michael S. Kimmel, Jeff Hearn, Raewyn Connell, 2005 In the past research in the field of gender has mainly addressed issues about women and has for the most part been developed by women Recently the study of gender has rapidly expanded and there has been a growing interest in men's and boys identities conduct and problems The Handbook of Studies on Men and Masculinities is an interdisciplinary and international

culmination of the growth of men's studies that also offers insight about future directions for the field. The Handbook provides a broad view of masculinities primarily across the social sciences with the inclusion of important debates in some areas of the humanities and natural sciences. The various approaches presented in this Handbook range across different disciplines, theoretical perspectives, methodologies, and conceptualizations in relation to the topic of men. Editors Michael S. Kimmel, Jeff Hearn, and Robert W. Connell have assembled an esteemed group of contributors who are among the best known experts in their particular fields. The Handbook of Studies on Men and Masculinities examines the construction of masculinities in four different frames: the social organization of masculinities in their global and regional iterations; the institutional reproduction and articulation of masculinities; the ways in which masculinities are organized and practiced within a context of gender relations; and the ways in which individual men express and understand their gendered identities. The Handbook is organized in a way that moves from the larger global and institutional articulations of masculinities to the more intimate and personal expressions. The Handbook of Studies on Men and Masculinities provides scholars, researchers, and students with the most current incisive scholarship available for the men's studies area of gender studies. It is a vital resource for those interested in the practical or cultural issues about men, boys, and gender, as well as an excellent addition to any academic library.

Advancing Population and Development in Uganda and Beyond John Mushomi

Atwebembeire, Hannah Muzee, 2025-06-18. This book offers a comprehensive exploration of Uganda's demographic landscape, drawing on perspectives and analytics from selected African countries. It meticulously examines demographic transitions, trends, and the potential for a demographic dividend to foster development. Beginning with Africa's Road to Demographic Transformation, the book underscores the critical importance of African population dynamics and the policies and programmes shaping them within the continent. Its unique contribution lies in its reliance on primary data sources, including interviews, which provide fresh insights, viewpoints, and reflections. This makes the book an invaluable resource for researchers, policymakers, and practitioners engaged with population issues. A central argument of this work is the profound influence of population dynamics on economic, social, and environmental outcomes. It highlights the significant benefits of investing in population, delving into the interconnectedness of population growth, migration, social protection, and urbanisation. Ultimately, the book advocates for advancing population and development in Africa through a deep understanding of demographic trends, challenges, and opportunities, coupled with a commitment to implementing policies and programmes that prioritise the well-being of African populations. The book is structured into three parts. Part One delves into chapters exploring sexual and reproductive health issues across Africa. Part Two focuses specifically on Uganda's context concerning population, aging, and older persons. Part Three sheds light on demographic data and service delivery.

Masculinities and Femininities in Latin America's Uneven Development Susan Paulson, 2015-08-20. This book forges a new approach to historical and geographical change by asking how gender arrangements and dynamics influence the evolution of institutions.

and environments This new theoretical approach is applied via mixed methods and a multi scale framework to bring together unusually diverse phenomena Regional trends demonstrated with quantitative data include the massive incorporation of women into paid work demographic masculinization of the countryside and feminization of cities rapidly increasing gaps that favor women over men in education and life expectancy and extraordinarily high levels of violence against men Case studies in Mexico Chile and Bolivia explore changes influenced by gender practices and expectations that involve men in different ways than women they also highlight dissimilarities and power relations between differently positioned masculine groups Ethnographic studies of culturally diverse arrangements together with particular attention to subordinate versus dominant masculinities complicate the gender binaries that circumscribe so much research and policy Drawing attention to imbalances and conflicts generated by inappropriate models and uneven developments the book points to opportunities for experimenting with and adapting the sociocultural institutions that govern relations among humans and between humans and their environment

Women and Gender Equity in Development Theory and Practice Jane S. Jaquette, Gale Summerfield, 2006-03-27 DIV Collection of essays on issues of women and development attempting to bridge theory and practice in the post 9 11 era to reflect debates in various realms from the environment land rights and identity to information technology employment and poverty div

Gender, Development and Disasters Sarah Bradshaw, 2013-04-01 Disaster research owes a lot to development studies and yet the debt is often not acknowledged In this scholarly but accessible book by Sarah Bradshaw we see a very effective linking of gender disaster and development that will be of value to academics and practitioners working in and across all these domains Maureen Fordham University of Northumbria UK Bringing gender into the foreground in

both development and disaster discourse the author challenges received wisdom and offers cautionary notes about reinforcing inequalities through feminized disaster interventions The book is an outstanding platform for fundamental change in how we think about and act toward gender in disaster contexts leaving readers cautiously optimistic This is one for the top shelf a book we have been waiting for and must put to use Elaine Enarson founder Gender and Disaster Resilience Alliance

Once in a while a book is published which offers an empirically and theoretically informed analysis of an under studied topic which helps to carve out a new field of enquiry Such is the case with Dr Sarah Bradshaw s breathtakingly detailed richly first hand informed and incisive account of the frequently paradoxical co option of women into the analysis and practice of disaster in developing economies Bradshaw s eminently comprehensive well substantiated perceptive and sensitive treatment of the A to Z of gender and disaster in developing country contexts constitutes a 21st century volume which will be a definitive benchmark for scholars policymakers practitioners and feminist activists at a world scale Sylvia Chant London School of Economics UK

The need to disaster proof development is increasingly recognised by development agencies as is the need to engender both development and disaster response This unique book explores what these processes mean for development and disasters in practice Sarah Bradshaw critically examines key notions such as gender vulnerability risk and humanitarianism underpinning development and disaster discourse Case studies are used to demonstrate how disasters are experienced individually and collectively as gendered events Through consideration of processes to engender development it problematizes women s inclusion in disaster response and reconstruction The study highlights that while women are now central to both disaster response and development tackling gender inequality is not By critically reflecting on gendered disaster response and the gendered impact of disasters on processes of development it exposes some important lessons for future policy This timely book examines international development and disaster policy which will prove invaluable to gender and disaster academics students and practitioners

Encyclopedia of International Development Tim Forsyth, 2018-10-24

International development is now a major global activity and the focus of the rapidly growing academic discipline of development studies The Encyclopedia of International Development provides definitions and discussions of the key concepts controversies and actors associated with international development for a readership of development workers teachers and students With 600 entries ranging in length from shorter factual studies to more in depth essays a comprehensive system of cross references and a full index it is the most definitive guide to international development yet published Development is more than a simple increase in a country s wealth and living conditions It also implies increasing people s choices and freedoms it is change that is inclusive and empowering Development theory and practice has important applications to questions of economic growth trade governance education healthcare gender rights and environmental protection and it involves issues such as international aid peacekeeping famine relief and strategies against HIV AIDS The Encyclopedia treats these topics and many more and provides critical analyses of important actors within development such as the United

Nations and World Bank non governmental organizations and corporations Contributors to this volume reflect the multidisciplinary and international nature of the subject They come from social science disciplines such as economics international studies political science and anthropology and from specialities such as medicine This Encyclopedia provides crucial information for universities students and professional organizations involved with international development and those interested in related topics such as international studies or other studies of social and economic change today

Violence at the Urban Margins Javier Auyero,Philippe I. Bourgois,Nancy Scheper-Hughes,2015 In the Americas debates around issues of citizen s public safety from debates that erupt after highly publicized events such as the shootings of Jordan Davis and Trayvon Martin to those that recurrently dominate the airwaves in Latin America are dominated by members of the middle and upper middle classes However a cursory count of the victims of urban violence in the Americas reveals that the people suffering the most from violence live and die at the lowest of the socio symbolic order at the margins of urban societies The inhabitants of the urban margins are hardly ever heard in discussions about public safety They live in danger but the discourse about violence and risk belongs to is manufactured and manipulated by others others who are prone to view violence at the urban margins as evidence of a cultural or racial defect rather than question violence s relationship to economic and political marginalization As a result the experience of interpersonal violence among the urban poor becomes something unspeakable and the everyday fear and trauma lived in relegated territories is constantly muted and denied This edited volume seeks to counteract this pernicious tendency by putting under the ethnographic microscope and making public the way in which violence is lived and acted upon in the urban peripheries It features cutting edge ethnographic research on the role of violence in the lives of the urban poor in South Central and North America and sheds light on the suffering that violence produces and perpetuates as well as the individual and collective responses that violence generates among those living at the urban margins of the Americas

Did the Millennium Development Goals Work? Manmohan Agarwal,Hany Besada,Leah McMillan Polonenko,2017-09-20 The Millennium Development Goals set by the United Nations were deliberately ambitious and they ve been the subject of much debate Now with the 2015 target date for many of the goals having passed it s time to assess the goals and attempt to determine whether they were effective Gathering leading scholars from a range of backgrounds and regions this book offers an in depth exploration of that question with the aim of better understanding the effects of the Millennium Development Goals and learning from them for future policy decisions

Mainstreaming Men Into Gender And Development Debates Reflections And Experiences Introduction

In today's digital age, the availability of Mainstreaming Men Into Gender And Development Debates Reflections And Experiences books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mainstreaming Men Into Gender And Development Debates Reflections And Experiences books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mainstreaming Men Into Gender And Development Debates Reflections And Experiences books and manuals for download is the cost-saving aspect.

Mainstreaming Men Into Gender And Development Debates Reflections And Experiences

Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mainstreaming Men Into Gender And Development Debates Reflections And Experiences versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mainstreaming Men Into Gender And Development Debates Reflections And Experiences books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mainstreaming Men Into Gender And Development Debates Reflections And Experiences books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mainstreaming Men Into Gender And Development Debates Reflections And Experiences books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mainstreaming Men Into Gender And Development Debates Reflections And Experiences books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital

resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mainstreaming Men Into Gender And Development Debates Reflections And Experiences books and manuals for download and embark on your journey of knowledge?

FAQs About Mainstreaming Men Into Gender And Development Debates Reflections And Experiences Books

1. Where can I buy Mainstreaming Men Into Gender And Development Debates Reflections And Experiences books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Mainstreaming Men Into Gender And Development Debates Reflections And Experiences book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Mainstreaming Men Into Gender And Development Debates Reflections And Experiences books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Mainstreaming Men Into Gender And Development Debates Reflections And Experiences audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
