Mark Twain A Collection Of Critical Ess

Frank Baldanza

Mark Twain A Collection Of Critical Ess:

Mark Twain Henry Nash Smith,1963 Many prominent writers and critics have contributed to this collection of essays many of which deal with individual works by Twain **Mark Twain** Henry Nash Smith,1963 *Critical Companion to Mark Twain* R. Kent Rasmussen,2014-05-14 Praise for the previous edition RASD ALA Outstanding Reference Source 1996 Essential is the word for it **Mark Twain** Maurice S. Friedman,1963 **Mark twain** HENRY NASH. SMITH,2001

Mark Twain; a Collection of Critical Essays Henry Nash Smith (Ed),1964 *Mark Twain* Frank Baldanza,1961

Mark Twain. A Collection of Critical Essays. Edited by Henry Nash Smith Henry Nash Smith,1963 **Mark Twain 1835-1910** Henry Nash Smith,1963 **Research in Education** ,1974 **A Historical Guide to Mark Twain** Shelley Fisher Fishkin,2002-10-03 Mark Twain born Samuel Clemens a former printer s apprentice journalist steamboat pilot and miner remains to this day one of the most enduring and beloved of America s great writers Combining cultural criticism with historical scholarship A Historical Guide to Mark Twain addresses a wide range of topics relevant to Twain s work including religion commerce race gender social class and imperialism Like all of the Historical Guides to American Authors this volume includes an introduction a brief biography a bibliographic essay and an illustrated chronology of the author s life and times **Mark Twain** Connie Ann Kirk,2004-07-30 Samuel Clemens lived 75 years 50 under the pseudonym Mark Twain His youth could be characterized as sometimes mischievous his older years as generally eccentric and his writing as always provocative Twain left a literary canon of nearly 50 books hundreds of short stories and essays and a veritable treasury of quotable epigrams While his words and his works have stood up to the test of time knowing the man behind the persona and understanding what inspired and influenced the writer is crucial to fully appreciating the contributions Twain made to American literature By skillfully weaving together strands of history with his personal story this authoritative biography helps readers come to more fully understand the man and his enduring legacy Starting with a chapter on Clemens boyhood readers are treated to a very personal view of Twain s early life Twain s adult life is chronicled with five expertly developed chapters that explore his early professional years from printer to pilot his travels westward and abroad his gilded years with his beloved wife Livy and his final years of widowhood and decline This engaging biography also delves into the enduring impact of Twain s creative voice and his unique blend of humor with social commentary that not only entertained but also challenged thinking and changed the literary landscape forever This biography draws from the best of established Twain resources and scholarship and adds fresh new perspectives from personal letters original manuscripts and extended study visits to important places including Twain s study and Quarry Farm This work is written in a lively style that Twain himself would appreciate and students will enjoy Researchers hoping to dig deeper into the Twain legacy will benefit from the expertly compiled information and documentation of resources offered here A chronology a bibliography and five additional fact filled appendices including quotes from Twain books by Twain and a rendering of his family tree will help

readers get a solid handle on the details as well as the big picture of Mark Twain's life and legacy *Mark Twain's Humor* David E. E. Sloane, 2017-10-24 Originally published in 1993 The purpose of this volume is to lay out documents which give an estimate of Mark Twain as a humourist in both historical scope and in the analysis of modern scholars The emphasis in this collection is on how Twain developed from a contemporary humourist among many others of his generation into a major comic writer and American spokesman and in several more recent essays by younger Twain scholars the outcomes of that development late in his career The essays determine how the humor takes on meaning and importance and how the humor works in a number of ways in the literary canon and even in the persona of Mark Twain *Refiguring Huckleberry Finn* Carl F. Wieck, 2004 Much about Adventures of Huckleberry Finn is ageless yet its author was completely immersed in the age in which he wrote Refiguring Huckleberry Finn looks at ways that contemporary American culture and history influenced the formation of Mark Twain's masterwork It also shows how the novel reflects Twain's deep investment in what Carl F. Wieck calls an open minded unbiased perception of the wellsprings of the American spirit Clearly Twain knew the Mississippi River and its people well With Frederick Douglass William Dean Howells Ulysses S. Grant and John Hay Abraham Lincoln's personal secretary among his friends Twain also knew America That understanding Wieck shows us is richly evident in Huckleberry Finn by the ways Twain explored themes of justice rights knowledge and truth engaged with the ideas of Douglass Lincoln and Thomas Jefferson and expressed concern over the public discourse on race and equality In addition in discussions that range from number play in the novel to the symbolic potential of the Mississippi's awesome one way flow Wieck looks closely at Twain's storytelling craft Filled with new and challenging insights Refiguring Huckleberry Finn reintroduces us to one of our greatest novels and one of our finest novelists *Companion to Literature* Abby H. P. Werlock, 2009 Praise for the previous edition Booklist RBB Twenty Best Bets for Student Researchers RUSA ALA Outstanding Reference Source useful Recommended for public libraries and undergraduates *Resources in Education*, 1974 **Huckleberry Finn** Harold Beaver, 2017-10-23 Originally published in 1987 Popular from its first publication Adventures of Huckleberry Finn remains at the centre of heated controversy Is it an adult novel or juvenile fiction Is Huck a new model hero from the West or just another amoral prankster Harold Beaver reconciles these divergent views into a comprehensive and lively critical account of the novel and the complex debates which surround it **Reading the Text That Isn't There** Mike Davis, 2005-02-10 Through a careful examination of the work of the canonical nineteenth century novelists Mike Davis traces conspiracies and conspiratorial fantasy from one narrative site to another **The Author-cat** Forrest Glen Robinson, 2007 Forrest G. Robinson argues that a strong autobiographical impulse infuses the whole of Clemens's fiction He shows how Clemens wrote out of an enduring need to come to terms with his remembered experiences not to memorialize the past but to transform it Clemens's special curse was guilt He was unable to forgive himself for the deaths of those closest to him especially members of his family from his siblings's death in childhood to the deaths of his own children Nor could he reconcile himself to his role

in the Civil War his ignominious part in the duel that prompted his departure from Virginia City in 1864 and worst of all his sense of moral complicity in the crimes of slavery Tracing the theme of bad faith in all of Clemens's major writing but with special attention to the late work Robinson sheds new light on a tormented moral life directing attention to what William Dean Howells describes as the depths of a nature whose tragical seriousness broke in the laughter which the unwise took for the whole of him

Power Lines Jennifer L. Lieberman, 2017-07-14 How electricity became a metaphor for modernity in the United States inspiring authors from Mark Twain to Ralph Ellison At the turn of the twentieth century electricity emerged as a metaphor for modernity Writers from Mark Twain to Ralph Ellison grappled with the idea of electricity as both life force illumination and death spark electrocution The idea that electrification created exclusively modern experiences took hold of Americans' imaginations whether they welcomed or feared its adoption In Power Lines Jennifer Lieberman examines the apparently incompatible notions of electricity that coexisted in the American imagination tracing how electricity became a common though multifarious symbol for modern life Lieberman examines a series of moments of technical change when electricity accrued new social meanings plotting both power lines and the power of narrative lines in American life and literature While discussing the social construction of electrical systems she offers a new interpretation of Twain's use of electricity as an organizing metaphor in *A Connecticut Yankee in King Arthur's Court* describes the rhetoric surrounding the invention of electric execution analyzes Charlotte Perkins Gilman's call for human connection in her utopian writing and in her little known *Human Work* considers the theme of electrical interconnection in Jack London's work and shows how Ralph Ellison and Louis Mumford continued the literary tradition of electrical metaphor Electrical power was a distinctive concept in American literary cultural and technological histories For this reason narratives about electricity were particularly evocative Bridging the realistic and the romantic the historical and the fantastic these stories guide us to ask new questions about our enduring fascination with electricity and all it came to represent
