## **Random House Historical Dictionary Slang Volume 1:**

Random House Historical Dictionary of American Slang, 2002      **Words** Dale D. Johnson, 2018-04-17 Written by respected authorities in the fields of education and literacy studies Words The Foundation of Literacy is a groundbreaking book for teachers administrators and education students Dale and Bonnie Johnson present a fresh inspiring reminder of why studying language from word origins to word structure is such a vital first step in the development of students vocabulary literacy writing skills and overall ability to learn At a time when high stakes testing has squeezed substance from many curricula Johnson and Johnson provide ways to enhance students understanding interest and appreciation of language and all its subtleties Words explores how meaning in language is created by the use and interrelationships of words phrases and sentences their denotations connotations implications and ambiguities From birth most children exhibit a natural interest in language its sounds nuances and unpredictable qualities It is important to sustain stimulate and recapture that natural interest in the classroom and Words provides a multitude of creative and practical techniques for doing so      **Willie Dixon** Mitsutoshi Inaba, 2011-08-29 One of the greats of blues music Willie Dixon was a recording artist whose abilities extended beyond that of bass player A singer songwriter arranger and producer Dixon s work influenced countless artists across the music spectrum In Willie Dixon Preacher of the Blues Mitsutoshi Inaba examines Dixon s career from his earliest recordings with the Five Breezes through his major work with Chess Records and Cobra Records Focusing on Dixon s work on the Chicago blues from the 1940s to the early 1970s this book details the development of Dixon s songwriting techniques from his early professional career to his mature period and compares the compositions he provided for different artists This volume also explores Dixon s philosophy of songwriting and its social historical and cultural background This is the first study to discuss his compositions in an African American cultural context drawing upon interviews with his family and former band members This volume also includes a detailed list of Dixon s session work in which his compositions are chronologically organized      Studies in Etymology and Etiology David L. Gold, 2009 Dictionaries usually give only brief treatment to etymologies and even etymological dictionaries often do not lavish on them the attention which many deserve To help fill the gap the author deals in depth with several etymologically problematic words in various Germanic Jewish Romance and Slavic languages all of which have hitherto either been misetymologized or not etymologized at all Sometimes he succeeds in cracking the nut Sometimes he is able only to clear away misunderstanding and set the stage for further treatment Usually he marshals not only linguistic but also historical and cultural information Since this book also discusses methodology it has the makings of an introduction to the science art and craft of etymology David L Gold is the founder of the Jewish Name and Family Name File the Jewish English Archives and the Association for the Study of Jewish Languages as well as the editor of Jewish Language Review and Jewish Linguistic Studies      The Politics of Proverbs Wolfgang Mieder, 1997 Demonstrates how proverbs and to a lesser extent proverbial expressions have played a significant role in political life during the 20th century

Takes as major examples the speeches and writings of Adolf Hitler Winston Churchill and Harry Truman to show how proverbs can be brought into the service of most any ideology Also traces the use of proverbs and their cartoon analogues during the five decades of Cold War propaganda and proverbial slurs against Native Americans and Asian Americans Paper edition unseen 19 95 Annotation copyrighted by Book News Inc Portland OR Critical Reading and Writing for Postgraduates Mike Wallace, Alison Wray, 2011-01-13 Lecturers why waste time waiting for the post to arrive Request and receive your e inspection copy today Written in a clear and straightforward fashion that is guaranteed to make you think as well as encouraging constructive and engaging modes of writing that will improve your connection to your audience Professor Graham Crow University of Southampton How do you respond to adverts Do you believe what they say or look for a hidden agenda Reading critically and writing using critical techniques are crucial skills you need to apply to your academic work It may seem difficult at first but you may already be a more critical reader than you think This guide helps you develop both the ability to critically ask questions and a reflective and critical approach to your own research and writing Broken down into three parts it builds up your skills and confidence through focused activities that progressively develop your ability to critically read and write New to this 2nd edition A range of subject specific examples from areas including linguistics education business and management Commentaries on using e resources and features of e research New online resources including worksheet templates chapter activities and free access to journal articles Look at the RESOURCES TAB to view and download the additional materials SAGE Study Skills are essential study guides for students of all levels From how to write great essays and succeeding at university to writing your undergraduate dissertation and doing postgraduate research SAGE Study Skills help you get the best from your time at university Visit the SAGE Study Skills website for tips quizzes and videos on study success *Queerly Phrased* Anna Livia, Kira Hall, 1997 A pioneering collection of articles on lesbian gay bisexual and transsexual language **The Shabbat Elevator and other Sabbath Subterfuges** Alan Dundes, 2002-01-21 There are literally hundreds if not thousands of books written about Judaism and Jews but this book is unlike any previously published It focuses on the topic of circumventing custom with special emphasis on the ingenious ways Orthodox and other Jews have devised to avoid breaking the extensive list of activities forbidden on the Sabbath After examining the sources of Sabbath observance as set forth in the Old Testament the New Testament and rabbinical writings some of the most salient forms of circumvention are described These include riding a special Shabbat elevator unscrewing the lightbulb in the refrigerator constructing an eruv a space extending one's domicile so that objects may be carried outside the home and relying on the services of the so called Shabbes Goy among others Dundes respectfully analyzes such facets of Jewish characteristics as an undue concern with purity and a long established tradition of indulging in nit picking and argumentation The resultant picture of Jewish character is drawn from an unusual mixture of religious written texts and oral tradition jokes and proverbs The sources range from ancient Israel to works from the twenty first century In many ways it is an authentic and striking

Jewish self portrait that is painted for the very first time in this fascinating volume **Bad Girls** Amanda H.

Littauer,2015-07-17 In this innovative and revealing study of midcentury American sex and culture Amanda Littauer traces the origins of the sexual revolution of the 1960s She argues that sexual liberation was much more than a reaction to 1950s repression because it largely involved the mainstreaming of a counterculture already on the rise among girls and young women decades earlier From World War II era victory girls to teen lesbians in the 1940s and 1950s these nonconforming women and girls navigated and resisted intense social and interpersonal pressures to fit existing mores using the upheavals of the era to pursue new sexual freedoms Building on a new generation of research on postwar society Littauer tells the history of diverse young women who stood at the center of major cultural change and helped transform a society bound by conservative sexual morality into one more open to individualism plurality and pleasure in modern sexual life *Love, Sex,*

*and Marriage* Julie Coleman,2022-06-13 If the language we use influences and reflects the way that we see the world then the fields of LOVE SEX and MARRIAGE will show how speakers of English view their closest social and emotional relationships Love Sex and Marriage provides a classification of English terms for these three fields from the earliest written records of the language until the present day This volume makes it possible to trace changing attitudes towards social and sexual ties and to understand those ties as earlier speakers of English did through the language they used The terms are arranged by meaning and are listed chronologically within semantic fields with their dates of usage Notes on individual terms provide further information about their connotations and development Language does not exist in isolation from the people who speak it so background information about changes in social conditions religious beliefs and medical advancements is also included A brief introduction to basic semantic terminology explains the principles behind the classification and an alphabetical index facilitates the location of individual terms Hong Kong Grant Evans,Maria Tam,2013-10-31 Hong Kong

has become a by word for all that is modern and sparkling in Asia today Yet tourist brochures still play with the old cliché of Hong Kong as a place where East meets West Images of so called traditional China junks sailing Victoria Harbour or old women praying to gods in smoky temples mingle with those portraying Hong Kong as a consumer and business paradise This collection of essays attempts to transcend the old polarities It looks at modern Hong Kong in all its splendour and diversity in the run up to its re absorption into Greater China in mid 97 through the mediums of film food architecture rumours and slang It explores the question of a distinct modern Chinese identity in Hong Kong and even when it explores the traditional stamping ground of the older anthropology in the New Territories it finds a dramatically changed context in particular for women This collection presents an intriguing insight into the process of transition from tradition to modernity in this Modern Chinese Metropolis Federal Probation ,1996 *Origins of the Specious* Patricia T. O'Conner,Stewart

Kellerman,2010-08-24 Do you cringe when a talking head pronounces niche as NITCH Do you get bent out of shape when your teenager begins a sentence with and Do you think British spellings are more civilised than the American versions If you

answered yes to any of those questions you're myth informed In *Origins of the Specious* word mavens Patricia T O Conner and Stewart Kellerman reveal why some of grammar's best known rules aren't and never were rules at all This playfully witty rigorously researched book sets the record straight about bogus word origins politically correct fictions phony franchises fake acronyms and more Here are some shockers They were once commonly used for both singular and plural much the way you is today And an eighteenth century female grammarian of all people is largely responsible for the all purpose he From the Queen's English to street slang this eye opening romp will be the toast of grammarphiles and the salvation of grammarphobes Take our word for it      **Uninvited** Patricia White,1999 Lesbian characters stories and images were barred from onscreen depiction in Hollywood films from the 1930s to the 1960s together with all forms of sex perversion Through close readings of gothic ghost films and maternal melodramas addressed to female audiences *Uninvited* argues that viewers are invited to make lesbian inferences Looking at the lure of some of the great female star personae in films such as Rebecca Pinky The Old Maid Queen Christina and *The Haunting* and at the visual coding of supporting actresses it identifies lesbian spectatorial strategies White's archival research textual analyses and novel theoretical insights make an important contribution to film lesbian and feminist studies Book jacket      *Tricksters in the Madhouse* John Christgau,2007-08-15 The story of the pivotal first meeting between the all white Minneapolis Lakers and the black Harlem Globetrotters in 1948 re creates the game play by play and demonstrates how it represented an important step toward equality      **Handbook of Niche Marketing** Art Weinstein,2013-04-03 Get closer to tailor made marketing Ever changing customer needs and intense competition make it crucial for companies to find new creative ways to attract and retain customers *The Handbook of Niche Marketing Principles and Practice* fills the information gap long seen in niche marketing research by presenting the essential and influential articles from recent years in one book This unique educational resource reveals the theories the strategies and real life case studies of niche marketing success and why it is on its way to becoming the next global marketing wave *The Handbook of Niche Marketing* features respected authorities insightful research and valuable discussions on a variety of marketing issues such as niche marketing theory niche vs mass marketing choosing niche strategy brand loyalty overlap and product line cannibalization with practical guidelines for using niche marketing strategy in various markets This well referenced guide includes extensive tables graphs illustrations and real life case studies to clearly illustrate ideas and concepts *The Handbook of Niche Marketing* explores niche marketing's concepts and theories principles empirical research customer satisfaction issues strategies applications different types of niche markets *The Handbook of Niche Marketing* is a comprehensive text invaluable for marketing students instructors and anyone wanting to maximize their marketing abilities in niche markets      *Racism in Contemporary America* Meyer Weinberg,1996-05-23 *Racism in Contemporary America* is the largest and most up to date bibliography available on current research on the topic It has been compiled by award winning researcher Meyer Weinberg who has spent many years writing and researching contemporary and historical aspects of

racism Almost 15 000 entries to books articles dissertations and other materials are organized under 87 subject headings In addition there are author and ethnic racial indexes Several aids help the researcher access the materials included In addition to the subject organization of the bibliography entries are annotated whenever the title is not self explanatory An author index is followed by an ethnic racial index which makes it convenient to follow a single group through any or all the subject headings This is a source book for the serious study of America s most enduring problem as such it will be of value to students and researchers at all levels and in most disciplines

**Language, Gender, and Citizenship in American Literature, 1789-1919** Amy Dunham Strand, 2008-08-27 Examining language debates and literary texts from Noah Webster to H L Mencken and from Washington Irving to Charlotte Perkins Gilman this book demonstrates how gender arose in passionate discussions about language to address concerns about national identity and national citizenship elicited by 19th century sociopolitical transformations Together with popular commentary about language in Congressional records periodicals grammar books etiquette manuals and educational materials literary products tell stories about how gendered discussions of language worked to deflect nationally divisive debates over Indian Removal and slavery to stabilize mid 19th century sociopolitical mobility to illuminate the logic of Jim Crow and to temper the rise of New Women and New Immigrants at the end and turn of the 19th century Strand enhances our understandings of how ideologies of language gender and nation have been interarticulated in American history and culture and how American literature has been entwined in their construction reflection and dissemination

*The Elements of Expression* Arthur Plotnik, 2012-06-01 More than ever in this completely updated edition *The Elements of Expression* helps word users light up the cosmos or the written page or the face across the table as they seek the radiance of expressiveness the vivid expression of thoughts feelings and observations Nothing kills radiance like the murky generic language dominating today s talk airwaves and posts It tugs at our every sentence but using it to express anything beyond the ordinary is like flapping the tongue to escape gravity *The Elements of Expression* offers an adventurous and inspiring flight into words that truly share what s percolating in our minds Here writers presenters students bloggers even well intentioned Mad Men will discover language to convey precise feelings move audiences delight and persuade No snob or scold the acclaimed word maven Arthur Plotnik explores the full range of expressiveness from playful tough talk to finely wrought literature with hundreds of rousing examples Confessing that we are all like a squid in its ink when first groping for luminous expression he shines his amiable wit on the elements leading ultimately to language of fissionable intensity

*American English* Zoltan Kovecses, 2000-09-26 This book is a cultural historical rather than purely linguistic introduction to American English The first part consists of a general account of variation in American English It offers concise but comprehensive coverage of such topics as the history of American English regional social and ethnic variation variation in style including slang and British and American differences The second part of the book puts forward an account of how American English has developed into a dominant variety of the English language It

focuses on the ways in which intellectual traditions such as puritanism and republicanism in shaping the American world view have also contributed to the distinctiveness of American English
