Murder In The Crescent City:

Murder in the Crescent City Mickey L. Strain, 2002-12 Tangled Web is a pervasive tale of deceit hate passion and revenge Jeff Bowman whose parents are swindled out of their life s savings by unscrupulous land developer s vows to bring them to justice and get his pound of revenge Jeff and his partner in a private investigation company headquartered in Sunnyvale California in the heart of Silicon Valley are drawn into an investigation of the murder of a young man in Santa Rosa a village north of San Francisco Their journey leads them through a Tangled Web of drugs and corruption Central to the drug investigation is the dogged determination of DEA agent s Suzanne Sloan and Carl Guiliano who follow the twisted and tangled web to bring down the west coast drug syndicate and leads to an international chase of the king pin **Crescent City Murder** Alec Peche, 2018-02-10 **Road to Murder** Janet Bryant, 2016-05-18 Osborne Pruitt is a young Creole Cajun boy who turns out to be a serial killer He grows up in Venice Louisiana 75 miles south of New Orleans His mother leaves frequently to work in New Orleans for Crescent City Inc Due to his abandonment Osborne kills in an extremely grotesque manner Two keen and shrewd New Orleans detectives track him from New Orleans to Venice and California Veronica Miles who is wealthy and beautiful is celebrating her fourth wedding anniversary to Ross Carter They have a beautiful home in Bel Air California She has no idea what her husband and her two best friends are capable of When she finds out the truth she was shocked beyond belief These two stories intertwine as Osborne travels to California to meet his father His father helps him out of an impossible situation *Murder in the Rue Urselines* Greg Herren, 2012-05-01 When Chanse MacLeod is hired to find out who is blackmailing a high profile movie star couple living in the French Quarter he soon realizes it isn t just on a movie set where things are make believe Against the backdrop of a rebuilding New Orleans Chanse races to find out the truth about his treacherous clients and to clear his own name **Murder in New Orleans** Jeffrey S. Alder, 2019-08-02 New Orleans in the 1920s and 1930s was a deadly place In 1925 the city s homicide rate was six times that of New York City and twelve times that of Boston Jeffrey S Adler has explored every homicide recorded in New Orleans between 1925 and 1940 over two thousand in all scouring police and autopsy reports old interviews and crumbling newspapers More than simply quantifying these cases Adler places them in larger contexts legal political cultural and demographic and emerges with a tale of racism urban violence and vicious policing that has startling relevance for today Murder in New Orleans shows that whites were convicted of homicide at far higher rates than blacks leading up to the mid 1920s But by the end of the following decade this pattern had reversed completely despite an overall drop in municipal crime rates The injustice of this sharp rise in arrests was compounded by increasingly brutal treatment of black subjects by the New Orleans police department Adler explores other counterintuitive trends in violence particularly how murder soared during the flush times of the Roaring Twenties how it plummeted during the Great Depression and how the vicious response to African American crime occurred even as such violence plunged in frequency revealing that the city s cycle of racial policing and punishment was connected

less to actual patterns of wrongdoing than to the national enshrinement of Jim Crow Rather than some hyperviolent outlier this Louisiana city was a harbinger of the endemic racism at the center of today s criminal justice state Murder in New Orleans lays bare how decades old crimes and the racially motivated cruelty of the official response have baleful resonance in the age of Black Lives Matter

Bob Zellner,2008-09-01 Even forty years after the civil rights movement the transition from son and grandson of Klansmen to field secretary of SNCC seems quite a journey In the early 1960s when Bob Zellner's professors and classmates at a small church school in Alabama thought he was crazy for even wanting to do research on civil rights it was nothing short of remarkable Now in his long awaited memoir Zellner tells how one white Alabamian joined ranks with the black students who were sitting in marching fighting and sometimes dying to challenge the Southern way of life he had been raised on but rejected Decades later he is still protesting on behalf of social change and equal rights Fortunately he took the time with co author Constance Curry to write down his memories and reflections He was in all the campaigns and was close to all the major figures He was beaten arrested and reviled by some but admired and revered by others The Wrong Side of Murder Creek winner of the 2009 Lillian Smith Book Award is Bob Zellner's larger than life story and it was worth waiting for
