

The One I Love

*I can't imagine my life without you...
No one to talk to when I'm feeling blue,
No one to laugh with at every day things,
No one to share all the joy that life brings.*

*No hand to hold as I'm walking along,
No one to turn to, who's caring and strong.
No goodnight kiss at the end of the day,
No one to chase all my worries away.*

*I'd be so lost without you by my side,
Like a leaf in the wind, or a shell in the tide.
My reasons to smile would soon disappear,
If you weren't in my life, if you weren't always near.*

*You are my partner, my lover, my friend,
My story's beginning, my fairy tale end...
The one who completes me, devoted & true,
And I'll spend the rest of my life loving you!*

P. Woodhouse, 1970 **Selected Poems of Lawrence Durrell** Lawrence Durrell, 2011-12-15 In this new selection from the poetry of Lawrence Durrell the first for thirty years Peter Porter has drawn on the full range of the published work from *A Private Country* 1943 to *Vega* 1973 and has provided a long overdue revaluation of Durrell's poetic career In his detailed and generous introduction Porter makes the case for *A Private Country* as one of the most accomplished debut collections of the twentieth century and traces Durrell's preoccupations and poetic personality within the wider scene The selection of poems makes its own strong case for the continuing power and originality of this attractive metropolitan and wholly individual body of work **Poems for Life**, 2011-12-01 What is your favorite poem That is the question students from two fifth grade classes at a New York grade school asked famous people to whom they had written Their idea the students explained was to put together a book that would benefit the Women's Commission for Refugee Women and Children The students were also studying poems in class and wanted to know if anybody still in fact read and gained insight from poetry Touched by this appeal to their hearts minds and memories fifty celebrities responded to their inquiries including Geraldine Ferraro Allen Ginsberg Rudi Giuliani Peter Jennings Angela Lansbury Yo Yo Ma Isabella Rossellini Diane Sawyer Ally Sheedy Kurt Vonnegut and Tom Wolfe The poems they offer range from John Donne to Langston Hughes but their letters all express hope that the students and readers of this wonderful gift book will read and take inspiration from the poetry of past and present Of all the words that have stuck to the ribs of my soul poetry has been the most filling writes Anna Quindlen in her introduction and this beautiful inspiring collection of poetry is the perfect expression of how poets can influence and shape our lives *The Works of Edmund Spenser: The minor poems, v. 1* Edmund Spenser, 1947 *Poems* Oliver Wendell Holmes, 1909 **Poems Edited with Introductions, Various Readings and Notes by J. by allowing the reader to engage with a dozen poems in alternative versions in many other cases it provides significant variants so that Yeats's struggle to revise his poetry can be experienced with unusual immediacy

religion on politics on society on domestic social affairs and on mourning The poems are arranged chronologically within each cluster The volume closes with Anne Wentworth's pamphlet *England's Spiritual Pill* *Tennyson's Rapture* Cornelia D. J. Pearsall, 2008-01-29 In the wake of the death of his friend Arthur Henry Hallam the subject of *In Memoriam* Alfred Tennyson wrote a range of intricately connected poems many of which feature pivotal scenes of rapture or being carried away This book explores Tennyson's representation of rapture as a radical mechanism of transformation theological social political or personal and as a figure for critical processes in his own poetics The poet's fascination with transformation is figured formally in the genre he is credited with inventing the dramatic monologue Tennyson's *Rapture* investigates the poet's previously unrecognized intimacy with the theological movements in early Victorian Britain that are the acknowledged roots of contemporary Pentecostalism with its belief in the oncoming Rapture and its formative relation to his poetic innovation Tennyson's work recurs persistently as well to classical instances of rapture of mortals being borne away by immortals Pearsall develops original readings of Tennyson's major classical poems through concentrated attention to his profound intellectual investments in advances in philological scholarship and archeological exploration including pressing Victorian debates over whether Homer's raptured Troy was a verifiable site or the province of the poet's imagination Tennyson's attraction to processes of personal and social change is bound to his significant but generally overlooked Whig ideological commitments which are illuminated by Hallam's political and philosophical writings and a half century of interaction with William Gladstone Pearsall shows the comprehensive engagement of seemingly apolitical monologues with the rise of democracy over the course of Tennyson's long career Offering a new approach to reading all Victorian dramatic monologues this book argues against a critical tradition that sees speakers as unintentionally self-revealing and ignorant of the implications of their speech Tennyson's *Rapture* probes the complex aims of these discursive performances and shows how the ambitions of speakers for vital transformations in themselves and their circumstances are not only articulated in but attained through the medium of their monologues
