Randall House Bible Commentary 1 2 Corinthians Randall House Bible Commentary:

First, Second Corinthians Robert E. Picirilli, 1987 *The Gospel of John* Jack Wilson Stallings, 1989 **Expository Preparation** Benjamin G. Campbell, 2021-09-30 For those in local church ministry it is often a pressing matter to find the time to take care of their own souls More often than not pastors tend to prioritize sermon preparation and delivery as their primary tasks when actually their first task should be their own spiritual health It is for this purpose that this book is written to encourage pastors to soul care before sermon preparation If pastors will prepare their own hearts the sermon will fall in line and permeate the hearts of the listeners Romans F. Leroy Forlines, 1987-12 Here s the perfect commentary to help readers understand biblical truths and communicate those truths to others The verse by verse expositions highlight and explain important Greek words from the original manuscripts They also examine the difficult theological concepts A great reference for laymen teachers and preachers Bound in an attractive hardcover with dust jacket **1 Thessalonians Through Philemon** Robert E. Picirilli, W. Stanley Outlaw, Daryl Ellis, 1990 The Resurrection of Jesus Michael R Licona, 2020-05-21 The question of the historicity of Jesus resurrection has been repeatedly probed investigated and debated And the results have varied widely Perhaps some now regard this issue as the burned over district of New Testament scholarship Could there be any new and promising approach to this problem Yes answers Michael Licona And he convincingly points us to a significant deficiency in approaching this question our historiographical orientation and practice So he opens this study with an extensive consideration of historiography and the particular problem of investigating claims of miracles This alone is a valuable contribution But then Licona carefully applies his principles and methods to the question of Jesus resurrection In addition to determining and working from the most reliable sources and bedrock historical evidence Licona critically weighs other prominent hypotheses His own argument is a challenging and closely argued case for the historicity of the resurrection of Jesus the Christ Any future approaches to dealing with this prize puzzle of New Testament study will need to be routed through The Resurrection of Jesus *Grace, Faith, Free Will* Robert E. Picirilli, 2002 Robert E Picirilli in *Grace Faith Free Will* renews the discussion of issues that have divided Calvinism and Arminianism since the Reformation Jacobus Arminius a Dutch theologian of the 16th century contested the dominant theological ideas advanced by the well known Protestant reformer John Calvin and his disciples Historically Arminius has been frequently misunderstood and often interpreted by friend and foe alike Even today one who calls himself Arminian does so with considerable risk as the name means different things to different people and comes in various flavors Many automatically think of Arminians as liberal differing little from Universalists at least holding to salvation by works and possibly espousing heretical views of the Trinity or the goodness of man In truth some Arminians have held and even now hold such beliefs No so of Arminius himself his original followers or able contemporary theologians such as Picirilli Though he presents both classics Calvinism and Arminianism in order to help readers intelligently decide for themselves Dr Picirilli unashamedly advocates a very specific

form of Arminianism as the best resolution of the tensions between the two doctrinal positions *Paul The Apostle* Robert E. Picirilli,1986-10-08 Except for the Lord Himself no single figure has done more for the Christian faith If you want to understand Christianity you need to understand Paul But with so many books on the apostle where do you start Paul the Apostle is the ideal choice if you want a solid understanding of Paul s life ministry and writings without getting weighed down with minutia Author Robert E Picirilli who taught college courses on Paul for over twenty five years found that most books on the apostle were either too technical or too basic so he wrote a book that strikes a happy medium It offers A profile of Paul in his historical and cultural context Outlines and explanations of his missionary journeys Introductions and brief analyses of each of his epistles Useful for individual study or as a textbook as it is in many universities today Paul the Apostle is a great one stop study of the man who wrote half the New Testament spread the gospel to the heart of the known world and gave his life for the Kingdom *Luke 6:40 and the Theme of Likeness Education in the New Testament* Thomas W.

Hudgins,2014-01-07 What does Jesus mean when he says A disciple is not above his teacher but each disciple after being fully trained will be like his teacher Luke 6 40 This verse has been quoted cited and referenced in vast amounts of Christian education and discipleship literature Nevertheless the verse is nearly untouched in exegetical discussions with the exception of source critical analyses From this verse arises an undeveloped theme in the Gospel of Luke and the New Testament the theme of likeness education Using content analysis methodology Luke 6 40 one of the keystone passages in Christian education literature serves as the starting point for mining out the theme of likeness education in the New Testament This study consists of three concentric areas of investigation 1 Luke 6 40 and its immediate context 2 Luke Acts and 3 the New Testament corpus *Contact* ,2003 *Galatians Through Colossians* Thomas Marberry,Robert E. Picirilli,Daryl Ellis,1988

Life in the Son Robert Shank,2024-06-18 A deep study on the doctrine of eternal security Does one moment of faith secure a person s eternal destiny with God even if that person later stops following and trusting in Jesus Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God Now expanded with new chapters and research this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security perseverance and apostasy in the New Testament Calling into question the popular once saved always saved belief internationally respected pastor and scholar Dr Robert Shank reveals that the question we should be asking is not Is the believer secure but rather What does it mean to be a believer Straightforward thorough and grounded in biblical understanding this book warns Christians about dangers that could potentially lead a believer to become an unbeliever falling away from faith and share in the unbeliever s eternal condemnation **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09 **Regaining Balance** Randy Sawyer,2005 This small group study is written as a devotional journal designed to guide its readers through a season of spiritual renewal Each day of the 91 day journal encourages involvement in a handful of spiritual disciplines in order to help the reader regain focus and

balance in every aspect of life It is perfect for individual or group study **American Book Publishing Record** ,2000

Through the Eyes of God John Marshall,2005 After several years in the pastorate John Marshall realized that he was nothing more than a spectator in his involvement in the Great Commission This recognition sparked questions and a curiosity What does God really say about missions **Subject Guide to Books in Print** ,1997 **A Multi-Intentioned View of the Extent of the Atonement** Gary L. Shultz,2014-01-07 Christians strongly disagree about the extent of the atonement Some believe that the atonement only extends to the elect those whom God chose to save before the foundation of the world Others believe the atonement is unlimited that Jesus died for all people whether they ever believe in him or not Despite the differences in these two traditional understandings they share one thing in common both believe that Jesus died for a single intended purpose But what if God s intentions in the atonement are multiple not single The Bible teaches exactly this that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began This book explains and defends a multi intentioned view of the extent of the atonement asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins **Publishers Directory** ,1994 *James, 1, 2 Peter, Jude* Paul V. Harrison,Robert E. Picirilli,1992
