Nursing Its Hidden Agendas:

Nursing Maya Jolley, Gosia Brykczynska, 1993-07-15 Nursing Its Hidden Agendas traces the origins of attitudes and behaviours their historical psycho social and professional backgrounds their cross generational transmission and their cause and effect These hidden agendas can seriously damage progress and change in the nursing profession and must be recognised and checked at all levels This unique study is essential reading for managers nurse teachers practising nurses and students alike

Nursing Maya Jolley, 2020-09-29 This book uncovers some of the hidden agendas which have inhibited nursing and nurses from making their full potential contribution to health care and stimulates new and positive initiatives It explores nurses behaviour patterns employing psychological educational and political perspectives

Evidence-Based Practice Liz Trinder, 2008-04-30 Evidence based practice is an idea whose time has come Few concepts can have achieved the status of unchallengeable common sense in such a short space of time and across such a broad range of professional activity As yet there have been few opportunities to take stock and reflect on the evidence for evidence based practice or the implications of its adoption How effective or feasible is it in medicine Is it really different What are the consequences of not basing practice on research Can evidence based practice be used in non clinical settings where practitioners must deal with the complexity of multi problem individuals families and organizations This text introduces the key concept of Evidence Based Practice and accounts for its emergence and rapid expansion within and beyond medicine It then goes on to describe how evidence based practice is being translated in key areas medicine nursing mental health education and social welfare while critically appraising the strengths and weaknesses of evidence based practice as it applies in a range of fields of professional practice

Power and Conflict Between Doctors and Nurses Maureen A. Coombs, 2004-02-24 Through observations in three intensive care units this book draws on the reality of practice to explore how nurses and doctors work in intensive care settings It examines the power held by the competing knowledge bases the roles of the different professions the decision making process the sources of conflict the need for change Drawing together sociological theories and clinical practice *Power and Conflict Between Doctors and Nurses* explores the role of nurses in delivering contemporary health care It makes a strong case for interdisciplinary working and is particularly timely when health care policy is challenging work boundaries in health care

(Re)Thinking Violence in Health Care Settings Dr Amélie Perron, Professor Dave Holmes, Professor Trudy Rudge, 2013-01-28 This comprehensive volume explores various forms of violence in health care settings Using a broad range of critical approaches in the field of anthropology cultural studies gender studies political philosophy and sociology it examines violence following three definite yet interrelated streams institutional and managerial violence against health care workers or patients horizontal violence amongst health care providers and finally patients violence towards health care providers Drawing together the latest research from Australia Canada the UK and the US *Re Thinking Violence in Health Care Settings* engages with the work of critical theorists such as Bourdieu Butler Foucault

Latour and i ek amongst others to address the issue of violence and theorise its workings in creative and controversial ways As such it will be of interest to sociologists and anthropologists with research expertise in health medicine violence and organisations as well as to health care professionals *(Re)Thinking Violence in Health Care Settings* Trudy Rudge,2016-03-16 This comprehensive volume explores various forms of violence in health care settings Using a broad range of critical approaches in the field of anthropology cultural studies gender studies political philosophy and sociology it examines violence following three definite yet interrelated streams institutional and managerial violence against health care workers or patients horizontal violence amongst health care providers and finally patients violence towards health care providers Drawing together the latest research from Australia Canada the UK and the US *Re Thinking Violence in Health Care Settings* engages with the work of critical theorists such as Bourdieu Butler Foucault Latour and Zizek amongst others to address the issue of violence and theorise its workings in creative and controversial ways As such it will be of interest to sociologists and anthropologists with research expertise in health medicine violence and organisations as well as to health care professionals **Birthing in the Pacific** Vicki Lukere,Margaret Jolly,2001-11-30 This collection explores birthing in the Pacific against the background of debates about tradition and modernity A wide ranging introduction and conclusion together with case studies from Papua New Guinea New Caledonia Vanuatu Fiji and Tonga show how simple contrasts between traditional and modern practices technocratic and organic models of childbirth indigenous and foreign approaches and notions of before and after can be potent but problematic The difficulties entailed confront public health programs concerned with practical issues of infant and maternal survival in developing countries as well as scholarly analyses of birthing in cross cultural contexts The introduction analyzes central concepts and themes questions of survival safety and well being the significance of postures practices and sites the role of midwives traditional birth attendants and nurses and the role of men in birthing and reproduction Contributors four anthropologists a historian and a community health worker offer insights into the ways mothers midwives and nurses relate the traditional and the modern and how ideas of tradition and modernity have shaped representations of Pacific childbirth The conclusion provides researchers with a guide to relevant literature from several disciplines As a whole the collection warns against either a celebration of emancipation through biomedicine or a recuperative romance about women s past powers in reproduction Contributors Ruta Fiti Sinclair Margaret Jolly Vicki Lukere Shelley Mallett Helen Morton Christine Salomon **Extending the Boundaries of Care** Tamara Kohn,Rosemary McKechnie,2020-05-12 How is the concept of patient care adapting in response to rapid changes in healthcare delivery and advances in medical technology How are questions of ethical responsibility and social diversity shaping the definitions of healthcare In this topical study scholars in anthropology nursing theory law and ethics explore questions involving the changing relationship between patient care and medical ethics Contributors address issues that challenge the boundaries of patient care such as HIV related care and research the impact of new reproductive technologies

preventative healthcare technological breakthroughs that are changing personal caring relationships Chapters range from a consideration of the practicalities of nursing and family healthcare to a debate about universal human needs and patients rights This book is a provocative exploration of the ways in which healthcare models are socially constructed It will be of interest to policy makers medical practitioners and administrators as well as students of sociology anthropology and social policy

Death by Decaf Agnes Norman, In the quaint yet surprisingly perilous world of The Daily Grind coffee shop where the aroma of freshly brewed coffee mingles with the scent of impending doom a murder most foul takes center stage Detective Owen Pryce a man whose taste for strong black coffee is only matched by his sharp intellect finds himself immersed in a case as rich and complex as a perfectly pulled espresso A barista renowned for her latte art skills has been found dead leaving behind a trail of suspects as diverse and intriguing as the coffee menu itself From the secretive regulars nursing their daily dose of caffeine each harboring their own unique secrets and agendas to the cutthroat competition in the local coffee scene Pryce faces a whirlwind of interrogations and red herrings But amidst the chaos he unravels a web of relationships rivalries and hidden truths revealing a shocking truth concealed beneath the innocent facade of a morning caffeine fix Our tale unfolds through a series of carefully crafted clues leaving the reader breathlessly anticipating the next twist and turn The suspects themselves are a compelling ensemble a rich tapestry of personalities with their own motivations and secrets There s the obsessive espresso connoisseur whose passion for coffee borders on the maniacal the bitter rival caf owner fueled by jealousy and a thirst for revenge and the seemingly innocuous barista who holds a key to the victim s hidden life With each sip of coffee with each new lead Pryce inches closer to unearthing the truth a truth as potent and unexpected as a perfectly brewed cup of death defying decaf Prepare yourself for a whirlwind of suspense intrigue and just enough quirky charm to keep you hooked until the very last drop This isn t just a whodunit it s a what and why dunit steeped in the fragrant mysterious world of coffee and caffeine And remember even the most innocent cup of coffee can hide a deadly secret So grab your favorite mug settle into a comfy armchair and prepare for a journey you won t soon forget Buckle up because it s going to be one heck of a ride
