Poems Of A Lifetime:

Poems of a Lifetime Addie Cunningham, 2013-05-01 All I ever wanted is in you the love laughter a pillow for my fears I want to give and be given to So I might feel myself flow through the fears alive in you the wonder of my tears Single Hound Emily Dickinson, 2018-10-09 When Emily Dickinson died in 1886 having published only a tiny selection of her verse anonymously in journals and newspapers she left behind a chest containing almost 1 800 poems written on notebooks and loose sheets Her family members starting with her sister Lavinia began editing and compiling them for publication and one of the most celebrated collections The Single Hound was prepared by her niece Martha Dickinson Bianchi and published in 1914 This volume containing some of Dickinson s most original and poignant pieces helped cement her reputation as one of America s most important poets Sparse and experimental yet accessible and intimate the compositions included in The Single Hound provide an ideal introduction to Dickinson s genius **Poems of a Lifetime** David E. Moving Into Forever Bill Hopkins, 2008-04-27 **Musings of the Past** Premie Nair, 2020-11-24 Each day is a little step in this journey called life Although life has a way of overwhelming us with its mundane and practical aspects yet in each day there is joy there is beauty and there is a childlike innocence waiting to be discovered Through the beauty of nature and the many changing seasons and within the bonds of different relationships that we foster there are many treasured moments to be found and cherished These countless little moments are timeless yet precious and leaves an imprint in our minds and hearts Perhaps this is the real meaning of a lifetime well lived This anthology of poems captures these precious moments through the gentle passing of time Within each poem find memories love loss friendship and much more All of which makes this a lifetime to remember *Ten Poems to Last a Lifetime* Roger Housden, 2007-12-18 The fourth volume in the popular series that began with Ten Poems to Change Your Life Ten Poems to Last a Lifetime focuses on what it means to be truly human In it Roger Housden offers us poems on life and death happiness seeing ourselves in relation to the world and of course the ineffable the things that really matter when the chips are down He describes these passionate poems as bread for the soul and fire for the spirit The poets Housden has chosen are Billy Collins Hayden Carruth Dorianne Laux James Wright Naomi Shihab Nye and Mary Oliver from the United States D H Lawrence and John Keats from England Rainer Maria Rilke from Germany Fleur Adcock from New Zealand and Seng Ts an from sixth century China And yes that adds up to eleven not ten Housden decided to include a bonus poem for his faithful readers in this the final volume of the series As before Housden s luminous essays provide an elegant and easy passage into the sometimes daunting world of poetry enabling readers to feel that in him they have found a trusted guide and mentor **The Epic of Life** Albert Fletcher Bridges, 1929 *The Single Hound; Poems of a Lifetime* Emily Dickinson, Martha Dickinson Bianchi, 2017-11-28 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and

A Lifetime of Love and Other Poems Don Mirabel,2011-02-16 This volume of lifetime poems traces the awakening and development of love in one man s journey of fifty eight years through married life Now eighty years old he is still discovering how love evolves with age and is attempting to capture each new revelation and process it through his unique poetic filter He is a devotee of the sonnet form and you will find that the majority of his poems are sonnets written in every standard rhyme sequence In several instances he even experiments with unusual rhyme schemes In the second part of the book Other Poems the author explores other aspects of the human condition Where he feels it necessary to clarify the subject of a poem or explain its origin he provides an explanatory preface or footnote This book is Mr Mirabel s debut anthology although he has been urged by family and friends for many years to publish his poetry His reason for finally succumbing to the pressure It would be nice to be discovered while I am still alive and able to be aware of it rather than after I m gone and never to know it
