Pippa Parvin and the Mystery of the Family Journal D.Z. Mah, You and Pippa can read the handwritten journal given to you by your grandfather but when your Aunt Vivian looks at it she sees only blank pages It s another mystery for your cousin Pippa to solve As always YOU decide where to go in your small English village Do you want to visit your grandfather in the care home first or see if another friend your age can read the journal You decide in what order to investigate the clues See if you can solve the mystery before Pippa does The Secret Ellis Delmonte,2014-08-08 When Dippy Matty and Pippa discover a body by their derelict hilltop home in Cornwall a remarkable adventure begins Their strange father Daddo is arrested for murder and the children flee the country in search of their lost mother Celeste Remembering little of her past Celeste lives a mysterious life with little Zara who helps her make contact with the dead to comfort the living Seeking this comfort is an elderly woman and her granddaughter whose lives link three generations of a broken family and who hold the key to revealing a long forgotten secret and restoring a fortune The Secret is a beautiful intriguing and challenging story in the classic tradition for children aged 10 and over **Blindfold** Lyndon Stacey,2010-04-01 The blindfold was a major hindrance So much depended on body language with animals Without it it felt uncomfortably like a game of Russian roulette Gideon Blake artist and animal behaviourist is used to dealing with distressed and unpredictable animals But on one cold February night he is faced with the challenge of his life Abducted from his home handcuffed and blindfolded Gideon is inexplicably forced by his violent captors to catch a dangerous and highly strung stallion Though severely handicapped by the blindfold and fearing certain death he has no choice but to comply Bruised and bewildered by the events of that fateful night Gideon ignores his abductors threats to stay silent and resolves to find out who was behind this sadistic and seemingly irrational act But a chance encounter leads to a shocking discovery one that makes Gideon question the motives of those closest to him and brings the devastating realisation that danger lies very close to home **Growing Point** ,1983 **Ask Pippa (Questions and Answers)** Pippa Funnell,2012-04-12 Have you ever wondered what your horse was thinking Or how to stop his bad habits whether that s over eating biting or bucking How do you plait manes and tails Why grooming is necessary and how to do it properly How do you change your diagonal or how long your stirrups should be for jumping Divided into three sections About Horses About Riding About Me Pippa s essential guide to all things horse and pony related is written with her characteristic warmth humour and wise words **Pippa Funnell** Pippa Funnell,2012-08-16 Pippa Funnell is the golden girl of the British equestrian scene but it hasn t always been so She seemed doomed to be a misser in the really big competitions lacking that special ingredient that makes a true champion Everything began to change for her in 1999 when her results including her first European title were excellent but it was at the Sydney Olympics that she really came of age winning a silver medal Since Sydney Pippa went from strength to strength She completed the double of European Championships in
