Edgar Allan Poe Richard Kopley, 2025-03-18 A groundbreaking exploration of one of America's most iconic and misunderstood authors Edgar Allan Poe A Life is the most comprehensive critical biography of Poe yet produced exploring his fascinating life his extraordinary work and the vital relationship between the two Best known for his tales of mystery and the macabre found in such works as The Raven Annabel Lee and The Tell Tale Heart this legendary American author continues to intrigue and enthrall his devoted readers Written by one of the world's leading Poe experts this biography is a rich and rewarding study for the general reader as well as for the seasoned scholar Richard Kopley combines a biographical narrative of Poe's enduring challenges including his difficult foster father his personal losses his great struggles with depression and alcoholism and the poverty that dogged his existence with close readings of his work that focus not only on plot character and theme but also on language allusion and structure in a way that enhances our understanding of both While incorporating past Poe scholarship this volume also relates unknown stories of Poe culled from privately held letters unavailable to previous biographers presenting a range of groundbreaking archival discoveries that illuminate the man and his oeuvre in ways never before possible

Poe in His Own Time Benjamin F. Fisher, 2010-05-15 An image of Edgar Allan Poe 1809-1849 as a man of gloom and mystery continues to hold great popular appeal Long recognized as one of the greats of American literature he elicited either highly commendatory or absolutely hostile reactions from many who knew him from others who claimed to comprehend him as person or as writer and from still others who circulated as fact opinions intuited from his writings Whether promoting him as angel or demon a man of great and original genius or extraordinarily wicked the viewpoints in this dramatic collection of primary materials provide vigorous testimony to support the contradictory images of the man and the writer that have prevailed for a century and a half Noted Poe scholar Benjamin Fisher includes a comprehensive introduction and a detailed chronology of Poe's sadly short life each entry is introduced by a short headnote that places the selection in historical and cultural context and explanatory notes provide information about people and places From John Allan's letter to Secretary of War John Eaton about Poe's West Point life to John Frankenstein's hostile verse casting him as an alcoholic from Rufus Griswold's first and second posthumous vilifications to James Russell Lowell's more sensible outline of his life and career from scornful to commendable reviews to scathing attacks on his morals to recognition of his comic achievements Fisher has gathered a lively array of materials that read like the most far fetched of gothic tales Poe himself was creative when he supplied information to others about his life and literary career and the speculative content of many of the portrayals presented in this collection read as if their authors had set out to be equally creative The sixty nine

recollections gathered in *Poe in His Own Time* form a dramatic real time biographical narrative designed to provide a multitude of perspectives on the famous author sometimes in conflict with each other and sometimes in agreement but always arresting *Fallen Angel* Robert Morgan, 2023-11-15 Over 170 years after his death Edgar Allan Poe remains a figure of enduring fascination and speculation for readers scholars and devotees of the weird and macabre In *Fallen Angel* acclaimed novelist and poet Robert Morgan offers a new biography of this gifted complicated author Focusing on Poe's personal relationships Morgan chronicles how several women influenced his life and art Eliza Poe his mother died before he turned three but she haunted him ever after The loss of Elmira Royster Shelton his first and last love devastated him and inspired much of his poetry Morgan shows that Poe known for his gothic and supernatural writing was also a poet of the natural world who helped invent the detective story science fiction analytical criticism and symbolist aesthetics Though he died at age forty Poe left behind works of great originality and vision that *Fallen Angel* explores with depth and feeling

Prospects for the Study of American Literature Richard Kopley, 1997-08 What can there possibly be left to say about This common litany resonant both in and outside of academia reflects a growing sense that the number of subjects and authors appropriate for literary study is rapidly becoming exhausted Take heart admonishes Richard Kopley in this dynamic new anthology for this is decidedly not the case While generations of literary study have unquestionably covered much ground in analyzing canonical writers many aspects of even the most well known authors both their lives and their work remain underexamined Among the authors discussed are T S Eliot Ralph Waldo Emerson William Faulkner Harriet Beecher Stowe Walt Whitman Ernest Hemingway Richard Wright Edith Wharton Nathaniel Hawthorne Zora Neale Hurston Henry James Willa Cather Herman Melville Edgar Allan Poe Henry David Thoreau and Mark Twain **Encyclopedia of American**

Poetry: The Nineteenth Century Eric L. Haralson, 2014-01-21 With contributions from over 100 scholars the *Encyclopedia of American Poetry The Nineteenth Century* provides essays on the careers works and backgrounds of more than 100 nineteenth century poets It also provides entries on specialized categories of twentieth century verse such as hymns folk ballads spirituals Civil War songs and Native American poetry Besides presenting essential factual information each entry amounts to an in depth critical essay and includes a bibliography that directs readers to other works by and about a particular poet *The Cryptographic Imagination* Shawn James Rosenheim, 2020-03-24 Originally published in 1996 In *The Cryptographic Imagination* Shawn Rosenheim uses the writings of Edgar Allan Poe to pose a set of questions pertaining to literary genre cultural modernity and technology Rosenheim argues that Poe's cryptographic writing his essays on cryptography and the short stories that grew out of them requires that we rethink the relation of poststructural criticism to Poe's texts and more generally reconsider the relation of literature to communication Cryptography serves not only as a template for the language character and themes of much of Poe's late fiction including his creation the detective story but also as a secret history of literary modernity itself Both postwar fiction and literary criticism the author writes are deeply

indebted to the rise of cryptography in World War II Still more surprising in Rosenheim's view Poe is not merely a source for such literary instances of cryptography as the codes in Conan Doyle's *The Dancing Men* or in Jules Verne but through his effect on real cryptographers Poe's writing influenced the outcome of World War II and the development of the Cold War However unlikely such ideas sound *The Cryptographic Imagination* offers compelling evidence that Poe's cryptographic writing clarifies one important avenue by which the twentieth century called itself into being The strength of Rosenheim's work extends to a revisionistic understanding of the entirety of literary history as a repression of cryptography and then in a breathtaking shift of register interlinks Poe's exercises in cryptography with the hyperreality of the CIA the Cold War and the Internet What enables this extensive range of applications is the stipulated tension Rosenheim discerns in the relationship between the forms of the literary imagination and the condition of its mode of production Cryptography in this account names the technology of literary production the diacritical relationship between decoding and encoding that the literary imagination dissimulates as hieroglyphics the hermeneutic relationship between a sign and its content Donald E Pease Dartmouth College

The Letters of Margaret Fuller Margaret Fuller, 2018-10-18 From 1844 to 1847 Margaret Fuller served as review editor for Horace Greeley's *New York Herald Tribune* and herself reviewed books by Edgar Allan Poe and Herman Melville among others and published *Papers on Literature and Art* a volume of her own essays She became known as something of a radical in literary circles allying herself with George Sand Emerson and Goethe and with the Young America poets Evert A Duyckinck Cornelius Mathews and William Gilmore Simms In August 1846 Fuller left for Europe with her friends Marcus and Rebecca Spring Her letters describe her meetings there with Thomas Carlyle George Sand Lamennais and the aging Wordsworth and with such political figures as the exiles Giuseppe Mazzini and Adam Mickiewicz Often the letters expand upon topics addressed in her public writing Her life in these years however is dominated by her love for the German businessman James Nathan The nearly fifty letters she wrote to him in 1845 and 1846 show her startling willingness to take a subservient role and her longing for emotional acceptance Dreams of a lasting relationship with Nathan end in Europe with his betrothal to another woman but by the spring of 1847 she had recovered from her deep disappointment and gone on to achieve great personal growth both in her consciousness of herself as a woman and in political awareness By the time this volume comes to a close she has met Giovanni Ossoli a man who shares her ideals and offers her emotional security

Anthologizing Poe Emron Esplin, Margarida Vale de Gato, 2020-08-06 This collection explores how anthologizers and editors of Edgar Allan Poe play an integral role in shaping our conceptions of Poe as the author we have come to recognize revere and critique today In the spheres of literature and popular culture Poe wields more global influence than any other U S author This influence however cannot be attributed solely to the quality of Poe's texts or to his compellingly tragic biography Rather his continued prominence as a writer owes much to the ways that Poe has been interpreted portrayed and packaged by an extensive group of mediators ranging from anthologizers editors translators and fellow writers to literary

critics filmmakers musicians and illustrators In this volume the work of presenting Poe's texts for public consumption becomes a fascinating object of study in its own right one that highlights the powerful and often overlooked influence of those who have edited anthologized translated and adapted the author's writing over the past 170 years **Midnight Dreary** John Evangelist Walsh, 2000-05-05 The 150th anniversary of the greatest Edgar Allan Poe mystery of all his death is finally put to rest **Handbook of American Poetry** Sabine Sielke, 2025-01-27 This handbook offers scholars an overview of the state of research and students a sense of how American poetry from its first forms evolving in the 17th century settler colonies to its current digital modes has addressed issues and experiences central to human consciousness and to political life over five centuries of cultural practice At the same time it aims to show how poetry philosophy and theory have always been involved in productive dialogues Fuller in Her Own Time Joel Myerson, 2008-09 Writer editor journalist educator feminist conversationalist and reformer Margaret Fuller 1810-1850 was one of the leading intellectuals of nineteenth century America as well as a prominent member of Concord literary circles Yet the challenging spirit behind her intellectual confidence and mesmerizing energy led to the invention of an unbalanced legacy that denied her a place among the canonical Concord writers This collection of first hand reminiscences by those who knew Fuller personally rescues her from these confusions and provides a clearer identity for this misrepresented personality The forty one remembrances from Nathaniel Hawthorne Oliver Wendell Holmes Ralph Waldo Emerson Thomas Carlyle Harriet Martineau Henry James and twenty four others chart Fuller's expanding influence from schooldays in Boston meetings at the Transcendental Club teaching in Providence and Boston work on the New York Tribune publications and conversations travels in the British Isles and life and love in Italy before her tragic early death Joel Myerson's perceptive introduction assesses the pre and postmortem building of Fuller's reputation as well as her relationship to the prominent Transcendentalists reformers literati and other personalities of her time and his headnotes to each selection present valuable connecting contexts The woman who admitted that at nineteen she was the most intolerable girl that ever took a seat in a drawing room whose *Woman in the Nineteenth Century* is considered the first major book length feminist call to action in America never conformed to nineteenth century expectations of self effacing womanhood The fascinating contradictions revealed by these narratives create a lively lifelike biography of Fuller's rare gifts and solid acquirements and unfailing intellectual sympathy **The Cambridge Companion to Edgar Allan Poe** Kevin J. Gaylin,2024-04-18 Occurring in a time of primitive medicine and inconsistent record keeping Poe s death has become one of the enduring mysteries of American literature David F Gaylin s book marks the first attempt to offer a comprehensive and balanced study of this historical event After chronicling the circumstances that may have contributed to the poet s death the book examines key details about the story It traces Poe s movements and personal encounters before also exploring how Poe was handled and treated by others who attempted to come to his aid Proceeding with the liveliness of a detective story the discussion sheds new light on these events and it offers new information about the burial of Poe s body and the subsequent relocations of his tomb With the addition of supplementary reference materials
