**Town and Terraced Housing** Avi Friedman,2012-06-25 A systematic approach is used to cover the many facets of terraced and townhouses a style of building which has been in use since the Roman era and is still useful today The whole range of this style of housing is covered from interior design and construction methods to more social factors like the issues of parking and street configurations Alongside over 150 diagrams and eighty photos Avi Friedman creates a book which will be a valuable resource for all those involved in the planning design and creation of terraced and town houses      *American Vernacular Architecture 1870 To 1960* Herbert Gottfried,Jan Jennings,2009-07-07 A comprehensive examination of American vernacular buildings      **Houses for a New World** Barbara Miller Lane,2022-07-12 The fascinating history of the twentieth century s most successful experiment in mass housing While the work of Frank Lloyd Wright Richard Neutra and their contemporaries frequently influences our ideas about house design at the midcentury most Americans during this period lived in homes built by little known builders who also served as developers of the communities Often dismissed as little boxes

made of tacky tacky the tract houses of America's postwar suburbs represent the twentieth century's most successful experiment in mass housing Houses for a New World is the first comprehensive history of this uniquely American form of domestic architecture and urbanism Between 1945 and 1965 more than thirteen million houses most of them in new ranch and split level styles were constructed on large expanses of land outside city centers providing homes for the country's rapidly expanding population Focusing on twelve developments in the suburbs of Boston Philadelphia Chicago and Los Angeles Barbara Miller Lane tells the story of the collaborations between builders and buyers showing how both wanted houses and communities that espoused a modern way of life informal democratic multiethnic and devoted to improving the lives of their children The resulting houses differed dramatically from both the European International Style and older forms of American domestic architecture Based on a decade of original research and accompanied by hundreds of historical images plans and maps this book presents an entirely new interpretation of the American suburb The result is a fascinating history of houses and developments that continue to shape how tens of millions of Americans live Featured housing developments in Houses for a New World Boston area Governor Francis Farms Warwick RI Wethersfield Natick MA Brookfield Brockton MA Chicago area Greenview Estates Arlington Heights IL Elk Grove Village Rolling Meadows Weathersfield at Schaumburg Los Angeles and Orange County area Cinderella Homes Anaheim CA Panorama City Los Angeles Rossmore Los Alamitos CA Philadelphia area Lawrence Park Broomall PA Rose Tree Woods Broomall PA

Get Out of My Room! Jason Reid, 2017-01-19

Everybody has a teen bedroom story The teen bedroom has universally been regarded as a safe haven for adolescents from all classes and backgrounds and a near sacred space that's basically off limits to everyone but its teenage occupants and their invited guests But it's a relatively recent Western phenomenon that assumed a prominent role in socializing teens and shaping their identities during the years following World War II As part of the identity shaping process the teen bedroom became a safe space for teens to express their growing consumer power parallel to the emergence of youth subcultures after the War Reid tracks the history of bedrooms for children back to the Civil War period though the bulk of his research stretches from the late 1950s through the beginning of the 21st century The rock posters stuffed animals and record players that found their way into teen bedroom during this period represent ways in which trends became major contributors to the postwar consumer economy Reid by no means neglects popular culture in the meantime detailing the ways in which the teen bedroom appeared in song film television and literature It was often portrayed as a space of personal development and self expression but also as a site of profound loneliness and romantic longing To quote the Beach Boys 1963 hit song In My Room the postwar teen bedroom featured just as much sighing and crying as it did scheming and dreaming

**The Decorated Tenement** Zachary J. Violette,2019-04-30 Winner of the International Society of Place Landscape and Culture Fred B Kniffen Award A reexamination of working class architecture in late nineteenth century urban America As the multifamily building type that

often symbolized urban squalor tenements are familiar but poorly understood frequently recognized only in terms of the housing reform movement embraced by the American born elite in the late nineteenth century This book reexamines urban America s tenement buildings of this period centering on the immigrant neighborhoods of New York and Boston Zachary J Violette focuses on what he calls the decorated tenement a wave of new buildings constructed by immigrant builders and architects who remade the slum landscapes of the Lower East Side of Manhattan and the North and West Ends of Boston in the late nineteenth century These buildings highly ornamental facades became the target of predominantly upper class and Anglo Saxon housing reformers who viewed the facades as garish wrappings that often hid what they assumed were exploitative and brutal living conditions Drawing on research and fieldwork of more than three thousand extant tenement buildings Violette uses ornament as an entry point to reconsider the role of tenement architects and builders many of whom had deep roots in immigrant communities in improving housing for the working poor Utilizing specially commissioned contemporary photography and many never before published historical images *The Decorated Tenement* complicates monolithic notions of architectural taste and housing standards while broadening our understanding of the diversity of cultural and economic positions of those responsible for shaping American architecture and urban landscapes Winner of the International Society of Place Landscape and Culture Fred B Kniffen Award
