**Ramblers, Gamblers, and Lovers** Laurence Swinburne, 1968      *Books Related to Adult Basic Education and Teaching English to Speakers of Other Languages*, 1970      **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1971      *Touch Me! I'm for Real* Jean Barrett Groves, 2019-09-23 Like most kids teachers asked me what I wanted to be when I grew up That question was hard to answer as a black girl growing up in Harlem in the 1950s When I tried to look back beyond my grandmother to understand my family's past there was an ugly stain on our history left by slavery and then just a dark blur It was said we came from Africa Where exactly I didn't know There was no connection When I looked around me I saw crime violence and drugs spreading malignity through the black community Meanwhile the old staples faith and family values were like walls slowly crumbling down I glanced ahead but it was hard to see past things modeled at home wrong words said or negative messages telegraphed to me in books and media that poo-pooed my potential They didn't bode well for my future What was I to do The only thing I could I summoned whatever I had in me used my ghetto beginnings to push against and then propelled forward I completed my education developed a teaching career in the NYC public schools and bought a house I felt like I was finally somebody A health issue came along and gave me a one-two punch I became unable to walk and speak My sense of worth was immediately placed in jeopardy when I joined a new group of disadvantaged the disabled I had to climb back up to acceptance and respectability and achieve normalcy I asked myself could I find a voice and still make a difference This book is how I answered that It is a story about finding strength hope and a higher quality of life      **RIF's Guide to Book Selection** Reading Is Fundamental, Inc, 1970      *Dark Waters of the Pacific Ocean* Theron Dale Ledford, 2018-04-23 Private Journal From a Religious Program Specialist in the Navy Historical Record of the Final Voyage of the USS HALSEY CG 23 1992 1994 Deals with mature subject matter Struggles of a Christian in the US NAVY      The National Union Catalogs, 1963-1964      **National Union Catalog**, 1964 Includes entries for maps and atlases      Something about the Author Anne Commire, 1976 Series covers individuals ranging from established award winners to authors and illustrators who are just beginning their careers Entries cover personal life career writings and works in progress adaptations additional sources and photographs      Monogamy Robert Von Hallberg, 2023-03-14 Monogamy elaborates an ideology of romance from extraordinary poems and songs one by one Poems and popular songs are still the main medium for preserving the rules of romance Each chapter is a meditation on one of eight commonplaces about love that it makes one monogamous sentimental vulnerable that its force is immediate and transformative or that it is a fickle force but cannot be bought and yet endures Strong poets and lyricists bend these notions as lovers do too Great poems and songs come from interstices between celebrated commonplaces felt desires and second thoughts The Book of Love is heterogeneous complicated Some love poems reach significant numbers through books and anthologies and eventually classroom textbooks and are held in memory by generations of admirers Many popular songs however have reached

extremely large audiences beginning with Broadway musicals and continuing in the recordings of later jazz vocalists They are not read but they are firmly lodged in memory They are the only poems known by most audiences Canonical poems are imitated by aspiring poets and versifiers The actual verse culture is layered with light verse song lyrics and Shakespeare's sonnets To understand what poems effectively teach about romance in particular one should attend closely to songs too particularly in the U S since 1920 **RIF's Guide to Book Selection** National Reading Is Fundamental Program,1970
