The Opposite Field Jesse Katz, 2010-07-13 Here is one of the most remarkable ambitious and utterly original memoirs of this generation a story of the losing and finding of self of sex and love and fatherhood and the joy of language of death and failure and heartbreak of Los Angeles and Portland and Nicaragua and Mexico and the shifting sands of place and meaning that can make up a culture or a community or a home Faced with the collapse of his son's Little League program consisting mostly of Latino kids in the largely Asian suburb of Monterey Park California Jesse Katz finds himself thrust into the role of baseball commissioner for La Loma Park Under its lights the yearnings and conflicts of a complex immigrant community are played out amid surprising moments of grace Each day and night becomes a test of Jesse's judgment and adaptability and of his capacity to make this

peculiar pocket of L A s Eastside his home While Jesse soothes egos brokers disputes chases down delinquent coaches and missing equipment and applies popsicles to bruises he forms unlikely alliances commits unanticipated errors and receives the gift of unexpected wisdom But there s no less drama in Jesse s complicated personal life as he grapples with a stepson who seems destined for trouble comforts his mother a legendary Oregon politician when she s stricken with cancer and receives hard lessons in finding and holding on to the love of a good woman Through it all Jesse s emotional mainstay is his beloved son Max who quietly bests his father s brightest hopes Over nine springs and summers with Max at La Loma Jesse learns nothing less than what it takes to be a father a son a husband a coach and ultimately a man This is an epic book a funny book a sexy book a rapturously evocative and achingly poignant book Above all it is true in that it happened but also in a way that transcends mere facts and cuts to the quick of what it means to be alive **Indianapolis Monthly** ,1995-11 Indianapolis

Lewis Ford,Hugh D. Young,1992 **Leonard Bernstein and His Young People's Concerts** Alicia

Kopfstein-Penk,2015-01-22 Leonard Bernstein touched millions of lives as composer conductor teacher and activist He frequently visited homes around the world through the medium of television particularly through his fifty three award winning Young People s Concerts 1958 1972 which at their height were seen by nearly ten million in over forty countries Originally designed for young viewers but equally attractive to eager adults Bernstein s brilliance as a teacher shined brightly in his televised presentations And yet despite the light touch of the maestro the innocence of his audience and the joyousness of each show s topic the turbulence of the times would peek through In this first in depth look at the series Alicia Kopfstein Penk s Leonard Bernstein and His Young People s Concerts illustrates how the cultural social political and musical upheavals of the long sixties impacted Bernstein s life and his Young People s Concerts Responding to trends in corporate sponsorship censorship and arts programming from the Golden Age of Television into the 1970s the Young People s Concerts would show the impact of and reflect the social and cultural politics of the Cold War Vietnam the Civil Rights and Women s Movements and the Counterculture Bernstein cheerfully bridged classical and popular tastes juxtaposing the Beatles with Mozart even as he offered personal televised pleas for peace and unity At the same time the concerts reflect Bernstein s troubled relationship as a professional musician with the dominance of atonality and his quest to nurture American music Anyone who enjoys the oeuvre of Leonard Bernstein has watched his Young People s Concerts or is passionate about the history of the long sixties will find in Leonard Bernstein and His Young People s Concerts a story of all three captured in this monumental study
