Maintaining Long Distance Cross Reside:

Maintaining Long-Distance and Cross-Residential Relationships Laura Stafford, 2004-12-13 This thought provoking volume offers an innovative and intriguing approach to the study of long distance relationships Author Laura Stafford examines romantic long distance relationships and then expands the conception of long distance relationships to include other relational types She summarizes literature across the social sciences on various types of long distance relationships and extracts themes and patterns across the relational types In so doing she reconsiders approaches to and offers an expanded vision of relational maintenance By expanding her scope beyond romantic relationships Stafford includes those that span residences and relational types such as noncustodial parent child and geographically and residentially separated adult children and parents She contends that face to face interaction is not necessary to maintain healthy relationships and questions the assumption that maintaining rather than terminating a particular relationship is always best for the involved parties With its interdisciplinary approach to challenging commonly held assumptions about communication and close relationships Maintaining Long Distance and Cross Residential Relationships will be engaging reading for scholars in communication psychology sociology mass communication and family studies It is also appropriate for special topics graduate courses on long distance relationships and human communication and will serve as a unique supplemental text for upper level undergraduate and graduate students in interpersonal relational and family communication and family studies

Living Apart Together Cynthia Grant Bowman, 2020-12-29 Argues for legal reforms to protect couples who live apart but perform many of the functions of a family Living Apart Together is an in depth look at a new way of being a couple and doing family living apart together LAT in which committed couples maintain separate residences and finances In Bowman's own 2016 national survey 9% of respondents reported maintaining committed relationships while living apart typically spending the weekend together socializing together taking vacations together and looking after one another in illness but maintaining financial independence The term LAT stems from Europe where this manner of coupledness has been extensively studied however it has gone virtually unnoticed in the United States Living Apart Together aims to remedy this oversight by presenting original research derived from both randomized surveys and qualitative interviews Beginning with the large body of social science literature from outside the US Cynthia Bowman examines the prevalence of this lifestyle the demographics of people who live apart their reasons for doing so and how these individuals manage finances care during illness and many other aspects of family life She focuses in particular detail on three key demographics women gay men and the elderly and how individuals from these groups engage in LAT behavior She finds that while these living arrangements are more common than previously believed there are virtually no legal protections for the people involved Bowman concludes by proposing a number of legal reforms to support the caregiving functions LAT partners perform for each other Living Apart Together makes an important case for formal recognition of this growing but largely overlooked family structure

Thai Marriage

Migrants in Germany and their Employment Dilemma after the Residence Act of 2005. Woramon Sinsuwan, This book provides one of the most comprehensive researches on Thai marriage migrants in Germany to date. It investigates the employment dilemma of Thai marriage migrants after implementation of the new Residence Act of 2005 in Germany. Also, it sheds light on the underlying problems that hinder Thai marriage migrants' potential as full-time labourers. It examines the Thai diaspora and explores the present-day transnationalism of Thai marriage migrants in Germany. Most importantly, it applies Pierre Bourdieu's theoretical concept of capital, habitus, and social space to better understand Thai marriage migrants' career choices in the German milieu.

Living Apart Together Transnationally (LATT) Couples Rashmi Singla, 2024-05-18 This book provides deep insight into intimacy and distance in the complex globalised world through the newly coined concept of couples living apart together transnationally (LATT). Based on a review of the past four decades' seminal studies and narratives from a qualitative empirical study including both heterosexual and same-sex couples, it shows intimacy can be maintained without geographical proximity. The book has a rich, layered and nuanced exploration of LATT couples' experiences of relationship maintenance across distance and time through diverse ways such as digital emotions, online sexual activity, and meaning-making through spirituality, which challenge existing Eurocentric conceptualisations of intimacy and relationships. It also reveals an array of good practices for relationship maintenance across countries which can inspire other couples and practitioners. Thus, the book is an important resource not only for academics in the disciplines of psychology, anthropology, cultural studies, family science, sociology, migration, and communication, but particularly useful for practitioners dealing with couple relationships such as counselors, social workers, and mental health advisors. It is also relevant for international organizations and multinational corporations working with couples living apart together transnationally. The implications of this book for how we live now are clear in a more closely connected and mobile world: the possibility of living our most intimate relationships across distance will affect increasing numbers of us. The book's informative theoretical and practical messages have valuable lessons for many of us now and in the future.

Dr Lucy Williams, University of Kent, the UK Living Apart Together Transnationally (LATT) Couples: Promoting mental health and intimacy gives us insights into the everyday lives of couples living apart together (LAT) in a contemporary world characterized by globalisation and pandemics that have affected border controls and migration policies in different countries. Rashmi Singla invites us to challenge the way we understand intimate relationships that are connected to physical proximity and provides us with innovative ways to maintain emotional and physical intimacy despite geographical separation.

Sayaka Osanami, Trngren, Associate Professor of International Migration and Ethnic Relations, Malm University, Sweden Dr Rashmi Singla's book Living Apart Together Transnationally addresses a very important problem many modern couples encounter: living apart in different countries. The increasing globalization of the job market and mass migration in the past four decades have made this topic more important than ever before. However, research about love and life in such conditions is still limited. The research presented in this book

reveals some new qualitative research findings about how partners maintain health and intimacy in such challenging conditions This book presents novel and invaluable research for scholars in the area of love and couple relationships Victor Karandashev Ph D Professor of Aquinas College Michigan The U S A Dr Rashmi Singla s work Living Apart Together Transnationally LATT stands as a profoundly empirical exploration of long distance couples spanning international borders The book provides captivating revelations into the lives intimacies and spiritual dimensions of such relationships Offering an interdisciplinary approach it establishes a robust groundwork for further investigations in this emerging field Lise Paulsen Galal PhD Associate Professor in Intercultural Studies Roskilde University Denmark How important is proximity in intimate relationships when partners live apart in different countries This question sits at the core of this timely book which offers new insights in part through the range of areas considered but also through its challenge to existing Eurocentric conceptualisations of intimacy and relationships Using narratives collected in in depth interviews including through the period of Covid 19 Dr Rashmi Singla provides rich accounts of living apart together LAT but vitally adding a transnational perspective LATT Dr Tina Miller Professor of Sociology Oxford Brookes University UK Author of Motherhood Contemporary Experiences and Generational Change Cambridge University Press 2023 The book Living Apart Together Transnationally LATT Couples Promoting Mental Health and Intimacy is based on an empirical study on couples living apart transnationally Collecting data on couples is difficult and for that alone I appreciate the work done by the author Given that migration and mobility of families and couples is not likely to come to an end with the pandemic a study that brings together experiences of couples compelled to live apart would be illustrative The book refers to using social media for couples to connect with each other This is useful information in the social and digital worlds that we live in The phenomenon of migration and couples having to live apart is an ongoing one which is likely to be of interest to many academics and practitioners from host and receiving countries Professor Sujata Sriram Dean School of Human Ecology Tata Institute of Social Sciences Mumbai India This ground breaking book provides new knowledge of how the increasing number of couples living apart together in different countries the so called LATT couples cope with their situation and how they can maintain intimate relationships despite the distance Based on in depth interviews with heterosexual and same sex couples spread all over the world and including the author s own lived experiences the book convincingly challenges the conventional wisdom that cohabitation is a necessary condition for intimacy Through a novel theoretical framework Rashmi Singla highlights changing gendered orders and the challenges that meet long distance relationships crossing the Global North Global South divides Drude Dahlerup Professor of Political Science Stockholm and Roskilde Universities Sweden and Denmark Living Apart Together is a timely book that addresses the complexities of love sex marriage intimacy and transnational distancing Through qualitative research this excellent book offers answers to current and enduring questions of immigration migration and border crossings Dr Rashmi Singla s research and scholarship open new ways of understanding how intimate relationships are governed by post

modern capitalism which challenges socio economic geo political and cultural forms of being intimate Thebook takes us on a journey of intimate discoveries which unfold through its various chapters on how people can nurture desire intimacy and love even while living apart either as a matter of personal choice or out of professional necessity In essence Living Apart Together is a critical text in answering the larger question of what it is to be human in today s digital world Roy Moodley Associate Professor Ontario Institute for Studies in Education Department of Applied Psychology and Human Development University of Toronto Canada Living Apart together is a timely book that addresses the complexities of love sex marriage intimacy and transnational distancing Through qualitative research this excellent book offers answers to current and enduring questions of immigration migration and border crossings Dr Rashmi Singla s research and scholarship open up new ways of understanding how intimate relationships are governed by post modern capitalism which challenges socio economic geo political and cultural forms of being intimate The book takes us on a journey of intimate discoveries which unfold through its various chapters on how people can nurture desire intimacy and love even while living apart either as a matter of personal choice or as professional necessity In essence Living Apart Together is a critical text in answering the larger question of what it is to be human to today digital world *Interpersonal Encounters* Laura K. Guerrero,Bree McEwan,2022-05-12 With a practical and innovative approach to the study of interpersonal communication *Interpersonal Encounters Connecting through Communication* by Laura K Guerrero and Bree McEwan prepares students to become better communicators in their personal and professional lives Living Abroad Thea Able,2024-10-08 *Living Abroad* offers a comprehensive guide to international relocation exploring the best and worst countries for expatriates This essential resource delves into the practical socio cultural and economic aspects of living overseas providing readers with a holistic understanding of the expatriate experience The book emphasizes the importance of thorough research and preparation in achieving a successful transition to life in a new country Structured in four parts *Living Abroad* begins by introducing the challenges of international relocation before analyzing top rated countries for expatriates based on factors such as quality of life and career opportunities It then examines countries that present significant challenges for foreigners offering insights on how to avoid common pitfalls The book concludes with a practical guide for planning and executing an international move drawing on a wide range of evidence including statistical data case studies and expert interviews What sets this book apart is its balanced approach offering both inspiring success stories and cautionary tales to provide readers with a realistic view of expatriate life By combining academic rigor with practical advice *Living Abroad* serves as an indispensable companion for anyone considering or planning an international move equipping them with the knowledge and tools to turn their dreams of living abroad into reality

Transnationalism Steven Vertovec,2009-03-30 While placing the notion of transnationalism within the broader study of globalization this book particularly addresses the emergence and impacts of migrant transnational practices Each chapter demonstrates ways in which new and contemporary transnational activities of migrants are fundamentally transforming

social religious political and economic structures within their homelands and places of settlement

Social Media in the Lives of Young Connected Migrants Xinyu Zhao, 2023-12-12 Digital media are a key part of everyday social life for international migrants However we don't know enough about how these migrants critically understand and cope with the cultures and infrastructures of ubiquitous connectivity while on the move *Social Media in the Lives of Young Connected Migrants* explores and theorises what it means for young migrants to live in a digital age Presenting a richly detailed analysis of Chinese international students everyday social media practices the book unravels the meanings of digital connectivity in general and how contemporary mobile young generations respond to such changes Drawing on ethnographic and interview data this book highlights the enabling aspects of connective media in migration journeys and shows how and why young Chinese migrants manage or even resist being connected With close attention to diasporic intercultural family and professional migrant identities and relationships the author provides a nuanced account of living with digital media in everyday settings Focusing on the boundary practices associated with social media the book offers a unique analytical framework through which to capture the complex intersections of digital communication technologies and migrant social life This volume will appeal to students and scholars interested in researching Chinese diasporas digital migration and youth cultures

Encyclopedia of Human Relationships Harry T. Reis, 2009-03-25 This encyclopedia provides a structure to understand the essential rudiments of human behaviour and interpersonal relationships

Intimate Relationships and Social Change Christina L. Scott, Sampson Lee Blair, 2017-09-20 This multidisciplinary volume provides a unique and truly global collection of research on the nature of dating mating and coupling as they occur across a variety of cultures in dynamically shifting societies

Maintaining Long-Distance and Cross-Residential Relationships Laura Stafford, 2004-12-13 Author Laura Stafford summarizes literature across the social sciences on various types of long distance relationships and extracts themes and patterns across the relational types In so doing she reconsiders approaches to and offers an expanded vision

Making Multicultural Families in Europe Isabella Crespi, Stefania Giada Meda, Laura Merla, 2018-03-13 This edited collection explores family relations in two types of migrant families in Europe mixed families and transnational families Based on in depth qualitative fieldwork and large surveys the contributors analyse gender and intergenerational relations from a variety of standpoints and migratory flows In their examination of family life in a migratory context the authors develop theoretical approaches from the social sciences that go beyond migration studies such as intersectionality the solidarity paradigm care circulation reflexive modernization and gender convergence theory *Making Multicultural Families in Europe* will be of interest to students and scholars across a range of disciplines including migration and transnationalism studies family studies intergenerational studies gender studies cultural studies development studies globalization studies ethnic studies gerontology studies social network analysis and social work

Living in a Lean-To Navin K. Rai, 1990-01-01 In this ethnographic study of the Agta hunter gatherers in the tropical rain forest of northeastern Luzon in the Philippines Navin K

Rai documents a traditional society struggling to survive as their forest home is destroyed by outside forces Foreword by Karl L Hutterer *Living Together Across Borders* Lynnette Arnold,2024 In *Living Together Across Borders* author Lynnette Arnold tells the stories of extended families living stretched between a rural Salvadoran village and the urban locations in the United States where their migrant relatives live In this multi sited ethnography Arnold examines seemingly mundane conversational practices such as sending greetings negotiating remittances and reminiscing together that are central to family life across borders Arnold underscores the consequentiality of these linguistic practices by tracing how they are shaped by and re shape gendered and generational norms of family care as well as how they are tied to Salvadoran histories of migration violence and poverty which are powerfully influenced by U S economic and foreign policy This book demonstrates that these communicative practices bring inequities between the global North and South into family life by continually reproducing distinctions between relatives in El Salvador and those living in the United States Conversely she examines seemingly mundane interactions including greetings remittance negotiations and reminiscing together Although these relational moments of cross border connection are fleeting their impacts endure laying the foundation for the ongoing material and economic provisioning necessary to family survival Through cross border conversations families nurture intergenerational relations that sustain the family and convivencia living together over the years despite ongoing separation

The National Live-stock Journal ,1874 Family and Space Maya Halatcheva-Trapp, Giulia Montanari, Tino Schlinzig,2019-03-26 While the spatial turn within the social sciences has already nurtured a broad discussion of the relation between society and space little attention has so far been paid to the question of what we can learn about families when exploring space in its different facets This book brings together international authors from the fields of sociology human geography and anthropology to support the development of space sensitive and de territorialised perspectives on the family that reach beyond classical concepts such as the household or the nuclear family With close attention to the implications of differing relations to space for the social fabric of families it presents studies of theoretical methodological and empirical aspects of late modern family life Examining the meaning of absence and presence for parenting the aesthetic and sensual dimensions of everyday family life and its digital and media related features aspects Family and Space considers the value of a range of approaches to researching the spatial elements of family life including ethnographic accounts interviews group discussions mobile methods and network analyses **Returning - Remitting - Receiving** Vytis Čiubrinskas, Ingrida Gečienė-Janulionė, Caroline Hornstein Tomić, Violetta Parutis,2023-06-21 This volume is the result of an international research project that drew together perspectives from three countries in Central Eastern and South Eastern Europe Croatia Lithuania and Poland It explores the under researched phenomenon of immaterial values and resources that returning migrants bring with them as they have the potential to contribute to economic development together with the social political and cultural change in their countries of origin The authors explore the mechanisms challenges and successes of the process

of social remitting by returnees to these countries *National Live Stock Journal* ,1873 Live Stock Journal ,1902

Mobile Living Across Europe II Norbert F. Schneider, Beate Collet, 2010-09-15 Job related spatial mobility is a subject of great importance in Europe But how mobile are the Europeans What are the consequences of professional mobility for quality of life family life and social relationships For the first time these questions are analysed on the basis of the data of a large scale European survey This volume analyses the causes and determinants of job mobility and their individual and societal consequences in cross national comparison
