Murder Across The Board An Arlington County Mystery:

Murder Across the Board Jane Barcroft, 2005-09 Small town politics are always the same comfortably dull sandbox bickering even when your small town is the gateway to the nation's capital Or so thought Paige Smith editor of the Spectator weekly His love life was in the tank and he wasn't getting any younger but the speed was about right for him until the April morning that the County Board meeting was gaveled to order by a fatal gunshot Before long it was clear that none of the people who'd filled his political columns for years were who they seemed and things were getting dangerous for a quiet man who'd never been threatened by anything more lethal than a deadline a fictionalized version of the Arlington County Board and those in the political spotlight hilarious but unsettling Arlington Sun Gazette 4 8 04 [Murder Out of the Ballpark](#) Jane Barcroft, 2006-04 Paige Smith is back the detective hero for people who aren't cut out to be detective heroes For the editor of the Arlington weekly Spectator one front row seat for a hair raising scoop had been enough for a lifetime thank you All he wanted now was safe dull predictability and maybe the hope of a Saturday night date Alas dull wasn't in the cards Arlington County was simmering over a ballpark plan that was welcomed by no one or everyone depending on whom you asked The upcoming election was ugly with racism and hints of corruption Now the county's first marathon was jeopardized when its most prominent runner crossed his own personal finish line And as for women Smitty would soon be far out of his league with the hyperactive athlete who taught him how to sprint the single mom with short skirts and a long barreled pistol the no nonsense cop who knew too much for comfort and the jailbird blonde who still tugged at his heart Which one was going to save him or sink him **The Washington Post Index**, 2008 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1971 **From Arlington to Appomattox** Charles R. Knight, 2021-06-15 Brilliant really gives one a sense of what it took to both lead and run an army in the Civil War Superb Chris Kolakowski author of *The Virginia Campaigns* March August 1862 In *From Arlington to Appomattox* Charles Knight does for Robert E Lee and students of the Civil War what E B Long's *Civil War Day by Day* did for our understanding of the conflict as a whole This is not another Lee biography but it is every bit as valuable as one We know Lee rode out to meet the survivors of Pickett's Charge and accept blame for the defeat that he tried to lead the Texas Brigade in a counterattack to save the day at the Wilderness and took a tearful ride from Wilmer McLean's house at Appomattox But where was Lee and what was he doing when the spotlight of history failed to illuminate him Focusing on what he was doing day by day offers an entirely different appreciation for Lee Readers will come away with a fresh sense of his struggles both personal and professional and discover many things about Lee for the first time through his own correspondence and papers *From Arlington to Appomattox* is a tremendous contribution to the literature of the Civil War Knight's study will become the standard reference work on Lee's daily wartime experiences R E L Krick author of *Staff Officers in Gray* A staggering work of scholarship Jeffry D Wert author of *A Glorious Army* Robert E Lee's Triumph 1862-1863 A pleasure to read Michael C Hardy author of *General Lee's Immortals* Keeps the
