*Raleigh* Marshall Lancaster, 1992 A city that began as a roadhouse with a jail for the drunks deserves an unorthodox account of its past This book follows no chronology offering instead little known facts curious tid bits and wild and zany tales from the city s past Raleigh Joe A. Mobley, 2009-11-27 Since its establishment in 1792 as the permanent and unalterable seat of government of the state of North Carolina Raleigh has seen many changes Historian Joe Mobley offers a detailed and compelling portrait of North Carolina s capital as it has evolved from town to thriving metropolis from the Civil War and Reconstruction through the Great Depression and Raleigh s coming of age in the decades following World War II Learn about the many obstacles Raleigh has overcome on its way to becoming a major center of economic social and political life in North Carolina The North Carolina Historical Review , 2009 Heading South to Teach Kim Tolley, 2015-08-31 Susan Nye Hutchison 1790 1867 was one of many teachers to venture south across the Mason Dixon Line in the Second Great Awakening From 1815 to 1841 she kept journals about her career family life and encounters with slavery Drawing on these journals and hundreds of other documents Kim Tolley uses Hutchison s life to explore the significance of education in transforming American society in the early national period Tolley examines the roles of ambitious educated women like Hutchison who became teachers for economic spiritual and professional reasons During this era working women faced significant struggles when balancing career ambitions with social conventions about female domesticity Hutchison s eventual position as head of a respected southern academy was as close to equity as any woman could achieve in any field By recounting Hutchison s experiences from praying with slaves and free blacks in the streets of Raleigh and establishing an independent school in Georgia to defying North Carolina law by teaching slaves to read Tolley offers a rich microhistory of an antebellum teacher Hutchison s story reveals broad social and cultural shifts and opens an important window onto the world of women s work in southern education North Carolina Libraries , 1993 **State Regulation of Pesticides** , 1994 *State Government* Thad L. Hall, 1987 **The Process of International Legal Reproduction** Rose Parfitt, 2019-01-17 That all states are free and equal under international law is axiomatic to the discipline Yet even a brief look at the dynamics of the international order calls that axiom into question Mobilising fresh archival research and drawing on a tradition of unorthodox Marxist and anti colonial scholarship Rose Parfitt develops a new modular legal historiography to make sense of the paradoxical relationship between sovereign equality and inequality Juxtaposing a series of seemingly unrelated histories against one another including a radical re examination of the canonical story of Fascist Italy s invasion of Ethiopia Parfitt exposes the conditional nature of the process through which international law creates and disciplines new states and their subjects The result is a powerful critique of international law s role in establishing and perpetuating inequalities of wealth power and pleasure accompanied by a call to attend more closely to the strategies of resistance that are generated in that

*Raleigh: North Carolina's Capital City on Postcards* Norman D. Anderson,B T Fowler,1996-09 Raleigh North Carolina s Capital City on Postcards contains more than two hundred postcard images which together capture much of what life was like in the City of Oaks and its neighbors in Wake County during the first half of the twentieth century The Raleigh area has experienced tremendous growth since World War II and much of what is fondly remembered by old timers has been lost to the demands of development and the rigors of time Some of the well known landmarks businesses and characters however were captured on film by enterprising postcard photographers who were unknowingly creating an invaluable archive of historical data which now gives us an insight into the way life was lived in North Carolina s capital during the Golden Age of Postcards This wonderful new book brings to life the history of this diverse and dynamic region through carefully selected postcards from that era accompanied by informative and insightful captions as well as a helpful essay on the history and importance of postcards     The Early History of Raleigh, the Capital City of North Carolina Kemp Plummer Battle,1893
