Pittsburghs Post Gazette The First Newspaper West Of The Alleghenies:

Pittsburgh's Post-Gazette J. Cutler Andrews,1936 *Pittsburgh's Post-gazette* J. Cutler Andrews,1936

Pittsburgh's Post-gazette; "The First Newspaper West of the Alleghenies" [by] J.Cutler Andrews J. Cutler Andrews,

Hidden History of Pittsburgh Len Barcoucky,2016 When Mark Twain visited in 1884 he claimed to spy a little bit of hell in Pittsburgh s smoky appearance Twain s observations are among the many riveting firsthand accounts and anecdotes to be found in the archives of the Pittsburgh Post Gazette The Great War hit home after the sinking of the Lusitania which carried more than a dozen Pittsburgh residents A few years later cheering throngs of black and white residents lined downtown streets to welcome African American soldiers returning home from the conflict The Ringling Brothers Circus held its last outdoor performance here in 1956 and left eight hundred show workers without jobs in the city With these stories from the archives and more veteran journalist Len Barcoucky shines a light on the hidden corners of Pittsburgh s history

The Remaking of Pittsburgh Francis G. Couvares,1984-06-30 What forces transformed a community in which industrial workers and other citizens exercised a real measure of power over their lives into a metropolis whose inhabitants were utterly dependent on Big Steel How did a city that fervidly embraced the labor struggle of 1877 turn into the city which so fiercely repudiated the labor struggle of 1919 The Remaking of Pittsburgh is the history of this transformation The cultural dimensions of industrialization come to life as Couvares calls upon labor history urban history and the history of popular culture to depict the demise of the craftsman s empire and the birth of a cosmopolitan bourgeois society The book explores the impact of immigration on the shaping of modern Pittsburgh and the emergence of mass culture within the community In the midst of these processes of transformation the giant steel corporations were continually reshaping the life of the city

History of Pennsylvania Philip S. Klein,Ari Arthur Hoogenboom,2010-11-01 A Counterfeiter's Paradise Ben

Tarnoff,2012-03-06 This tale of counterfeiting is a treat for everyone a delightful history lesson Admirable and altogether charming The Washington Post As Ben Tarnoff reminds us in this entertaining narrative history get rich quick schemes are as old as America itself Indeed the speculative ethos that pervades Wall Street today Tarnoff suggests has its origins in the counterfeiters who first took advantage of America s turbulent economy In A Counterfeiter s Paradise Tarnoff chronicles the lives of three colorful counterfeiters who flourished in early America from the colonial period to the Civil War Driven by desire for fortune and fame each counterfeiter cunningly manipulated the political and economic realities of his day Through the tales of these three memorable hustlers Tarnoff tells the larger tale of America s financial coming of age from a patchwork of colonies to a powerful nation with a single currency *Front-page Pittsburgh* Clarke M. Thomas,2005 Clarke Thomas has compiled a two hundred year history of the Pittsburgh Post Gazette the first paper published west of the Alleghenies From the Whiskey Rebellion to the present the stories the paper covered reveal the history of Pittsburgh and the people who live there **Pittsburgh in Stages** Lynne Thompson Conner,2010-06-04 Pittsburgh has a rich and diverse

theatrical tradition from early frontier performances by officers stationed at Fort Pitt through experimental theater at the end of the twentieth century Pittsburgh in Stages offers the first comprehensive history of theater in Pittsburgh placing it within the context of cultural development in the city and the history of theater nationally By the time the first permanent theater was built in 1812 Pittsburgh had already established itself as a serious patron of the theatrical arts The city soon hosted New York and London based traveling companies and gained a national reputation as a proving ground for touring productions By the early twentieth century numerous theaters hosted popular priced productions of vaudeville and burlesque and theater was brought to the masses Soon after Pittsburgh witnessed the emergence of myriad community based theater groups and the formation of the Federation of Non Commercial Theatres and the New Theater League guilds designed to share resources among community producers The rise of local theater was also instrumental to the growth of African American theatrical groups Though victims of segregation their art flourished and was only later recognized and blended into Pittsburgh s theatrical melting pot Pittsburgh in Stages relates the significant influence and interpretation of urban socioeconomic trends in the theatrical arts and the role of the theater as an agent of social change Dividing Pittsburgh s theatrical history into distinct eras Lynne Conner details the defining movements of each and analyzes how public tastes evolved over time She offers a fascinating study of regional theatrical development and underscores the substantial contribution of regional theater in the history of American theatrical arts

The People and Times of Western Pennsylvania: 1806- 1811, 1988

Newsprint Metropolis Julia Guarneri, 2020-11-25 At the close of the nineteenth century new printing and paper technologies fueled an expansion of the newspaper business Newspapers soon saturated the United States especially its cities which were often home to more than a dozen dailies apiece Using New York Philadelphia Milwaukee and Chicago as case studies Julia Guarneri shows how city papers became active agents in creating metropolitan spaces and distinctive urban cultures Newsprint Metropolis offers a vivid tour of these papers from the front to the back pages Paying attention to much loved features including comic strips sports pages advice columns and Sunday magazines she tells the linked histories of newspapers and of the cities they served Guarneri shows how themed sections for women businessmen sports fans and suburbanites illustrated entire ways of life built around consumer products But while papers provided a guide to individual upward mobility they also fostered a climate of civic concern and responsibility Charity campaigns and metropolitan sections painted portraits of distinctive cohesive urban communities Real estate sections and classified ads boosted the profile of the suburbs expanding metropolitan areas while maintaining cities roles as economic and information hubs All the while editors were drawing in new reading audiences women immigrants and working class readers helping to give rise to the diverse contentious and commercial public sphere of the twentieth century Publisher s description

Literature of Journalism Price, Price, Warron C Price, 1959

Tomlin John Harris, 2023-11-21 In 2007 at the age of thirty four Mike Tomlin was hired as the head coach of the Pittsburgh Steelers Replacing Hall of Famer Bill Cowher and two

years removed from the team's Super Bowl XL victory there was immense pressure on the first year head coach who many fans and those in the media were largely unfamiliar with. After five seasons as an assistant for the Tampa Bay Buccaneers and a single season as the defensive coordinator for the Minnesota Vikings the hiring came as a surprise to many. From his first day at the helm numerous questions began to be asked. Was this young coach able to lead a veteran team that still had championship hopes? Could the newly hired soft spoken coach be able to fill the shoes of the great Cowher known for being brash and outspoken? Was his hiring based solely on the Rooney Rule named after Steelers owner Dan Rooney which states that every team must interview at least one minority candidate for their open head coaching position? Not only did Tomlin rise above the questions and criticism about his credentials he continued the franchise's reputation of excellence. The youngest coach to win a Super Bowl in only his second season at the helm Tomlin has yet to have a losing record in sixteen seasons with the team. He is also the second most tenured head coach in the league only behind Bill Belichick of the New England Patriots. But the question still unanswered is who is Mike Tomlin? Known for giving little to the media and keeping his thoughts and opinions private those outside the locker room and Steelers offices know little about the future Hall of Fame coach. Even as one of the most successful African American head coaches in NFL history and one that has handled numerous locker room personalities over the years much of what is written and reported about the coach is only above the surface. That's where John Harris comes in. A veteran journalist who covered Tomlin's hiring for the Pittsburgh Tribune Review Harris works to pull back the curtain on the mystique behind this coaching unicorn. Beginning with his days as a wide receiver at William Mary his several years in the college coaching ranks to getting hired by Hall of Fame coach Tony Dungy with the Buccaneers and his single season with the Vikings Tomlin shares how a young man from Hampton Virginia was able to establish himself as a leader of men in a business with so much turnover earned the respect from his peers and players and has continued to be someone that is looked up to by so many in the league. With interviews from former players coaches and executives Harris lets readers in on what it's like to play for Tomlin why he is or is not beloved in Pittsburgh and how his continued success has helped change the landscape of what NFL franchises look for in hiring a head coach. All from a man that chooses to give all the success to his players and coaches past and present than take it for himself exactly what every franchise hopes for from the leader of their team.

Hans Christian Andersen in American Literary Criticism of the Nineteenth Century Herbert Rowland, 2020-11-03 In *Hans Christian Andersen in American Literary Criticism of the Nineteenth Century* Herbert Rowland argues that the literary criticism accompanying the publication of Hans Christian Andersen's works in the United States compares favorably in scope perceptiveness and chronological coverage with the few other national receptions of Andersen outside of Denmark. Rowland contends that American commentators made it abundantly evident that in addition to his fairy tales Andersen wrote several novels travelogues and an autobiography which were all of more than common interest. In the process Rowland shows that American commentators naturalized Andersen in

the United States by confronting the sensationalism in the journalism and literature of the time with the perceived wholesomeness of Andersen's writing deploying his long fiction on both sides of the debate over the nature and relative value of the romance and the novel and drawing on three of his works to support their positions on slavery the Civil War and Reconstruction Partisans of the Southern Press Carl R. Osthaus,2021-12-14 Carl R Osthaus examines the southern contribution to American Press history from Thomas Ritchie's mastery of sectional politics and the New Orleans Picayune's popular voice and use of local color to the emergence of progressive New South editors Henry Watterson Francis Dawson and Henry Grady who imitated as far as possible the New Journalism of the 1880s Unlike black and reform editors who spoke for minorities and the poor the South's mainstream editors of the nineteenth century advanced the interests of the elite and helped create the myth of southern unity The southern press diverged from national standards in the years of sectionalism Civil War and Reconstruction Addicted to editorial diatribes rather than to news gathering these southern editors of the middle period were violent partisan and vindictive They exemplified and defended freedom of the press but the South's press was free only because southern society was closed This work broadens our understanding of journalism of the South while making a valuable contribution to southern history 1960 Pittsburgh Pirates Rick Cushing,2010-03 The Story of Pittsburgh and Vicinity: Illustrated ,1908 Remembering Pittsburgh Len Barcousky,2010-07-16 The doomed Whiskey Rebellion the Great Fire that destroyed a third of the city in 1845 and Lincoln's speech urging residents to shun talk of secession all have made the pages of the Pittsburgh Post Gazette and its predecessors Since 1786 the paper has covered local events and reporter Len Barcousky is a part of this long tradition This collection of his Eyewitness columns draws on next day stories to tell the history of the city from President Coolidge's almost silent visit in 1927 to a report on the first woman hanged in Allegheny County Join Barcousky as he vividly recounts the compelling history of the Steel City *The Western Pennsylvania Historical Magazine* ,1972 **A Traveler's Guide to Historic Western Pennsylvania** Lois Mulkearn,Edwin V. Pugh,2010-11-23 This book presents a county by county guide to historic landmarks in western Pennsylvania and how to reach them Twenty seven counties are included along with maps of each Along the way travelers will find historic forts residences of leading citizens old iron furnaces grist mills churches inns taverns tanneries and many other intriguing places Historians Lois Mulkearn and Edwin V Pugh personally visited each site and provide background vignettes on them offering interesting facts and highlights gathered from archival documents
