# Raising Cain

**Yan Bai**

## **Raising Cain:**

*Raising Cain* Wayne Harvey, 2013-05-01 Beside oneself as old as the hills the kiss of death see eye to eye and raising Cain are all expressions most English speakers understand and use in conversation If you asked someone what these phrases have in common few would be able to say that they all come from the Bible Even in a secular post Christian age the imprint of the Bible and especially the King James Version is pervasive and profound A distinguished professor of literature has said the King James Version of the Bible is the most influential English book ever printed Its themes have influenced the arts constitutions laws and everyday language In *Raising Cain* Dr Wayne Harvey provides fascinating documentation of the echoes of the King James Bible on the tongues of and in the writings of 21st century English speakers His entry on *Raising Cain* shows how this treasury of biblical expressions works *Raise Cain* See also *Cain and Abel* and *Cain Mark of To* create a disturbance One sense of raise in old English is to conjure up To raise Cain is to bring up or express the spirit of Cain But unto Cain and to his offering he had not respect And Cain was very wroth and his countenance fell And the LORD said unto Cain Why art thou wroth and why is thy countenance fallen If thou doest well shalt thou not be accepted and if thou doest not well sin lieth at the door And unto thee shall be his desire and thou shalt rule over him Genesis 4 5 7 **Raising Cain**

Harrison Hilliard Cain, 1983 **Raising Cain** Wayne Harvey, 2013 Old as the hills see eye to eye raising Cain this collection of insights and anecdotes about how ancient scripture still shapes the things we say today is a great conversation piece and a fun testament to the Bible's lasting influence **Raising Cain** Dan Kindlon, Ph.D., Michael Thompson, PhD, 2000-04-04 In *Raising Cain* Dan Kindlon Ph D and Michael Thompson Ph D two of the country's leading child psychologists share what they have learned in more than thirty five years of combined experience working with boys and their families They reveal a nation of boys who are hurting sad afraid angry and silent Kindlon and Thompson set out to answer this basic crucial question What do boys need that they're not getting They illuminate the forces that threaten our boys teaching them to believe that cool equals macho strength and stoicism Cutting through outdated theories of mother blame boy biology and testosterone the authors shed light on the destructive emotional training our boys receive the emotional miseducation of boys Kindlon and Thompson make a compelling case that emotional literacy is the most valuable gift we can offer our sons urging parents to recognize the price boys pay when we hold them to an impossible standard of manhood They identify the social and emotional challenges that boys encounter in school and show how parents can help boys cultivate emotional awareness and empathy giving them the vital connections and support they need to navigate the social pressures of youth **RAISING CAIN**, 1992 Film Remakes NA NA, 2016-10-03 This is the first book to provide a comprehensive and systematic account of the phenomenon of cinematic remaking Drawing upon recent theories of genre and intertextuality *Film Remakes* describes remaking as both an elastic concept and a complex situation one enabled and limited by the interrelated roles and practices of industry critics and audiences This approach to remaking is developed across three broad sections the first deals with

issues of production including commerce and authors the second considers genre plots and structures and the third investigates issues of reception including audiences and institutions **New York Magazine** ,1992-08-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1992-08-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **How to Raise an Abel When the World Is Raising Cain** Keith D. Pisani,2019-12-05 It can be a challenging task to raise a child to love the Lord discover God s purpose for his or her life and be faithful to Him in the midst of a society that seems bent on destroying the home Seasoned pastor and committed father Keith Pisani digs deep into God s word and relates lessons from numerous biblical passages from Genesis through Revelation to guide parents down an inspirational path to learn how to raise children for the Lord form a salvation relationship with God through faith in Jesus and ultimately give Him glory While relying on applicable scriptures to provide insight on how the family began and sharing principles on parenting from Proverbs Pisani also includes lessons on child rearing from other family related bible passages a nine session interactive small group bible study extracted from the text and principles for parenting In this modern day manual a pastor and experienced father shares scripture wisdom and a roadmap that guides parents on an insightful journey to raising Christian children within a challenging society [The Mother and the Manager](#) Elizabeth Ralston,2014-08-22 In The Mother And The Manager Elizabeth Ralston courageously explores how our traditional gender roles create codependent behaviors in men and women and offers positive workable solutions toward dealing with this problem The Mother And The Manager takes an in depth look at how our society has evolved and impacted gender roles into the twenty first century As 12 Step recovery groups have flourished in recent years women have been educated about why they have issues such as low self esteem perfectionism rigidity relationship failures inability to get their needs met and fear of conflict Elizabeth has bravely shared about how patriarchy has impacted her life and how recovery has helped her to empower and heal herself She will help many who are searching for answers to their questions and will help them on the road to recovery I salute her ability to face her fears about rocking the boat in writing this book and taking the risk to speak her truth and stay on her God inspired path Ginger S Edwards Licensed Professional Counselor Licensed Addictions Specialist Specializing in Codependency and Trauma **Pixar's Boy Stories** Shannon R. Wooden,Ken Gillam,2014-03-27 Since Toy Story its first feature in 1995 Pixar Animation

Studios has produced a string of commercial and critical successes including *Monsters Inc* *WALL E* *Finding Nemo* *The Incredibles* *Cars* and *Up*. In nearly all of these films male characters are prominently featured usually as protagonists. Despite obvious surface differences these figures often follow similar narratives toward domestic fulfillment and civic engagement. However these characters are also hypermasculine types whose paths lead to postmodern social roles more revelatory of the current crisis that sociologists and others have noted in boy culture. In *Pixar's Boy Stories: Masculinity in a Postmodern Age* Shannon R. Wooden and Ken Gillam examine how boys become men and how men measure up in films produced by the animation giant. Offering counterintuitive readings of boy culture this book describes how the films quietly but forcefully reiterate traditional masculine norms in terms of what they praise and what they condemn. Whether toys or ants monsters or cars Pixar's males succeed or fail according to the boy code the relentlessly policed gender standards rampant in American boyhood. Structured thematically around major issues in contemporary boy culture the book discusses conformity hypermasculinity social hierarchies disability bullying and an implicit critique of postmodern parenting. Unprecedented in its focus on Pixar and boys in its films this book offers a valuable perspective to current conversations about gender and cinema. Providing a critical discourse about masculine roles in animated features Pixar's Boy Stories will be of interest to scholars of film media and gender studies and to parents.

*New York Magazine*, 1992-08-17 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

Horror Films of the 1990s John Kenneth Muir,2011-10-06 This filmography covers more than 300 horror films released from 1990 through 1999 The horror genre s trends and cliches are connected to social and cultural phenomena such as Y2K fears and the Los Angeles riots Popular films were about serial killers aliens conspiracies and sinister interlopers new monsters who shambled their way into havoc Each of the films is discussed at length with detailed credits and critical commentary There are six appendices 1990s cliches and conventions 1990s hall of fame memorable ad lines movie references in Scream 1990s horrors vs The X Files and the decade s ten best Fully indexed 224 photographs

Rowdy Carousals J. Chris Westgate,2024-07 Combining performance theory with original archival research Rowdy Carousals makes important interventions in nineteenth century theater history with regard to the Bowery Boy a rowdy white urban character most famously exemplified by Mose from A Glance at New York in 1848 First this book greatly expands the stage history of the Bowery Boy which was not limited to Mose but rather included Mose s compeers and descendants who rollicked through sketches comedies and melodramas from the antebellum decades to the Progressive Era Second Rowdy Carousals argues that theatrical representations of the Bowery Boy legitimated and disseminated images of working class whiteness that facilitated class and racial formation in the United States The Bowery Boy s rowdyism during the antebellum period helped instantiate a concept of a working class alongside the emergent definitions of the middle class a tension which was slowly mediated by the appropriation and disciplining of the character by the turn of the century At the same time theatrical representations of the Bowery Boy emphasized the privileges of whiteness against nonwhite workers including slaves and free African Americans during the antebellum period an articulation of white superiority that continued through the early twentieth century with immigrants such as Jews Italians and the Chinese The examination of working class whiteness on stage in the theater and in print culture in Rowdy Carousals invites theater historians and critics to check the impulse to downplay or ignore questions about race and ethnicity in discussion of the Bowery Boy This study finally suggests links between the Bowery Boy s rowdyism in the nineteenth century and the resurgence of white supremacy in the early twenty first century
