Place-Names John Everett-Heath,2018-09-13 There is no populated place without a name and every name is chosen for a reason This fascinating dictionary unveils the etymological roots and history of thousands of locations and landmarks from around the world It contains over 11 000 entries and covers an enormous range of country region island city town mountain and river names from across the world as well as the name in the local language Place names are continually changing and new names are adopted for many different reasons such as invasion revolution and decolonization The Concise Dictionary of World Place Names includes selected former names and where appropriate some historical detail to explain the transition The names of places often offer a real insight into the places themselves revealing religious and cultural traditions the migration of peoples the ebb and flow of armies the presence of explorers local languages industrial developments and topography Superstition and legend can also play a part This new edition has been updated to include over 750 new names including Azincourt Kropyvnyts kyy and Tlaxcala It has also been edited to reflect socio political and geographical shifts notably the reorganisation of the French regions and their consequent name alterations as well as the decommunization of Ukrainian place names In addition to the entries themselves the dictionary includes two appendices a glossary of foreign word elements which appear in place names and their meanings and a list of personalities and leaders from all over the world who have influenced the naming of places *Place-names of Canada* George Johnson,1898 Dictionary of Canadian Place Names Alan Rayburn,1997 This handy and entertaining A Z guide explains the nomenclature of more than 5 000 cities towns and geographical features in Canada **Minnesota Place Names** Warren Upham,2001 Tells the stories behind more than 20 000 names of towns and cities townships and counties lakes and rivers of the North Star state of Minnesota

Place-names of Alberta Canadian Board on Geographical Names,1928 Includes names of all cities towns villages and municipal districts post offices railway stations and rivers streams lakes and mountains *Community Place Names of Alberta* Ernest G. Mardon,Austin Mardon,2010 This expanded third edition of Community Names of Alberta gives a comprehensive description of community names of Alberta Tracing the etymology of Alberta s communities provides a significant historical and cultural insight into Alberta s phases of history Complete with locations this book details the origins of community names in Alberta **Indigenous and Minority Placenames** Ian D. Clark,Luise Hercus,Laura Kostanski,2014-08-01 This book showcases current research into Indigenous and minority placenames in Australia and

internationally Many of the chapters in this volume originated as papers at a Trends in Toponymy conference hosted by the University of Ballarat in 2007 that featured Australian and international speakers The chapters in this volume provide insight into the quality of toponymic research that is being undertaken in Australia and in countries such as Canada Finland South Africa New Zealand and Norway The research presented here draws on the disciplines of linguistics geography history and anthropology The book includes meticulous studies of placenames in central NSW and the Upper Hunter region Gundungurra cave names western Arnhem Land Northern Cape York Peninsula and Mount Wheeler in Queensland saltwater placenames around Mer in the Torres Strait and the Kurna in South Australia Place Names of Alberta Aphrodite Karamitsanis, Tracey Harrison, Merrily K. Aubrey, 1991 Four volume set Native American Placenames of the United States William Bright, 2004 This volume combines historical research and linguistic fieldwork with native speakers from across the United States to present the first comprehensive up to date scholarly dictionary of American placenames derived from native languages Linguist William Bright assembled a team of twelve editorial consultants experts in Native American languages and many other native contributors to prepare this lexicon of eleven thousand placenames along with their etymologies New data from leading scholars make this volume an invaluable reference for students of American Indian culture folklore and local histories Bright s introduction explains his methodology and the contents of each entry This comprehensive alphabetical lexicon preserves native language as it details the history and culture found in American indian placenames *The Origin and Meaning of Place Names in Canada* George Henry Armstrong, 2022-08-16 In *The Origin and Meaning of Place Names in Canada* George Henry Armstrong embarks on an exhaustive exploration of the etymology and significance of Canadian toponyms Through a meticulous analysis of historical documents Indigenous languages and colonial nomenclature Armstrong illuminates how place names reflect the rich tapestry of Canada s cultural and geographical landscape The book s literary style is scholarly yet accessible deftly weaving together narrative storytelling with academic rigor making it an indispensable resource for historians linguists and geography enthusiasts alike By situated meticulously in the early 20th century context of Canadian nationalism and identity formation it reflects an era keen on understanding its roots and cultural heritage George Henry Armstrong a prominent scholar and geographer spent much of his life traversing Canada s vast expanses providing him with a profound awareness of its diverse cultures and histories His own background in both history and geography informs this work as he sought not only to document but also to celebrate the historical layers embedded in the names of Canadian locales thereby contributing significantly to the fields of Canadian studies and linguistics Armstrong s book is a treasure trove for anyone interested in the intricate interplay of language culture and history in Canada Whether you are a scholar a student or simply a curious reader *The Origin and Meaning of Place Names in Canada* offers profound insights that deepen our understanding of this vibrant nation Discover how each place name tells a story of its own and adds to the collective mosaic of Canadian identity **Oddest Place Names** Jasper Holt, AI, 2025-03-31 *Oddest Place Names* explores the

captivating world of toponymy revealing the stories and cultural significance behind unusual place names This book isn't just a list of oddities it's a journey into the histories and meanings embedded within these names Did you know some towns were named due to linguistic mishaps and others after historical figures long forgotten The book argues that a place's name is a condensed narrative reflecting its history and the values of its inhabitants The book progresses thematically examining funny repetitive and unexpectedly sourced names Each chapter delves into case studies analyzing the origins and significance of specific place names By studying these names we uncover insights into migration patterns linguistic shifts and even the humor of early settlers For instance repetitive place names can reveal patterns in naming conventions much like echoes in a historical hall This approach sets the book apart focusing on the narrative potential of place names rather than just cataloging them Ultimately *Oddest Place Names* provides a unique lens for understanding human history It connects linguistics history and cultural anthropology offering a holistic view of how place names shape our understanding of cultural identity and historical memory The book aims to show how seemingly strange or funny place names are actually windows into the past
