Plain Living A Quaker Path To Simplicity

Catherine Whitmire

Plain Living A Quaker Path To Simplicity:

Plain Living Catherine Whitmire, 2001 Must reading for anyone feeling too busy or too stressed and seeking to simplify their life to listen to the longings of their heart Most of us living in this complex and time pressured era have moments when we wish we were living simpler more meaningful lives Sometimes these wishes are fleeting desires but for many today the search for a life of greater simplicity and meaning has developed into a deep longing There are many routes to simplicity This book focuses on and provides direction to the gimmick free spiritual path followed by Quakers For over three centuries Quakers have been living out of a spiritual center in a way of life they call plain living Their accumulated experiences and distilled wisdom have much to offer anyone seeking greater simplicity today Plain Living is not about sacrifice It s about choosing the life you really want a form of inward simplicity that leads us to listen for the still small voice of God This book goes beyond the merely trendy to make the by now well worn Quaker path to plain living accessible to everyone **The Living Church**, 2001-07 *The Quakers in America* Thomas D. Hamm, 2003 The Quakers in America is a multifaceted history of the Religious Society of Friends and a fascinating study of its culture and controversies today Lively vignettes of Conservative Evangelical Friends General Conference and Friends United meetings illuminate basic Quaker theology and reflect the group s diversity while also highlighting the fundamental unity within the religion Quaker culture encompasses a rich tradition of practice even as believers continue to debate whether Quakerism is necessarily Christian where religious authority should reside how one transmits faith to children and how gender and sexuality shape religious belief and behavior Praised for its rich insight and wide ranging perspective The Quakers in America is a penetrating account of an influential vibrant and often misunderstood religious sect Known best for their long standing commitment to social activism pacifism fair treatment for Native Americans and equality for women the Quakers have influenced American thought and society far out of proportion to their relatively small numbers Whether in the foreign policy arena the American Friends Service Committee in education the Friends schools or in the arts prominent Quakers profiled in this book include James Turrell Bonnie Raitt and James Michener Quakers have left a lasting imprint on American life This multifaceted book is a concise history of the Religious Society of Friends an introduction to its beliefs and practices and a vivid picture of the culture and controversies of the Friends today The book opens with lively vignettes of Conservative Evangelical Friends General Conference and Friends United meetings that illuminate basic Quaker concepts and theology and reflect the group s diversity in the wake of the sectarian splintering of the nineteenth century Yet the book also examines commonalities among American Friends that demonstrate a fundamental unity within the religion their commitments to worship the ministry of all believers decision making based on seeking spiritual consensus rather than voting a simple lifestyle and education Thomas Hamm shows that Quaker culture encompasses a rich tradition of practice even as believers continue to debate a number of central questions Is Quakerism necessarily Christian Where should religious authority reside Is the self sacred How does one

transmit faith to children How do gender and sexuality shape religious belief and behavior Hamm s analysis of these debates reveals a vital religion that prizes both unity and diversity *Cross-Shaped Leadership* John A. Berntsen,2008-11-07 For Lutheran pastor John Berntsen the cross is about more than the crucifixion on Good Friday It is shorthand for the whole drama of salvation God s decisive act of reconciling the world to God s own self The cross is dying and rising with Christ but at a deeper level it is the story of the world s resistance to grace Those who lead are subject to the cross no less than others In contrast with the current fashion for visionary or purpose driven leaders cross shaped leaders are not primarily the providers of master plans nor are they master builders Cross shaped leadership is provisional contextual and fallible open ended ministry that has the character of a pilot project It is always under construction and revision Our moment by moment functioning in ministry is subject to countless deaths and resurrections few of which are heroic or glorious But Berntsen offers good news within this potentially dismal perspective He writes Once we ve accepted the truth that ministry is hard even impossible once we ve stopped living in denial of this reality or perhaps whining about it it becomes the truth that sets us free We cease being gloomy servants weighed down by our resentful conviction that we are all alone in our work the closet atheism born of the worry If I don t do it nobody will and instead become joyful coworkers of a strong wise and consoling Lord With optimism humor and deep empathy Berntsen s Cross Shaped Leadership offers hope and challenge in the midst of the rough and tumble of parish practice **Speaking to the Soul** Vicki K. Black,2009-09 The flourishing website EpiscopalCafe.org produced by the Diocese of Washington attracts several thousand visitors a day Its popular column Speaking to the Soul which contains a concise well developed spiritual reflection for every day of the year draws from many different sources including scripture church history saints biographies books of prayers liturgies and ancient and contemporary theologians and spiritual writers This daily reader grew out of that column It follows the Episcopal Church s liturgical seasons and includes observation of major feast days as well as saints days The reading for a particular saint s day might be taken from the saint s writings prayers or biography or might develop a theme such as martyrdom or growth in the spirit Other readings focus on particular emphases of the seasons the Incarnation during Advent and Christmas spiritual disciplines during Lent or speak more generally to the Christian life prayer discipleship ministry the sacraments conflict and reconciliation and so on Readings are taken from every century of the church s life with particular attention to how the writings and experiences of earlier Christians can shed light on the difficulties joys and concerns of the church today Excerpts are long enough to give a satisfying and complete context of the writer s intended meaning *The Grateful Heart* WILKIE AU and NOREEN CANNON AU,2013-01-08 **Quakerism, Its Legacy, and Its Relevance for Gandhian Research** Satish Sharma,2017-11-06 This elaborate book explores Quakerism its legacy and its relevance for Gandhian research The topics covered here include the historical circumstances conditions and thought that led to the birth of Quakerism the seeds and history of the movement the themes principles and practices of the sect and the aid change reform

and conciliation efforts Quakers made to make people communities and nations more tolerant problem free and united As such the book will appeal to scholars planners policy makers and practitioners concerned with the boundaries of liberties freedoms pacifism peace and justice across people communities and nations Simplicity Lessons Linda Breen Pierce,2003 Simplicity Lessons is a practical guide for those who long for a slower pace of life with more time for relationships fulfilling work and living ones dreams Working on your own or as part of a simplicity study group you will explore the major a The Complete Idiot's Guide to Christianity Jeffrey B. Webb Ph.D.,2004-03-02 A comprehensive look at the Christian religion From the roots of Catholicism and the three streams of Protestantism to Fundamentalism Evangelicalism the Charismatic movement and New Age Christianity this essential source helps readers define what Christianity is all about in the 21st century In this Complete Idiot s Guide you get Simple explanations of the geographical and cultural factors that divide the Christian faith Faithful insights into what Catholics Episcopalians Baptists and others believe and why All the information you need to decide which church is right for you Foolproof facts about what fundamentalists believe about the Bible other Christians and the wider world especially politics **Friends Journal** ,2007 The to Z of the Friends (Quakers) Margery Post Abbott,Mary Ellen Chijioke,Pink Dandelion,John W. Oliver Jr.,2006-03-23 Although relatively few in number there are only a few hundred thousand members worldwide the Religious Society of Friends has had an unusually strong impact Originating in Great Britain in the 17th century the denomination has since expanded to many other parts of the world while its spiritual influence has reached even further Concepts such as the inward light and friendly persuasion are familiar well beyond their own circles and others have often heeded the Quakers call for cooperation and peaceful resolution of problems as the wisest counsel Yet while widely known and admired they are too often known only superficially The A to Z Guide of the Friends Quakers clears up these superficialities by digging much deeper into the Society s past as well as present In the guide s dictionary section numerous cross referenced entries describe the origins and history the situation in many different countries the basic concepts and practices and the views on important contemporary issues Others present the leading figures from the founders such as George Fox and Francis Howgill on The chronology shows the progression over time while the bibliography points the way to further reading The book s four editors were aided by an Advisory Committee while the contributions stem from over a hundred authors **Get Satisfied** Carol Holst,2011-10-11 What do Americans need that most eludes them It s not a tank of cheap gas as astonishing as that would be or ever earlier pre holiday sales What Americans need most and most of them know it is satisfaction especially the satisfaction of enough So when the call for submissions to this book went out the mainstream response was enthusiastic From the outpouring of personal stories submitted the editorial committee chose these twenty to represent the broadest possible spectrum of Americans who have sought and found a simpler more satisfying life **Historical Dictionary of the Friends (Quakers)** Margery Post Abbott,Mary Ellen Chijioke,Pink Dandelion,John William Oliver,2011-12-01 The modern reputation of Friends in the United

States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful *The Rooted Life* Mark Mah,2019-07-01 To

thrive spiritually we need to learn from the trees Each part of the tree its roots trunk branches leaves and seeds gives valuable insights into the Christian life The roots which are critical to the tree s health and invisible to the naked eye refer to the need to develop the inner life of the Christian The root system shared among neighboring trees highlights the importance of communal living among Christians The trunk which is mainly used for wood and has rings in it points to the need for Christians to live sacrificially and to review their lives periodically The branches instruct Christians to draw strength from Christ by abiding in him The leaves call on Christians to be thankful and to seek rejuvenation of their souls when they enter a dry patch in their spiritual lives The seed that falls to the ground and dies challenges Christians to stay put and wait on God in order to gain a foothold in their spiritual lives This book will convince us to look at trees in a different light We begin to appreciate trees which we have taken for granted for their silent wisdom **Grateful Heart, The: Living the Christian**

Message Wilkie Au,Noreen Cannon Au,2014-05-14 Integrating the findings of modern psychology and traditional Christian spirituality this book presents a spirituality of gratitude that can guide contemporary Christians in living with an expanded awareness of how grace abounds everywhere as well as the personal and cultural hurdles that stand in the way of being grateful *The Peace God Promises* Ann Spangler,2011-09-27 If God has promised to give us the peace that passes

understanding why do we sometimes feel so anxious What are we so afraid of Are there ways of living that lead to peace Conversely are there ways of thinking and acting that lead to anxiety and a conflicted life How does Jesus embody peace and where did his peace come from The Peace God Promises sets our longings for peace beside God s promise to provide it In her desire to experience greater peace bestselling author Ann Spangler probes these and other questions Exploring the stories that shape us the memories that define us and the relationships that connect us she looks for ways to help us become more

peaceful What can we learn from Scripture from Jewish tradition from the Amish and others about rest simplicity healing and peace The stories she shares and the answers she discovers may surprise you If you put them into practice they may even transform you enabling you to experience the peace God wants you to have **The Quaker World** C. Wess

Daniels,Rhiannon Grant,2022-11-04 The Quaker World is an outstanding comprehensive and lively introduction to this complex Christian denomination Exploring the global reach of the Quaker community the book begins with a discussion of the living community as it is now in all its diversity and complexity The book covers well known areas of Quaker development such as the formation of Liberal Quakerism in North America alongside topics which have received much less scholarly attention in the past such as the history of Quakers in Bolivia and the spread of Quakerism in Western Kenya It includes over sixty chapters by a distinguished international and interdisciplinary team of contributors and is organised into three clear parts Global Quakerism Spirituality Embodiment Within these sections key themes are examined including global Quaker activity significant Quaker movements biographies of key religious figures important organisations pacifism politics the abolition of slavery education industry human rights racism refugees gender disability sexuality and environmentalism The Quaker World provides an authoritative and accessible source of information on all topics important to Quaker Studies As such it is essential reading for students studying world religions Christianity and comparative religion and it will also be of interest to those in related fields such as sociology political science anthropology and ethics The One Year Devotions for Women Ann Spangler,2012-08-17

Don't we all want just a little more peace in our lives Peace in relationships Peace at home and at work Peace from painful memories Release from pressures and demands that threaten to crush us What if we could build a moment of peace into every day of the year opening our hearts to the peace God has promised Wouldn't it be great to live with less fear and anxiety and with more confidence and joy The One Year Devotions for Women is a chance to spend time with God every day to breathe deeply and grab on to the kind of peace that only God can offer a peace far richer and more satisfying than anything we can hope or imagine Each of these uplifting devotions includes a key Scripture verse a devotional reading and a suggested prayer for connecting with God Decision Making & Spiritual Discernment Nancy L. Bieber,2012-12-14

Stay spiritually grounded and open to divine wisdom as you shape your life To make wise decisions we need the aid of that wise and loving Spirit whose wisdom and light exceed our own With the Spirit illuminating the complexities of our decisions we can see and understand more about ourselves and our choices from the Introduction Spiritual discernment is the traditional name for listening and responding to divine guidance In this book you will approach decision making as an active participant a co creator with God in shaping your life Drawing on twenty five years of experience as a psychologist and fifteen years as a spiritual director Nancy L Bieber presents three essential aspects of Spirit led decision making Willingness being open to God's wisdom and love Attentiveness noticing what is true discerning the right path Responsiveness taking steps forward as the way becomes clear With gentle encouragement Bieber shows how to weave

these themes together to discover the best path for you Each chapter is enriched by practical spiritual exercises to help you understand yourself and your specific situation as well as to strengthen spiritual discernment as a daily way of life An appendix includes a detailed guide for using the book in group study

Finding the Peace God Promises Ann Spangler, 2014-09-23 If God has promised to give us the peace that passes understanding why do we sometimes feel so anxious What are we so afraid of Are there ways of living that lead to peace Conversely are there ways of thinking and acting that lead to anxiety and a conflicted life How does Jesus embody peace and where did his peace come from Finding the Peace God Promises sets our longings for peace beside God's promise to provide it Exploring the stories that shape us the memories that define us and the relationships that connect us bestselling author Ann Spangler looks for ways to help us become more peaceful What can we learn from Scripture from Jewish tradition from the Amish and others about rest simplicity healing and peace The stories she shares and the answers she discovers may surprise you enabling you to experience the transformative peace God wants you to have
