**Rainbow in the Sky** Lucile H. Jones,1982      **Water in a Dry Land** Margaret Somerville,2013-02-15 Water in a Dry Land is a story of research about water as a source of personal and cultural meaning The site of this exploration is the iconic river system which forms the networks of natural and human landscapes of the Murray Darling Basin Australia In the current geological era of human induced climate change the desperate plight of the system of waterways has become an international phenomenon a symbol of the unsustainable ways we relate to water globally The Murray Darling Basin extends west of the Great Dividing Range that separates the densely populated east coast of Australia from the sparsely populated inland Aboriginal peoples continue to inhabit the waterways of the great artesian basin and pass on their cultural stories and practices of water albeit in changing forms A key question informing the book is What can we learn about water from the oldest continuing culture inhabiting the world s driest continent In the process of responding to this question a team of Indigenous and non Indigenous researchers formed to work together in a contact zone of cultural difference within an emergent arts based ethnography Photo essays of the artworks and their landscapes offer a visual accompaniment to the text on the Routledge Innovative Ethnography Series website <http://www.innovativeethnographies.net> This book is perfect for courses in environmental sociology environmental anthropology and qualitative methods

**The The Story Behind the Bible Trilogy: Book I The Torah; Book II The Prophets; Book III The New Covenant** J. K. Alexander,2019-11-27 With facts and information insightful commentary and even a few flights of fantasy The Story Behind the Bible trilogy weaves a magnetic journey through the ancient texts of the Bible for believers and non believers alike It s a journey that can draw readers into a universe that is larger and more incredible than they ever thought possible A highly comprehensive overview of the entire Bible the trilogy also proves that the prophets of scripture made impossible and miraculous predictions and prophecies concerning future events including our current era and virtually proves that God s hand steers the broad stream of world history Now over two thousand years hence much of scripture has been misinterpreted misapplied or simply lost to traditions and folklore The books address those issues with commentary and doctrine and through the elegant story and amazing people of the New Testament bring the biblical story to a triumphant end
