

The background of the book cover is a classic portrait of George Washington. He is shown from the chest up, wearing a yellow military-style coat with red buttons and a white cravat. He has a serious expression and is looking slightly to the right. In the background, there is a large, white, two-story building with a red roof and a small cupola, which is a representation of the White House. The sky is blue with some light clouds. The text is overlaid on the image in various colors and fonts.
