Mario Botta The Complete Works Volume 3 1990 1997:

Mario Botta Irena Sakellaridou,2000 This volume presents the work of the Swiss born architect who worked as an assistant to such architecture giants as Le Corbusier and Louis I Kahn before starting his own firm in 1970 and achieving international fame Botta s characteristic respect for topographical conditions and regional sensibilities his deft craftsmanship and the importance of geometric order in his work are evidenced in thirty projects that range from smaller residential buildings to such grandiose projects as the Church of San Giovanni Battista the Jean Tinguely Museum and most famously the San Francisco Museum of Modern Art This detailed study also includes the designs he created for furniture and the stage Mario Botta Architectural Poetics is a thorough survey of the architectural and design work that launched Botta into the pantheon of modern architecture BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Sacred Buildings* Rudolf Stegers,2008-05-16 The building of religious structures represents a rare opportunity

for the architect to concentrate on the creation of volume space and form Sacred architecture is far less determined than other building tasks by functional requirements norms and standards As a rule it is free to unfold as pure architecture Thus in design terms this building task offers enormous freedoms to the architect At the same time however the special atmospherics of sacred spaces call on the part of the architect for a highly sensitive treatment of religion and the relevant cultural and architectural traditions In a systematic section this volume introduces the design technical and planning fundamentals of building churches synagogues and mosques In its project section it also presents about seventy realized structures from the last three decades Drawing upon his in depth knowledge of the subject and his many years of publishing experience the author offers a valuable analysis of the conceptual and formal aspects that combine to create the religious impact of spaces e g the ground plan the shapes of the spaces the incidence of light and materiality **Prayers in Stone**
