To whom it may concern:

I am writing to request reimbursement for covered services I received through Penny Lane, DNP, CNM, IBCLC and Believe Midwifery Services, LLC, which operates as a cash-only practice.

The services of Believe Midwifery are very cost effective. In Indianapolis, IN, a hospital birth with *no interventions* costs approximately \$ 14,000 to \$18,000. The cost of my homebirth was much less, and the care I received was much more time intensive and thorough.

Please also bear in mind that my labor included the complication of premature rupture of membranes (PROM) at X:XX PM on DAY, DATE. Our baby was born at X:XX PM on DAY, DATE - nearly 46 hours later. Management of PROM often includes admission to hospital with increased duration of stay, administration of antibiotics, induction of labor, and cesarean section at 24 hours after rupture. This would most likely create expenses exceeding \$35,000. However, due to the evidence based care and careful management of Believe Midwifery Services, I was able to remain at home and safely deliver our baby, infection free, nearly 46 hours after rupture, for 1/6 of the cost.

I am seeking reimbursement for my out of pocket maternity expenses totaling \$5903.00.

I am enclosing the invoice from Believe Midwifery Services as well as a claim outlining services we received.

Thank you in advance for your cooperation. I'd be happy to answer any further questions and can be reached at: (XXX) XXX-XXXX

Sincerely,
