Rank Ladies M. Alison Kibler, 1999      Ella Baker and the Black Freedom Movement, Second Edition Barbara Ransby, 2024-10-15 One of the most important African American leaders of the twentieth century and perhaps the most influential woman in the civil rights movement Ella Baker 1903 1986 was an activist whose remarkable career spanned fifty years and touched thousands of lives A gifted grassroots organizer Baker shunned the spotlight in favor of vital behind the scenes work that helped power the Black freedom struggle Making her way in predominantly male circles while maintaining relationships with a vibrant group of women students and activists Baker was a national officer and key figure in the NAACP a founder of the Southern Christian Leadership Conference and a prime mover in the creation of the Student Nonviolent Coordinating Committee In this definitive biography Barbara Ransby chronicles Baker s long and rich career revealing her complexity radical democratic worldview and enduring influence on group centered grassroots activism Beyond documenting an extraordinary life Ransby paints a vivid picture of the African American fight for justice and its intersections with other progressive struggles worldwide throughout the twentieth century      Women and the Historical Enterprise in America: Gender, Race and the Politics of Memory Julie Des Jardins, 2004-07-21 In *Women and the Historical Enterprise in America* Julie Des Jardins explores American women s participation in the practice of history from the late nineteenth century through the end of World War II a period in which history became professionalized as an increasingly masculine field of scientific inquiry Des Jardins shows how women nevertheless transformed the profession during these years in their roles as writers preservationists educators archivists government workers and social activists Des Jardins explores the work of a wide variety of women historians both professional and amateur popular and scholarly conservative and radical white and nonwhite Although their ability to earn professional credentials and gain research access to official documents was limited by their gender and often by their race these historians addressed important new questions and represented social groups traditionally omitted from the historical record such as workers African Americans Native Americans and religious minorities Assessing the historical contributions of Mary Beard Zora Neale Hurston Angie Debo Mari Sandoz Lucy Salmon Mary McLeod Bethune Dorothy Porter Nellie Neilson and many others Des Jardins argues that women working within the broadest confines of the historical enterprise collectively brought the new perspectives of social and cultural history to the study of a multifaceted American past In the process they not only developed the field of women s history but also influenced the creation of our national memory in the twentieth century      **The Oxford Handbook of American Women's and Gender History** Ellen Hartigan-O'Connor, Lisa G. Materson, 2018-09-04 From the first European encounters with Native American women to today s crisis of sexual assault *The Oxford Handbook of American Women's and Gender History* boldly interprets the diverse history of women and how ideas about gender shaped their access to political and cultural power in North America Over twenty nine chapters this handbook illustrates how women s and gender history can shape how we view the

past looking at how gender influenced people's lives as they participated in migration colonialism trade warfare artistic production and community building Theoretically cutting edge each chapter is alive with colorful historical characters from young Chicanas transforming urban culture to free women of color forging abolitionist doctrines Asian migrant women defending the legitimacy of their marriages and transwomen fleeing incarceration Together their lives constitute the history of a continent Leading scholars across multiple generations demonstrate the power of innovative research to excavate a history hidden in plain sight Scrutinizing silences in the historical record from the inattention to enslaved women's opinions to the suppression of Indian women's involvement in border diplomacy the authors challenge the nature of historical evidence and remap what counts in our interpretation of the past Together and separately these essays offer readers a deep understanding of the variety and centrality of women's lives to all dimensions of the American past even as they show that the boundaries of women American and history have shifted across the centuries

**Refocusing Chaplin** Lawrence Howe, James E. Caron, Benjamin Click, 2013-10-03 Widely recognized in his character of the Tramp Charlie Chaplin transcended the role of actor to become screenwriter director composer producer and finally studio head The subject of numerous biographical studies Chaplin has been examined as both myth and man but these treatments fail to adequately address the often overlooked complexity of his filmmaking Refocusing Chaplin A Screen Icon through Critical Lenses features essays that examine the actor and director through various theoretical perspectives including Marxism feminism gender studies deconstruction psychoanalytic criticism new historicism performance studies and cultural criticism Complementing this range of intellectual inquiry is the wide reach of films discussed from The Circus 1928 The Gold Rush 1925 and City Lights 1931 to Modern Times 1936 The Great Dictator 1940 Monsieur Verdoux 1947 and Limelight 1952 Shorter films such as The Pawnshop 1916 The Rink 1916 and A Dog's Life 1918 are also examined These essays analyze the tensions between the carefully constructed worlds of Chaplin's films and their cultural contexts The varied approaches and range of materials in this volume not only comprehensively assess the screen icon but also foster a conversation that exemplifies the best of intellectual exchange Refocusing Chaplin provides a unique view into the work of one of cinema's most important and influential artists

Female Spectacle Susan A. Glenn, 2009-07-01 When the French actress Sarah Bernhardt made her first American tour in 1880 the term feminism had not yet entered our national vocabulary But over the course of the next half century a rising generation of daring actresses and comics brought a new kind of woman to center stage Exploring and exploiting modern fantasies and fears about female roles and gender identity these performers eschewed theatrical convention and traditional notions of womanly modesty They created powerful images of themselves as ambitious independent and sexually expressive New Women Female Spectacle reveals the theater to have been a powerful new source of cultural authority and visibility for women Ironically theater also provided an arena in which producers and audiences projected the uncertainties and hostilities that accompanied changing gender relations From Bernhardt's modern methods of self promotion to Emma Goldman's political theatrics from the female mimics and Salome dancers to the upwardly striving chorus girl Glenn shows us how and why theater mattered to women and argues for its pivotal role in the emergence of

modern feminism     *The Routledge Companion to Musical Theatre* Laura MacDonald, Ryan Donovan, 2022-12-30 Global in scope and featuring thirty five chapters from more than fifty dance music and theatre scholars and practitioners The Routledge Companion to Musical Theatre introduces the fundamentals of musical theatre studies and highlights developing global trends in practice and scholarship Investigating the who what when where why and how of transnational musical theatre The Routledge Companion to Musical Theatre is a comprehensive guide for those studying the components of musical theatre its history practitioners audiences and agendas The Companion expands the study of musical theatre to include the ways we practice and experience musicals their engagement with technology and their navigation of international commercial marketplaces The Companion is the first collection to include global musical theatre in each chapter reflecting the musical s status as the world s most popular theatrical form This book brings together practice and scholarship featuring essays by leading and emerging scholars alongside luminaries such as Chinese musical theatre composer San Bao Tony Award winning star Andr De Shields and Tony Award winning director Diane Paulus This is an essential resource for students on theatre and performance courses and an invaluable text for researchers and practitioners in these areas of study

**Disappearing Tricks** Matthew Solomon, 2010 An anti spiritualist medium stage magic and the beginnings of cinema The death of magic presentational performance and early film Behind the curtain M li s at the Th tre Robert Houdin Up to date magic theatrical conjuring and the trick film Houdini s actuality magic escaping the ghost house with moving pictures Lost in transition sensational fiction and the limits of narrative integration Epilogue     **The Adaptation of History** Laurence

Raw, Defne Ersin Tutan, 2012-11-14 This collection of essays asks the question What is history and considers how history is shaped in different socioeconomic contexts The writers take a transdisciplinary approach in the belief that everyone who deals with history including professional historians novelists and poets constructs narratives of the past to make sense of the present as well as to determine their future courses of action With contributions from a variety of specialists in media studies literature history and anthropology this book breaks new ground in adaptation studies     [A Companion to Reality Television](#)

Laurie Ouellette, 2016-12-19 International in scope and more comprehensive than existing collections A Companion to Reality Television presents a complete guide to the study of reality factual and nonfiction television entertainment encompassing a wide range of formats and incorporating cutting edge work in critical social and political theory Original in bringing cutting edge work in critical social and political theory into the conversation about reality TV Consolidates the latest broadest range of scholarship on the politics of reality television and its vexed relationship to culture society identity democracy and ordinary people in the media Includes primetime reality entertainment as well as precursors such as daytime talk shows in the scope of discussion Contributions from a list of international leading scholars in this field     **Literature, Amusement, and Technology in the Great Depression** William Solomon, 2009-10 Literature Amusement and Technology examines the exchange between literature and recreational practices in 1930s America William Solomon argues that autobiographical

writers like Edward Dahlberg and Henry Miller took aesthetic inspiration from urban manifestations of the carnival spirit Coney Island amusement parks burlesque vaudeville and the dime museum display of human oddities More broadly he demonstrates that the literary projects of the period pivoted around images of grotesquely disfigured bodies which appeared as part of this recreational culture

**Body Parts of Empire** Nerissa Balce, 2016-11-11 Body Parts of Empire is a study of abjection in American visual culture and popular literature from the Philippine American War 1899 1902 During this period the American national territory expanded beyond its continental borders to islands in the Pacific and the Caribbean Simultaneously new technologies of vision emerged for imagining the human body including the moving camera stereoscopes and more efficient print technologies for mass media Rather than focusing on canonical American authors who wrote at the time of U S imperialism this book examines abject texts images of naked savages corpses clothed native elites and uniformed American soldiers as well as bodies of writing that document the goodwill and violence of American expansion in the Philippine colony Contributing to the fields of American studies Asian American studies and gender studies the book analyzes the actual archive of the Philippine American War and how the racialization and sexualization of the Filipino colonial native have always been part of the cultures of America and U S imperialism By focusing on the Filipino native as an abject body of the American imperial imaginary this study offers a historical materialist optic for reading the cultures of Filipino America

**The Artistry of Anger** Linda M. Grasso, 2003-04-03 In this compelling interdisciplinary study Linda Grasso demonstrates that using anger as a mode of analysis and the basis of an aesthetic transforms our understanding of American women s literary history Exploring how black and white nineteenth century women writers defined expressed and dramatized anger Grasso reconceptualizes antebellum women s writing and illuminates an unrecognized tradition of discontent in American literature She maintains that two equally powerful forces shaped this tradition women s anger at their exclusion from the democratic promise of America and the cultural prohibition against its public articulation Grasso challenges the common notion that nineteenth century women s writing is confined to domestic themes and shows instead how women channeled their anger into art that addresses complex political issues such as slavery nation building gender arrangements and race relations Cutting across racial and genre boundaries she considers works by Lydia Maria Child Maria W Stewart Fanny Fern and Harriet Wilson as superb examples of the artistry of angry expression Transforming their anger through literary imagination these writers bequeathed their vision of an alternative America both to their contemporaries and to subsequent generations

**May Irwin** Sharon Ammen, 2016-12-07 May Irwin reigned as America s queen of comedy and song from the 1880s through the 1920s A genuine pop culture phenomenon Irwin conquered the legitimate stage composed song lyrics and parlayed her celebrity into success as a cookbook author suffragette and real estate mogul Sharon Ammen s in depth study traces Irwin s hurly burly life Irwin gained fame when layering aspects of minstrelsy over ragtime she popularized a racist Negro song genre Ammen examines this forgotten music the society it both reflected and entertained and the ways white and

black audiences received Irwin's performances. She also delves into Irwin's hands-on management of her image and career, revealing how Irwin carefully built a public persona as a nurturing housewife whose maternal skills and performing acumen reinforced one another. Irwin's act, soaked in racist song and humor, built a fortune she never relinquished. Yet her career's legacy led to a posthumous obscurity as the nation that once adored her evolved and changed.

**Weavers of Dreams, Unite!** Sean P. Holmes, 2013-04-01. Published to coincide with the centenary of the founding of the Actors Equity Association in 1913, *Weavers of Dreams, Unite!* explores the history of actors' unionism in the United States from the late nineteenth century to the onset of the Great Depression. Drawing upon hitherto untapped archival resources in New York and Los Angeles, Sean P. Holmes documents how American stage actors used trade unionism to construct for themselves an occupational identity that foregrounded both their artistry and their respectability. In the process, he paints a vivid picture of life on the theatrical shop floor in an era in which economic, cultural, and technological changes were transforming the nature of acting as work. The engaging study offers important insights into the nature of cultural production in the early twentieth century, the role of class in the construction of cultural hierarchy, and the special problems that unionization posed for workers in the commercial entertainment industry.

**Work!** Elspeth H. Brown, 2019-04-11. From the haute couture runways of Paris and New York and editorial photo shoots for glossy fashion magazines to reality television, models have been a ubiquitous staple of twentieth and twenty-first century American consumer culture. In *Work!*, Elspeth H. Brown traces the history of modeling from the advent of photographic modeling in the early twentieth century to the rise of the supermodel in the 1980s. Brown outlines how the modeling industry sanitized and commercialized models' sex appeal in order to elicit and channel desire into buying goods. She shows how this new form of sexuality, whether exhibited in the Ziegfeld Follies girls' performance of Anglo-Saxon femininity or in African American models' portrayal of black glamour in the 1960s, became a central element in consumer capitalism and a practice that has always been shaped by queer sensibilities. By outlining the paradox that queerness lies at the center of capitalist heteronormativity and telling the largely unknown story of queer models and photographers, Brown offers an out-of-the-ordinary history of twentieth-century American culture and capitalism.

**Performing Animality** Jennifer Parker-Starbuck, 2015-04-08. *Performing Animality* provides theoretical and creative interventions into the presence of the animal and ideas of animality in performance. Animals have always played a part in human performance practices. Maintaining a crucial role in many communities, cultural traditions, and animal-human encounters have been key in the development of performance. Similarly, performance including both living animals and/or representations of animals provides the context for encounters in which issues of power, human subjectivity, and otherness are explored. Crucially, however, the inclusion of animals in performance also offers an opportunity to investigate ethical and moral assumptions about human and non-human animals. This book offers a historical and theoretical exploration of animal presence in performance by looking at the concept of animality and how it has developed in theatre and performance.

practices from the eighteenth century to today Furthermore it points to shifts in political cultural and ethical animal human relations emerging within the context of animality and performance
